M.A. I Semester II : Paper IV			
Elective Course: A060806T Introduction to Political Economy			
Credit:5	CIA:25	ESE:75	Max. Marks:100
Political economy is a rapidly expanding and increasingly diverse field of inquiry in political science. This course intends to introduce students to the <i>analytical</i> side of political economy – i.e., the use of economic assumptions and analysis to understand the political and social phenomena. The course will help students in understanding: How do political institutions affect economic growth? How do economic conditions affect political decisions?. The course will help them in Policy and Decision making later on in their professional career.			
Unit I	Approaches to the Study of Political Economy: Liberalism, Marxism, Economic Nationalism, Structuralism, Mercantilism,		15
