ICT Milestones -

- Chhatrapati Shahu Ji Maharaj University, Kanpur has been automated through different software over a period of time spanning past 14 -15 years.
- Office Automation has been done in a phased manner from stand alone systems to the present web based , online and central systems.
- With the use of IT & E-Governance most of the working of With the use of IT & E-Governance most of the working of the University is now automated as on date.

The Goals-

Following goals were set for automation

1. Phase I — automate internal systems.
2. Phase II — automate student facing systems.
3. Phase III — automate college and teacher facing systems.

All these phases have been done through the University ERP system

With improving global infrastructure and connectivity new milestones were created

4. Migrate to Online systems.
5. Make information available on internet to students, teachers and colleges.
6. Connect internal systems with E-banking.

Web based Application for Admission (Entrance/ Direct)

1. Through Entrance Test & Online Counseling.
2. Direct Admission in Colleges Through Web Registration No. (WRN)

Web based Application for Examination Form

1. Online Exam Form submission for all exam types (Regular, Private, Ex-Students & Back Paper). For IInd & IIIrd year exam form submission is linked with university's previous year results.
2. Regular exam form submission is done by concerned colleges through college login, mapped with seat matrix & subject affiliated, using WRN.
3. Private, Ex-Students & Back Paper exam form submission is done by students directly.

Application for communication with colleges through College Login -

1. This application provides login to all colleges/institutes affiliated with the CSJM University and facilitates all sorts of communication & reports e.g. Circulars, Notices, Office Orders, Fee Reports, Roll Lists, Admit Cards, Verification Lists, NR, Tabulation Charts, .Absentee/UFM/Practical/Viva Marks Submission & Reports etc.
2. Due to college login application no communication gap arises between colleges & University.

On-Line availability of Admit Card, Verification forms & Roll List for Examination -

1. Verification forms & Roll list of all exams and Admit Cards of Regular students are provided to colleges through college login.
2. Admit Cards of Ex-Students, Back Paper & Private Students are provided to students through university website.
3. On-Line Submission of Absentees/UFM Status during examination through college login. Result preparation work is done in-house at Computer Centre using Examination module of University ERP System.
4. On-Line display of Results in the form of Mark-sheet.
5. On-Line Submission of Practical/Viva/Sessional marks & generation of award list through college login.
6. 100% coding of examination answer books & Computerised decoding of Awards.
7. Centralized Evaluation of all the exams at University Central Evaluation Centre.
8. University provides physical mark-sheets to Final year students only. Mark-sheets of previous years are available in digital form on the University website.
9. Result display is available on university website from session 2008-09 onwards.

- C. Degree Management Module
- D. Financial Accounting & Salary Mgmta Module
- E. HR Management Module
- F. Academic Management Module
- G. Central Evaluation Module
- H. Examination Management Module

Benefits Of ICT & ERP Implementation -

Due to implementation of ICT & ERP system university is maintaining e-governance in all administrative work despite decreasing man-power and increasing volume of number colleges and students.

ADVANTAGES

1. CSJMU has implemented the concept of College Login, wherein each college has been given a unique set of login ID & password with which they can view, download or take print outs of every circular, letter, office order etc, which is uploaded by the university in their respective interfaces, This process ensures that every college gets information well in times.
2. Web based Online Applications are functional 24x7 and 365 days. Only authorized users can work on the system at any time and in any part of the world. It is based on Small Office Home Office (SOHO) concept and one can bring work home also, if one wishes.
3. Web based Online Applications are date and time sensitive. After expiry of due date and time no data can be submitted. This makes colleges/students to respect the time schedules fixed by the University.
4. Web based Online System is totally transparent and foolproof system that prevents & stops malpractices. It helps the students who are unnecessary harassed by the colleges, because in the Online System, after submission of data by the colleges or by the students, data is validated with checks and conditions as per ordinance of the University. Students can also independently see their eligibility/status for the exam they are appearing in.
5. Web based Online System helps in cost reduction and time saving. CSJMU uploads all the data like Roll Lists, Admit Cards, Verification Lists, Fee Reports and Numerical Returns (NRs) etc. in the College Login. In comparison to conventional procedure, Online System provides fast, absolute, cheaper means of information communication/delivery and saves lot of time, manpower & money.
6. Online System is based on centralized database concept, thus preventing any gap in data availability at all levels. It also helps in time saving also. Once the data is submitted, there is no need to process it manually; any report can be generated on real time basis.
