कुलगीत

हे ज्ञान-गंगा स्थली सुहानी, तुम्हारी जय हो, तुम्हारी जय हो॥
उद्योग-लक्ष्मी की राजधानी, तुम्हारी जय हो, तुम्हारी जय हो॥

तू पीठ है बाल्मीकि गुरु की, तू तान है आदि कवि के सुर की
तुम्हीं में लवकुश की है कहानी, तुम्हारी जय हो, तुम्हारी जय हो॥

स्वतंत्रता के प्रथम समर की, या क्रांति की उस नई लहर की
तुम्हारी कण-कण में वह निशानी, तुम्हारी जय हो, तुम्हारी जय हो॥

तुम्हीं से प्रकटी 'प्रताप-लहरी' तुम्हीं ने दी 'पूर्ण' को गूँज गहरी
हुए जो 'भूषण' से स्वाभिमानी, तुम्हारी जय हो, तुम्हारी जय हो॥

'त्रिशूल' की काव्य-धार तीखी, यह कर्म भूमि 'गणेश जी' की
'नवीन', 'हसरत' की गूँजी वाणी, तुम्हारी जय हो, तुम्हारी जय हो॥

तमाम कालेज तेरी शिरायें, जहाँ पढ़ें छात्र-छात्राएँ
पढायें गुरुजन महान ज्ञानी, तुम्हारी जय हो, तुम्हारी जय हो॥

ये आई0ई0टी0, ये एम0बी0ए0 है, जहाँ जले ज्ञान के दिये हैं
समाज विज्ञानी जीव-ज्ञानी, तुम्हारी जय हो, तुम्हारी जय हो॥

हे भक्त वत्सल स्वरूप साजे, सरस्वती माँ यहाँ विराजे
हे श्वेतवर्णी हे वीणा-पाणी, तुम्हारी जय हो, तुम्हारी जय हो॥

तुम्हारे मंदिर के सब पुजारी, कि कुलसचिव हों या कर्मचारी
स्वधर्म-रत, निर्भय, निरभिमानी, तुम्हारी जय हो, तुम्हारी जय हो॥

गरीब हो या हो बेसहारा, सभी ने पाया यहाँ किनारा
तुम्हें न भाये मगर गुमानी, तुम्हारी जय हो, तुम्हारी जय हो॥

ये देखो सूरज निकल रहा है, कमल भी जल में मचल रहा है
"आरोह तमसो ज्योतिः" निशानी, तुम्हारी जय हो, तुम्हारी जय हो॥

संदेश

यह हर्ष का विषय है कि छत्रपति शाहू जी महाराज विश्वविद्यालय, कानपुर का 40वाँ दीक्षांत समारोह 17 सितंबर 2025 को आयोजित किया जा रहा है। इस अवसर पर एक पुस्तिका का प्रकाशन भी किया जा रहा है।

दीक्षांत समारोह विद्यार्थियों के जीवन का एक स्वर्णिम पड़ाव है, जहाँ से उनके उज्ज्वल भविष्य की नई दिशा आरंभ होती है। मुझे आशा है कि प्रकाश्य पुस्तिका विद्यार्थियों, शिक्षकों एवं विश्वविद्यालय परिवार के सभी सदस्यों को नई प्रेरणा देगी और उन्हें ऊँचाइयों की ओर अग्रसर होने का मार्ग दिखाएगी।

मैं प्रकाश्य पुस्तिका के सफल प्रकाशन एवं दीक्षांत समारोह की सफलता हेतु अपनी हार्दिक शुभकामनाएँ प्रेषित करती हूँ।

संदेश

मुझे यह जानकर अत्यंत प्रसन्नता हो रही है कि छत्रपति शाहू जी महाराज विश्वविद्यालय, कानपुर दिनांक 17 सितम्बर, 2025 को अपना 40वाँ दीक्षांत समारोह आयोजित कर रहा है। इस अवसर पर विश्वविद्यालय द्वारा आयोजित विभिन्न शैक्षणिक गतिविधियों का संकलन करते हुए वार्षिक स्मारिका-2025 का प्रकाशन किया जा रहा है।

यह गौरवशाली अवसर न केवल विश्वविद्यालय की उत्कृष्ट शैक्षणिक परंपरा और उपलब्धियों का प्रतीक है, बल्कि स्नातक, स्नातकोत्तर और शोधार्थियों के जीवन में नए अध्याय का आरम्भ भी है।

इस महत्वपूर्ण अवसर पर सभी विद्यार्थियों, शिक्षकों तथा विश्वविद्यालय परिवार को सफलता, समृद्धि और उज्ज्वल भविष्य की मंगलकामनाएँ। आशा है कि यह दीक्षांत समारोह नवाचारी सोच, अनुशासन, एवं राष्ट्र निर्माण की ओर और अधिक प्रेरित करेगा।

दीक्षांत समारोह के आयोजन हेतु मैं हार्दिक शुभकामनाएँ प्रेषित करता हूँ।

Message

It is with immense pride and joy that I extend my greetings on the momentous occasion of the 40th Convocation of Chhatrapati Shahu Ji Maharaj University, Kanpur. This occasion not only marks the academic achievements of our graduating students but also reflects the remarkable journey of our university in advancing knowledge, innovation, and societal impact.

In recent year, our university has earned recognition in QS Asia, South Asia, and Sustainability Rankings, strengthening its global presence and academic standing. The vision of the university is rooted in internationalisation, digitalisation, and innovation, enabling our students to become global citizens equipped with contemporary knowledge and skills.

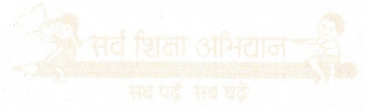

We are making significant strides in entrepreneurship and start-up incubation, while embracing emerging technologies such as Artificial Intelligence, Machine Learning, and Data Science. Alongside, we have expanded our offerings of skill-based and vocational programmes to enhance employability, supported by strong frameworks for internships and placements. These efforts ensure that our graduates are future-ready, industry-relevant, and capable of leadership in diverse fields.

The university also continues to deepen its commitment to contemporary research, consultancy, and cross-disciplinary collaborations, addressing pressing challenges of society while contributing to national development goals. Through digitalisation of academic processes and modern pedagogical innovations, we aim to provide students with a seamless, technology-driven learning ecosystem.

On this landmark 40th Convocation, I warmly congratulate all graduating students and their families. You represent the values and aspirations of this institution, and I am confident that the knowledge and skills you carry will empower you to excel globally while serving society with integrity and purpose.

I wish you every success in your future endeavors and look forward to the many ways in which you will bring glory to your alma mater and our nation.

संदेश

हर्ष का विषय है की छत्रपति शाहू जी महाराज विश्वविद्यालय कानपुर अपना 40 वां दीक्षांत समारोह आगामी 17 सितंबर 2025 को आयोजित करने जा रहा है। इस अवसर पर कार्यक्रम की अध्यक्षता उत्तर प्रदेश की महामहिम राज्यपाल/ विश्वविद्यालय की कुलाधिपति श्रीमती आनंदीबेन पटेल जी करेंगी तथा मुख्य अतिथि के रूप में अनुसंधान एवं विकास संगठन (डीआरडीओ) के अध्यक्ष और रक्षा अनुसंधान एवं विकास विभाग (डीआर एंड डी) के सचिव डॉ समीर वी कामत जी युवा स्नातकों को दीक्षांत भाषण देकर प्रेरित करेंगे। पिछले एक शैक्षिक वर्ष में विश्वविद्यालय ने अभूतपूर्व प्रगति की है और यह वर्ष अप्रतिम उपलब्धियां से युक्त रहा है। शोधकार्यों की गुणवत्ता सराहनीय है और समाजोपयोगी शोध कार्यों में विशेषकर बायोटेक्नोलॉजी के क्षेत्र में विश्वविद्यालय ने ख्याति प्राप्त संस्थानों के साथ मिलकर वैज्ञानिक अन्वेषण में नये कीर्तिमान बनाये हैं।

समाजकार्यों में विश्वविद्यालय ने सराहनीय प्रयास किए हैं और वंचित समाज के बीच जाकर "समृद्धि प्रवाह" जैसे लोकोपयोगी कार्यों को करने से विश्वविद्यालय को व्यापक रूप से प्रशंसा मिली है। युग पुरुष एवं राष्ट्ररूषि पंडित दीनदयाल उपाध्याय जी के कृतित्व एवं व्यक्तित्व पर विश्वविद्यालय परिसर स्थित दीनदयाल शोध केंद्र अनवरत शोधकार्यों को प्रोत्साहित कर रहा है। इस वर्ष दीनदयाल शोध केंद्र ने वास्तुशास्त्र पर एक वर्षीय पीजी डिप्लोमा को प्रारंभ किया और छात्र-छात्राओं के सकारात्मक

रुझानों से पाठ्यक्रम की सफलता का संकेत हर्षान्वित करने वाला है।

हमें उच्च शिक्षा में आ रही कुछ व्यावहारिक कठिनाईयों को भी समझना होगा, नव-स्नातकों से यह अपेक्षा की जाती है कि वह भारत की आर्थिक प्रगति में बाधा उत्पन्न करने वाले तत्वों को ना केवल हतोत्साहित वरन पराजित करें। इन प्रयासों को गति देने के लिए हमें उच्च शिक्षा में स्वदेशी प्रौद्योगिकी और स्वदेशी वास्तुओं के प्रयोग को 'मिशन मोड' में अपनाये जाने की महती आवश्यकता है। 'राष्ट्र सर्वोपरि' की भावना को अपने व्यक्तिगत हितों के ऊपर प्राथमिकता देनी होगी।

नव-स्नातकों को प्रौद्योगिकी के प्रति अपने आग्रह को अपने गौरवशाली परंपरा के आलोक में विस्तार देने की आवश्यकता है। भारतीय संस्कृति के उदात्त पक्ष को विश्वभर में प्रचारित और प्रसारित करना भी उनका दायित्व है। मैं विश्वविद्यालय की चतुर्दिक प्रगति से अभिभूत हूँ और आशान्वित हूँ कि यहाँ से उत्तीर्ण हो रहे विद्यार्थी इस विश्वविद्यालय को राष्ट्रीय और अंतर्राष्ट्रीय प्रतिष्ठा से सुशोभित करेंगे।

जयतु भारतम्

शुभकामना संदेश

छत्रपति शाहूजी महाराज विश्वविद्यालय, कानपुर द्वारा आयोजित होने वाले दिनांक 17 सितम्बर, 2025 को 40वें दीक्षांत समारोह पर मैं विश्वविद्यालय परिवार, सभी छात्र-छात्राओं, शिक्षकों एवं पदाधिकारियों को हार्दिक बधाई एवं शुभकामनाएँ देता हूँ। यह गौरवशाली अवसर न केवल शिक्षा के उच्च मानकों की प्रतिबद्धता को दर्शाता है, बल्कि ज्ञान, मूल्यों और नवाचार की उस यात्रा का भी उत्सव है, जिसने हजारों विद्यार्थियों के भविष्य का निर्माण किया है।

मुझे विश्वास है कि हमारा विश्वविद्यालय आने वाले समय में भी शैक्षिक उन्नयन एवं श्रेष्ठता को प्राप्त करते हुए उच्च गुणवत्तापूर्ण शिक्षा प्रदान करते हुए अपने विद्यार्थियों को राष्ट्र निर्माण में योगदान के लिए सदैव प्रेरित करता रहेगा।

शुभकामनाओं सहित।

INTRODUCTION

Chhatrapati Shahu Ji Maharaj University (CSJMU), Kanpur, earlier known as Kanpur University, has been a centre of learning, innovation, and service to society since its establishment in 1966. Over the last six decades, it has grown into one of the most respected institutions of higher education in Uttar Pradesh. The University is recognised for its strong academic standards, vibrant research culture, and active engagement with the community. Guided by the values of enlightenment, empowerment, and social responsibility, CSJMU has transformed the lives of thousands of students, preparing them to face the challenges of an ever-changing world.

From its early years, the University has steadily expanded its academic reach. It now comprises 13 schools with multiple departments that cover a wide spectrum of disciplines. These range from Language, Social Sciences, Physical Sciences, Mathematics, Life Sciences, Biotechnology, and Pharmacy to Engineering, Law, Business Management, Design, Creative Arts, Agricultural Sciences, Health Sciences, and many more. This diversity not only attracts students from varied backgrounds but also encourages an interdisciplinary approach that is essential for addressing modern-day challenges.

Its academic programmes are carefully designed to blend core disciplinary knowledge with practical application, ethical understanding, and exposure to multiple perspectives—ensuring graduates are prepared to excel in diverse fields.

Guided by the motto of **“Student First”**, CSJM University ensures that all policies and decisions are designed with students' welfare and growth at the centre. From the timely declaration of results and digital access to academic records, to the introduction of skill-based programmes, career support, scholarships, and modern infrastructure, every initiative is aimed at enhancing the student experience.

The convocation ceremony is a defining milestone in a student's journey. It is not only a celebration of academic achievement, dedication, and growth, but also an expression of gratitude to the faculty, staff, parents, and mentors who have supported students throughout their learning journey.

It signifies a transition, as graduates step confidently into new roles as professionals, leaders, and contributors to society.

Looking ahead, CSJMU remains steadfast in its commitment to building an enlightened, empowered, and inclusive society. This convocation stands as both a marker of past accomplishments and a reaffirmation of the University's mission to nurture leaders who will contribute meaningfully to the progress of the nation and the world.

VISION

To enlighten and empower humanity by nurturing future leaders and change agents for universal development and societal transformation.

MISSION

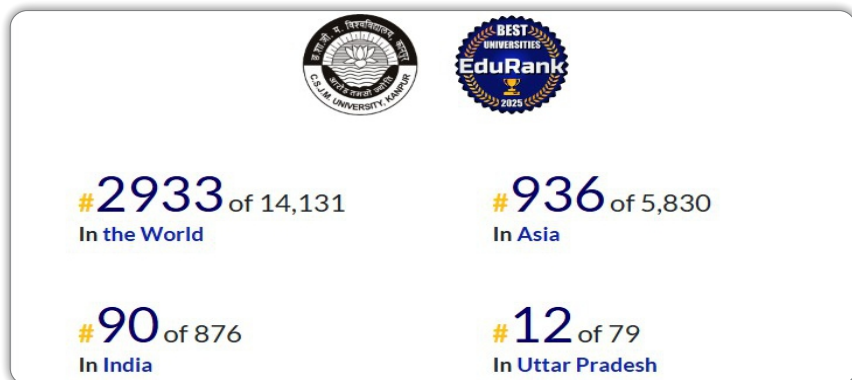

To work towards sustainable excellence in global standards of academia, technology-centric learning, robust research ecosystem, institutional distinctiveness, and harmonious social diversity.

CORE OBJECTIVES

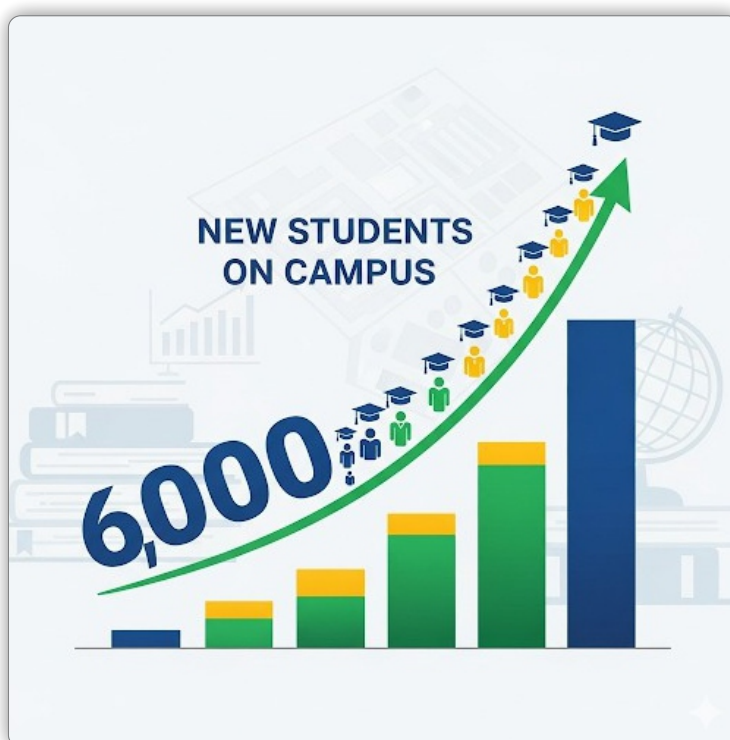

- To integrate teaching, research, and human values into all facets of academic life.
- To foster holistic growth by leveraging technology and creating opportunities for comprehensive learning.
- To become a hub for innovative research and creative thinking that addresses real-world challenges faced by industry and policy-makers.
- To effectively utilize institutional resources in advancing teaching, research, and outreach.
- To extend educational opportunities to socially disadvantaged communities.
- To transform students into competent, socially conscious citizens.
- To instill a lifelong passion for learning.
- To promote inclusivity and pluralism in education.
- To contribute to a sustainable future by addressing pressing environmental concerns.

ACADEMIC ACHIEVEMENTS

ACADEMIC ACHIEVEMENTS

The academic achievements of Chhatrapati Shahu Ji Maharaj University, Kanpur, in the last academic year reflect the university's strong commitment to excellence in higher education and research. Guided by the principles of the National Education Policy (NEP) 2020, the University has made significant changes in curriculum design, teaching methods, and academic governance to ensure quality, relevance, and inclusivity across all programs.

- CSJM University made its appearance in the prestigious QS Asia University Rankings for the first time in November 2024. CSJM University was ranked in the band of 801 to 850 in Asia and 263rd in South Asia.
- CSJM University has also found a place in the QS Sustainability 2025 rankings. It is ranked 1501+ in the QS Sustainability Rankings 2025
- The University presently offers 144 academic programmes, comprising 53 undergraduate, 64 postgraduate, 11 Diploma, 4 PG Diploma, 3 Integrated, and 9 certificate programmes. PhD programme is offered in 54 subjects at the University.
- The number of students graduating in 2024-25 includes the following:

Programme	No. of Students
PhD	75
Postgraduate	16748
Undergraduate	85529
Diploma/PG Diploma	173
Certificate	11

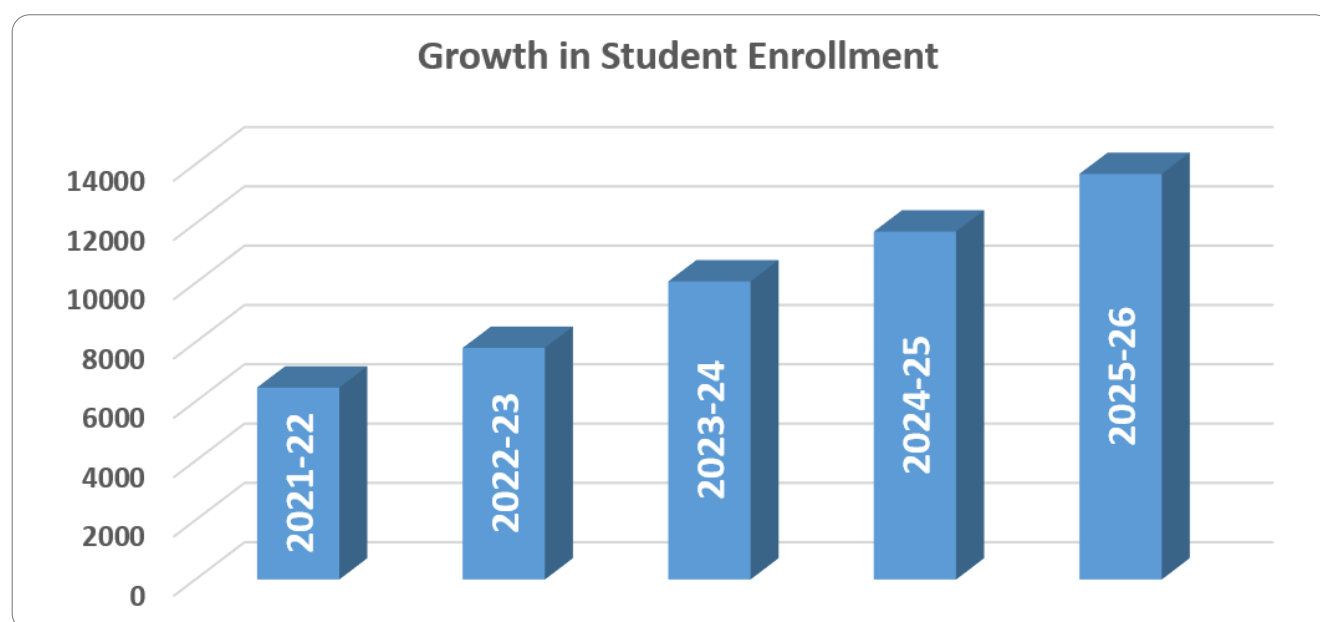

- As of the present, a total of 5,04,531 **Academic Bank of Credit (ABC) IDs** have been created at CSJM University. These unique identifiers will enable students to digitally store, transfer and redeem the academic credits earned across different institutions.
- **New programmes:** The University successfully launched 17 new academic programmes this year – 3 undergraduate, 8 postgraduate, 1 PG Diploma, and 5 certificate courses. These newly introduced programmes span emerging and interdisciplinary domains, including Science and Technology, Health Sciences, Management, Social Sciences, Law, and the Indian Knowledge System

Sl.No.	Programme	Sl. No.	Programme
1.	BBA (Capital Market)	9.	LLM (1 year)
2.	Bachelor in Operation Theatre Technology	10.	M.A. (Jain Darshan)
3.	B.Sc. (Clinical Psychology) (approved by the Rehabilitation Council of India)	11.	M.A. (Prakrit)
4.	M.Sc. Mathematics with Artificial Intelligence and Data Science	12.	PG Diploma in Vastu Shastra
5.	M.Sc. Chemistry with specialization in Fragrance & Flavour	13.	Certificate in Jain Darshan
6.	M.A. (Clinical Psychology) (approved by the Rehabilitation Council of India)	14.	Certificate in Prakrit
7.	Master in Medical Radiology and Imaging Technology	15.	Certificate in Jain Vidhi-Vidhan
8.	Master in Optometry	16.	Certificate in Sahaja Bodh Panini Vyakaran
		17.	Certificate in Indian Sweets (run in PPP Model)

The University has also received approval from the National Council for Teacher Education (NCTE) to commence Integrated Teacher Education Programmes in both Science and Arts streams.

- **Increase in Student Strength** – The University has witnessed a remarkable and consistent rise in student enrolment over the past five years. This sustained upward trajectory is a testimony to the growing academic reputation and credibility, availability of relevant and innovative programmes, expanding infrastructure, strengthened research activities, and progressive initiatives undertaken by the University.

- **Introduction of Four-Year Undergraduate Programme (FYUP)** – The University has introduced the Four-Year Undergraduate Programme (FYUP) in alignment with NEP 2020 and in accordance with the regulations of the UGC and the Government of Uttar Pradesh. This reform aligns the University's undergraduate education with the new 5+3+3+4 structure proposed under NEP 2020 and brings it at par with global higher education frameworks. The programme incorporates multiple entry and exit options, multidisciplinary electives, value-added and skill-based courses, as well as co-curricular components, with a strong emphasis on research and project work in the fourth year. The revised FYUP-based curriculum has been adopted in over 33 subjects from the academic session 2025–26.
- **Implementation of SWAYAM courses** - CSJMU has effectively implemented MOOC-based learning by encouraging students to enrol in courses offered through the SWAYAM platform. In the January 2025 session, students from the campus and affiliated colleges undertook 107 SWAYAM courses. The total registrations on SWAYAM portal reached 9,448 in this session, making it the highest among the multidisciplinary state government universities in Uttar Pradesh. As of now, the University has recorded a total enrolment of 15,487 on the SWAYAM platform in 2025.
- **Vocational courses in emerging areas** – The University has introduced vocational courses in emerging areas such as AI for All, Cybersecurity, AI for Arts, Commerce and Science, AI-Powered Creative Writing, and Financial Literacy for All to equip students with practical skills that complement their academic learning. These courses have been designed in collaboration with Institutes of National repute, such as IIT Kanpur, and other industry experts such as MaxPro AI and Kalam SPS Research Centre Pvt. Ltd.
- **Implementation of AEDP Programmes** – Four Apprenticeship Embedded Degree Programmes (AEDP) with structured industry internships integrated in the undergraduate curriculum are being conducted in the affiliated colleges of CSJM University. These programmes, namely BBA Retail, BBA Logistics, BBA Event Management, and B.Com. E-Commerce aligns with the NEP 2020 vision of outcome-based, skill-driven education.
- **International Students and Collaborations** – CSJMU has undertaken several proactive steps to strengthen its international outreach. 19 international MOUs have been signed with reputed universities of USA, Taiwan, Malaysia, Kazakhstan, Nepal for academic collaboration and joint research. The University has welcomed over 35 students from countries including Nepal, Bangladesh, Saudi Arabia, Nigeria, and Namibia, reflecting its growing international appeal. The University has also successfully organized the Global Business Summit on 12th August 2025 and Cultural Exchange Immersion Programmes, fostering cross-cultural learning and international partnerships. The University has initiated and finalized the framework for recruiting international faculty members, and the recruitment process is currently underway.
- **Student Success in GATE/JAM/NET-JRF** – During the academic session 2024–25, the students of CSJM University showcased commendable performance in various national-level competitive examinations. A total of 51 students qualified the GATE examination, 52 students cleared UGC-NET/CSIR-NET, 7 students qualified GPAT, while 14 students cleared IIT JAM, securing opportunities in prestigious institutes. The University also takes pride in 7 students qualifying AIIMS examinations and 6 students excelling in GST-B.

- **Dronacharya Centre for Online Education** – The University received approval from the UGC's Distance Learning Bureau to offer 4 online and 11 distance education programmes. The first batch of students was admitted in October 2024, and currently, more than 200 students are enrolled across various programmes in the online and distance learning mode.
- **Minor Degree Programme in Engineering** – CSJMU has launched Minor Degree programmes in Engineering under NEP-2020 and AICTE guidelines, enabling students to gain multidisciplinary expertise. This initiative broadens academic exposure while enhancing employability and industry readiness.

Minor Program	Offered by Dept.	Open to Students of
AI & Machine Learning	CSE	ECE, MEE, CHE, MSME
Cybersecurity	CSE	ECE, MEE, CHE, MSME

Electronic Materials	MSME	CSE, ECE, MEE, CHE, CSE-AI
Materials Engineering	MSME	CSE, ECE, MEE, CHE, CSE-AI
Materials Science and Metallurgical Engineering	MSME	CSE, ECE, MEE, CHE, CSE-AI

- **Implementation of the Young Teachers Scheme** – To enhance the quality of education and align the student–teacher ratio with the requirements of national ranking agencies, the University has introduced the Young Teachers Scheme. The scheme offers a three-year tenure, with eligibility criteria as per UGC/AICTE norms, and an upper age limit of 35 years (relaxable up to 40 years for SC/ST/OBC candidates). Under this initiative, more than 80 teachers have already been recruited on the University campus.
- **Recruitment of Professors of Practice** – The University has appointed 38 distinguished professionals from industry, research, and other fields as Professors of Practice in different departments of the university campus to bridge the gap between academic learning and real-world applications. These appointments will strengthen experiential learning and enhance the employability of graduates.
- **Faculty Training and Capacity Building Programmes** – The University has undertaken multiple initiatives to bolster the digital capabilities and pedagogical proficiency of its faculty.
 - 1) The Department of Computer Applications, UIET, organized hands-on training sessions on MOODLE LMS to equip faculty with skills for integrating technology into teaching–learning and evaluation processes during 17th-18th Feb and 21st Feb 2025.

2) A 10-day Faculty Development Programme titled “Introduction to AI Agents” was conducted in partnership with Giganati AI Academy, covering advanced topics like prompt engineering, multi-agent workflows, API integration, and emerging technologies. 207 faculty members were trained during this FDP.

3) A 6-day FDP on Indian Knowledge Traditions for disciplines of Science and Technology was conducted between 22.10.24 and 27.10.24 in collaboration with IKS division of AICTE, Siksa (IKS Centre of IIT Kanpur), and Braht Educational Organization. 57 faculty members were a part of this FDP.

- **Digital Initiatives:** CSJMU actively promotes digital initiatives to strengthen teaching, learning, and administration.

- 1) Adoption of Samarth Portal for complete digital governance in admissions, academics, examinations, and administration.

- 2) Implementation of MOOCs (SWAYAM/NPTEL) with over 9,000 student registrations in a single session – the highest among UP state universities.

- 3) Moodle Learning Management System (LMS) Platform on SAMARTH portal used to share e-content, conduct quizzes, and Mid-semester examinations using Safe Browser mode and digital question papers.

- 4) Faculty Development Programmes on AI, digital pedagogy, and emerging technologies to enhance teaching skills.

- 5) Smart classrooms and digital labs established across departments to promote ICT-enabled learning.

- 6) Online and Distance Learning (ODL) programmes approved by UGC, with over 200 students already enrolled.

- 7) E-office, online digital payments and paperless administration initiatives to streamline processes and reduce manual workload.

- **Establishment of Supercomputing Hub for Artificial Intelligence-Based Learning:**

CSJMU has established a state-of-the-art Supercomputing Hub for Artificial Intelligence-Based Learning under the PM-USHA scheme with a grant of ₹7.5 crores. Equipped with advanced high-performance computing infrastructure, this facility is among the few of its kind in Indian universities. It is designed as a shared resource for researchers across disciplines, enabling cutting-edge work in areas such as genome sequencing, drug discovery, AI-driven medical imaging, and financial forecasting. Alongside research, workshops and training sessions are being organized to build student and faculty capacity, aligning with the vision of NEP-2020.

- **Harish Chandra Research Centre:** The Centre inaugurated at the School of Basic Sciences on 18th October 2024 aims to promote advanced research in mathematics and theoretical physics. The Centre would serve as a premier center for fundamental research in areas like algebra, number theory, string theory, quantum field theory, and cosmology. A series of lectures by eminent academicians titled Harish Chandra Lecture Series is regularly conducted by the students of Physics and Mathematics.

- **AICTE IDEA Lab:** The AICTE IDEA (Idea Development, Evaluation & Application) Lab has been sanctioned at CSJM University on 10th February 2025 with a project cost of ₹90 lakhs. Envisioned as a hub of innovation, the lab will promote hands-on learning in Science, Technology, Engineering, and Mathematics (STEM), enabling students to translate ideas into real-world solutions. Located in the Central Workshop Building, it will serve not only university students but also nearby schools and institutes, fostering regional innovation and collaboration.

RESEARCH & DEVELOPMENT

RESEARCH & DEVELOPMENT

The Research and Development Cell of the University has undertaken key initiatives to strengthen research, foster analytical thinking among scholars, and generate outcomes that benefit both academia and society.

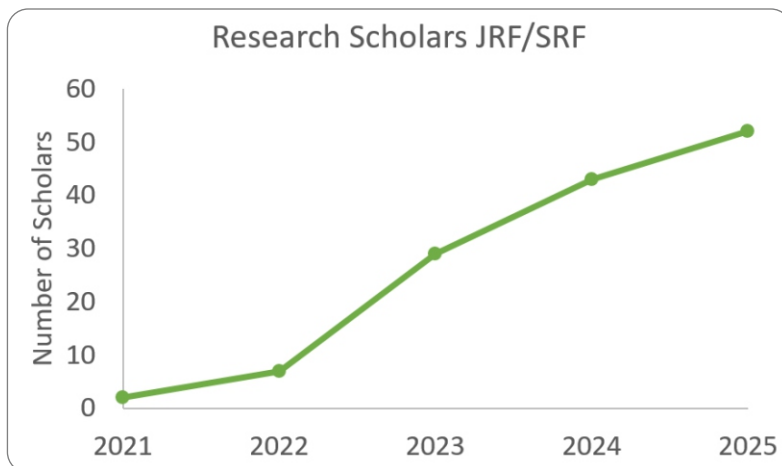

The University has strengthened its research ecosystem by establishing new facilities and developing well-equipped laboratories with advanced instruments. The faculty and research scholars from the campus and affiliated colleges received special support, including financial assistance and recognition for outstanding contributions.

Some key highlights include:

- Successful release of Research Doctoral Committee (RDC) letters for Ph.D. programmes (2023–24) and Research Advisory Committee (RAC) letters for earlier sessions (2019–20, 2021–22, 2022–23).
- Allotment of research supervisors for the 2024–25 session, with new supervisors appointed in 22 subjects across sciences, engineering, social sciences, humanities, law, and commerce.
- Announcement of 744 Ph.D. seats in 51 subjects for the academic year 2025–26.
- Award of doctoral degrees to 75 research scholars in 22 subjects, including an international scholar in Microbiology. Ms. Mumtaz Bano Miya from Nepal has completed her doctoral thesis under Dr. Anuradha Kalani from the School of Life Sciences and Biotechnology.
- Introduction of industry-sponsored Ph.D. admissions from 2025–26 to strengthen academia–industry linkages.
- Organization of ten international conferences and publication of over 195 research papers in indexed journals and proceedings.
- Conduct of a workshop on Open Access Publication on June 9, 2025, by the Research and Development Cell and Central Library.

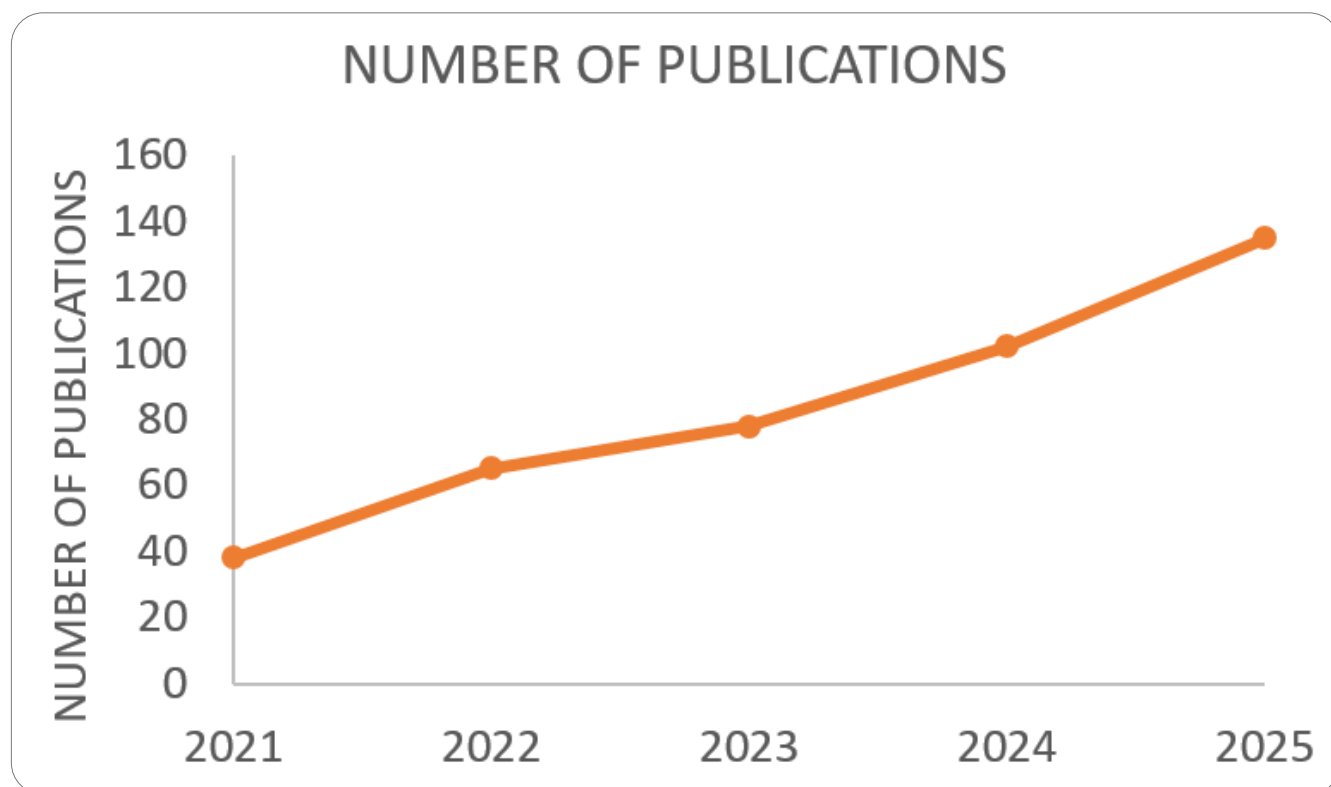

GROWTH IN RESEARCH SCHOLARS

- This year witnessed an encouraging rise in research enrolments at CSJMU, with over 400 new Ph.D. scholars joining the University. Nearly 100 of them are pursuing their work on campus, creating a dynamic and collaborative research ecosystem. With 52 JRF/SRF fellows and multiple international conferences hosted this year, the University continues to nurture young researchers and foster global collaborations. The surge in research scholar intake directly fuels the increase in publications and patent filings.

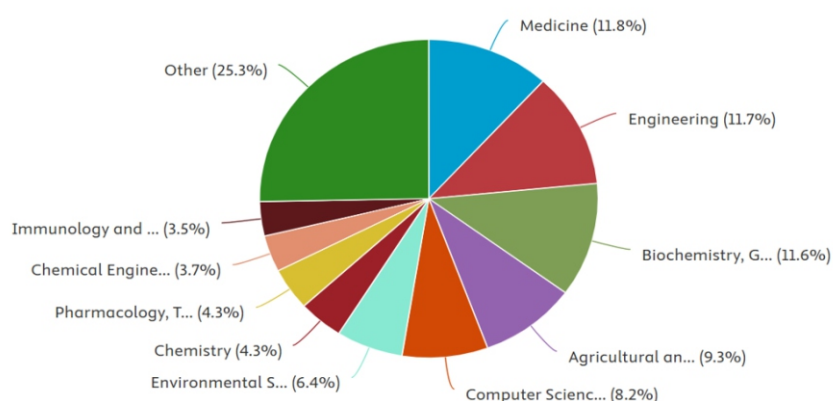

PUBLICATIONS ON THE RISE

Our research output on campus has grown at an unprecedented pace. From just 38 publications in 2021, the number rose to 65 in 2022, 78 in 2023, and 102 in 2024, culminating in a record 135 publications in 2025—a remarkable 255% growth in four years. These publications in internationally indexed journals reflect the dedication and scholarly excellence of our faculty and students.

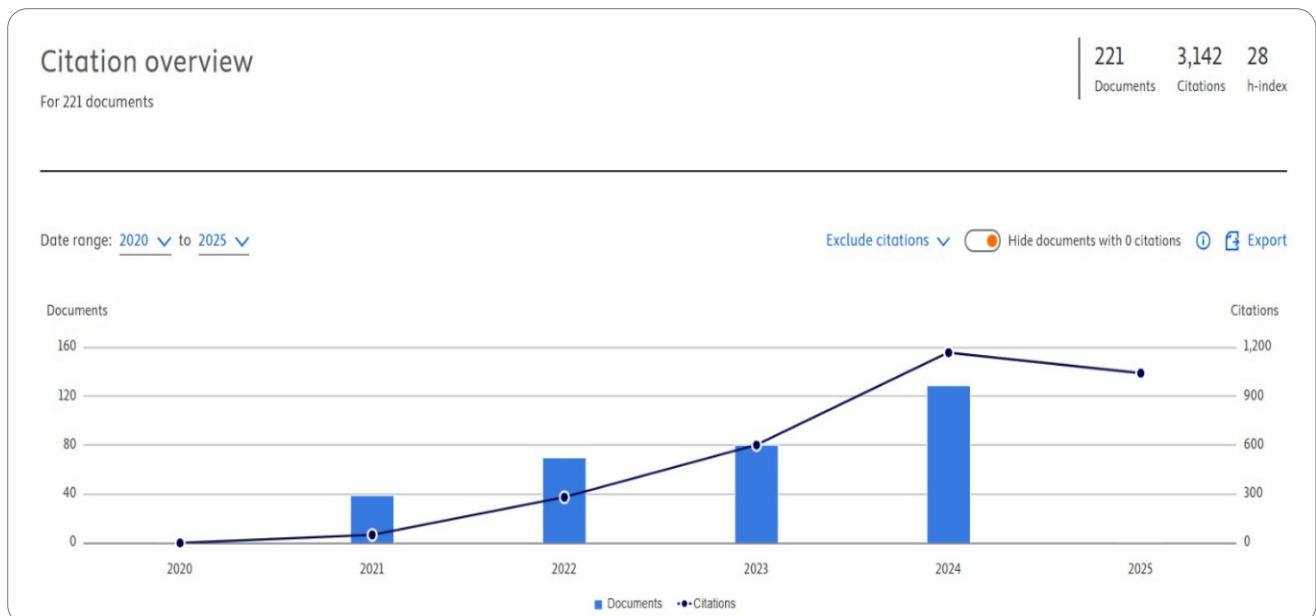

Equally significant is the wide range of subjects in which our faculty and scholars are making contributions. Medicine forms the largest share with 11.8% of publications, closely followed by engineering at 11.7%, and biochemistry, genetics, and molecular biology accounting for 11.6%. Agricultural and biological sciences contribute 9.3%, and computer science 8.2%. , while environmental science contributes 6.4%. What is also striking is that about 25.3% of the publications fall into other disciplines, spanning the social sciences, humanities, and education, affirming the University's truly multi disciplinary character.

Documents by subject area

DEEPENING RESEARCH IMPACT THROUGH HIGHER CITATIONS AND H-INDEX

The University's h-index has increased from 20 to 28, reflecting deeper global impact and recognition of the work of the faculty and scholars. Citations surged from 118 in 2022 to 438 in 2023, and a record 948 citations were achieved in 2024. In the ongoing year 2025, with several months remaining, the citation count has already surpassed 800. Between 2021 and 2025, the university community has collectively produced 279 research papers, which have already attracted more than 3000 citations.

EXPANDING ACCESS THROUGH ONE NATION ONE SUBSCRIPTION (ONOS)

Our participation in the government's flagship One Nation One Subscription (ONOS) initiative has transformed access to knowledge for the entire CSJMU community. Faculty, researchers, and students now enjoy universal access to a vast digital library of leading journals, books, and databases, removing traditional barriers of high subscription costs. ONOS has ensured equitable access to knowledge, empowering all scholars to engage in world-class research.

ONOS One Nation One Subscription

PHD DEGREE HOLDERS

S.NO.	NAME OF RESEARCH SCHOLAR	SUBJECT	TOPIC
1	JUHI VERMA	GEOGRAPHY	कन्नौज जनपद (उ०प्र०) के समाकलित क्षेत्रीय नियोजन का भौगोलिक विश्लेषण
2	ASHOK KUMAR VERMA	HINDI LITERATURE	रमणिका गुप्ता के साहित्य में आदिवासी समाज का जीवन यथार्थ
3	SUNIL KUMAR GUPTA	SOCIOLOGY	POWER DYNAMICS AMONG SUGAR CANE GROWERS AND EMERGING PATTERN OF RURAL LEADERSHIP : A STUDY OF LAKHIMPUR KHERI DISTRICT
4	NISHA MISHRA	HINDI LITERATURE	समकालीन हिन्दी कवयित्रियों का काव्य: संवेदना और शिल्प (1990 ई. - 2015 ई.)
5	SALONI SHARMA	PHYSICS	NANOSTRUCTURED MATERIALS AND ITS POLYMER COMPOSITES FOR PHOTO-DETECTION AND SENSOR APPLICATIONS
6	SANJEEV BHORIA	HINDI LITERATURE	इक्कीसवीं सदी के हिंदी व्यंग्यात्मक निबंधों का समाजशास्त्रीय अध्ययन
7	ASHUTOSH SINGH	COMMERCE	TIFFIN SERVICES IN INDIA : A STUDY OF THEIR CONTRIBUTION IN EASE OF LIFE (A COMPARATIVE STUDY OF KANPUR AND DELHI NCR REGION)
8	SURUCHI TIWARI	ECONOMICS	ROLE OF COMPONENTS OF PUBLIC EXPENDITURE ON INDIA'S ECONOMIC GROWTH SINCE 1991
9	RIYA SACHAN	ZOOLOGY	COMPARATIVE STUDIES OF MAJOR PESTS ON ROSES (<i>Rosa chinensis</i> Viridiflora and <i>Rosa hybrida</i> Linnaeus) AND THEIR MANAGEMENT
10	SAPNA VISHWAKARMA	SANSKRIT	अमरकोष का विवेचनात्मक अध्ययन
11	SUDEEPA DEVI	CHEMISTRY	Biocompatible & Biodegradable Nanocomposite Assemblies for Colorimetric Detection Mechanism
12	KIRAN	EDUCATION TRAINING	स्नातक स्तर पर अध्ययनरत विद्यार्थियों में सोशल नेटवर्किंग साइट्स के अत्यधिक प्रयोग का दुश्चिन्ता, तनाव एवं समायोजन से सह-सम्बन्ध का अध्ययन
13	SONALI AWASTHI	LIFE SCIENCE	PROGNOSTIC SIGNIFICANCE OF MITOCHONDRIAL GENE EXPRESSION AND ITS CO-RELATION WITH IMMUNE CELL INFILTRATION IN HNSCC
14	ANURADHA TIWARI	PHYSICS	QUANTUM CHEMICAL INVESTIGATION OF SOME MOLECULES OF BIOLOGICAL IMPORTANCE
15	VINEET KUMAR VERMA	HINDI LITERATURE	राजभाषा हिंदी की प्रयोज्यता एवं प्रगति: एक विश्लेषण
16	SONAM SHUKLA	EDUCATION	A STUDY OF THE IMPACT OF SOCIAL MEDIA ON ACADEMIC PERFORMANCE, MENTAL HEALTH AND EMOTIONAL INTELLIGENCE OF THE SECONDARY STUDENTS AT DIFFERENT LEVELS OF THEIR HOME LEARNING ENVIRONMENT
17	AJAY SHANKAR TRIPATHI	HINDI LITERATURE	इक्कीसवीं सदी की हिंदी कहानियों में मध्यवर्गीय जीवन
18	SHALINI SHUKLA	ENGLISH LITERATURE	THE DARKLING THRUSH OF THE BLACK : A CRITICAL STUDY OF TONI MORRISON'S NOVELS

19	HARENDRA TIWARI	HORTICULTURE	EFFECT OF PHYSICAL AND CHEMICAL MUTAGENS ON GROWTH, FLOWERING AND CORN PRODUCTION IN GLADIOLUS (GLADIOLUS GRANDIFLORUS L.)
20	HARI RAM PRAJAPATI	POLITICAL SCIENCE	उत्तर प्रदेश में राज्यपाल की भूमिका का एक अनुभवात्मक अध्ययन: 1991 से 2014 तक
21	BABITA PATHAK	HINDI LITERATURE	नरेश मेहता के कथा साहित्य में सांस्कृतिक चेतना और युगबोध
22	DINKAR PATHAK	POLITICAL SCIENCE	कोल जनजाति में बालश्रम एवं मानवाधिकार (उ०प्र० के सोनभद्र जनपद के विशेष सन्दर्भ में)
23	HAYA KHALID HASHMI	ECONOMICS	A STUDY OF LEATHER INDUSTRY OF KANPUR CLUSTER : PROBLEMS AND PROSPECTS
24	SMITA PATEL	SANSKRIT	पंचदशी एवं वेदान्तसार का तुलनात्मक अध्ययन
25	DIVYANSH SHUKLA	LAW	SEEING IS BELIEVING : A COMPREHENSIVE ETHICAL-LEGAL ANALYSIS OF DEEFAKE REGULATION IN INDIA WITH SPECIAL REFERENCE TO THE GLOBAL LANDSCAPE
26	ANURADHA	COMMERCE	A COMPARATIVE STUDY OF WORKING CAPITAL MANAGEMENT OF PRIVATE SECTOR AND PUBLIC SECTOR IN EXPLORATION AND PRODUCTION COMPANIES IN OIL SECTOR
27	ALKA RANI	BOTANY	MANGEMENT OF POST-HARVEST FUNGAL DISEASE OF BRINJAL(SOLANUM MELONGENA L.) AND CHILLI (CAPSICUM ANNUM L.) BY SELECTED PLANT EXTRACTS AND ESSENTIAL OILS
28	RADHA DEVI	HINDI LITERATURE	हिन्दी साहित्य में दिव्यांग चेतना: समाजशास्त्रीय विवेचन
29	MUMTAJ BANO MIYA	MICROBIOLOGY	DETERMINING THE ROLE OF ALOE VERA-DERIVED EXTRACELLULAR VESICLES IN DIABETIC WOUND HEALING
30	LAVA KUMAR GUPTA	PHYSICS	PREPARATION AND PROPERTIES OF METALLOPOLYMER BASED NANOCOMPOSITE FILMS AND THEIR APPLICATIONS AS HUMIDITY SENSORS
31	FAUZIA	ECONOMICS	A STUDY ON WOMEN ENTREPRENEURS OF MANUFACTURING INDUSTRIES IN KANPUR CITY : CHALLENGES AND PROSPECTS
32	SMRITI ROY	LAW	ENVIRONMENTAL GOVERNANCE AND ACCESS TO ENVIRONMENTAL JUSTICE IN INDIA: A STUDY ON THE ROLE OF POLLUTION CONTROL BOARDS AND NATIONAL GREEN TRIBUNAL
33	AJEET KUMAR YADAV	GEOGRAPHY	RURAL DEVELOPMENT AND SOCIAL-ECONOMICS TRANSFORMATION : A CASE STUDY OF BALLIA DISTRICT (AFTER 1991)
34	GARIMA SINGH	ZOOLOGY	EARTHWORMS DIVERSITY UNDER DIFFERENT LAND USE TYPES, THEIR ROLE IN ENHANCING SOIL MICROBES AND FERTILITY BY INTEGRATED NUTRIENT MANAGEMENT IN AGROECOSYSTEM OF RAEBARELI, UP

35	AMIT KUMAR	EDUCATION TRAINING	माध्यमिक स्तर के अनुदानित एवं गैर अनुदानित विद्यालयों में अध्ययनरत विद्यार्थियों की सामान्य मानसिक संवेतता का उनके आध्यात्मिक मूल्य, राष्ट्रीय मूल्य तथा आत्म-प्रभावकारिता से सहसम्बन्ध का अध्ययन
36	MAMTA YADAV	BOTANY	Genome-wide analysis of AuTophagy-related Genes(ATG) in Gossypium hirsutum and study of their role in development and stress responses
37	PREETI SINGH	POLITICAL SCIENCE	VOTING BEHAVIOUR AMONG BPL (BELOW POVERTY LINE) A STUDY OF KANPUR PARLIAMENTARY CONSTITUENCY
38	BIRENDRA SINGH	SOCIOLOGY	युवा सशक्तीकरण में विकास योजनाओं की भूमिका : एक समाजशास्त्रीय अध्ययन (कानपुर नगर के कल्यानपुर विकास खण्ड का दीन दयाल उपाध्याय ग्रामीण कौशल योजना, स्किल इंडिया योजना और स्टार्टअप इंडिया योजना के विशेष सन्दर्भ में)
39	KUSUM SAROJ	SANSKRIT	मानवाधिकार के परिप्रेक्ष्य में कौटिलीय - अर्थशास्त्र में वर्णित दण्डनीति (एक समीक्षात्मक अध्ययन)
40	KAVITA UPADHAYAY	HINDI LITERATURE	डॉ० श्रीप्रसाद की बालसाहित्य साधना
41	RUBI SINGH	HINDI LITERATURE	डॉ० विश्वनाथ प्रसाद का रचना संसार: अध्ययन
42	SHILPA UPADHYAY	ECONOMICS	DIGITAL TRANSFORMATION IN RURAL AREAS WITH SPECIAL REFERENCE TO SORAON TEHSIL IN PRAYAGRAJ DIVISION
43	DIGVIJAY SINGH	HINDI LITERATURE	डॉ० अनन्तराम मिश्र 'अनन्त' की नदीकाव्येतर कृतियों का अनुसंधानपरक अनुशीलन
44	SUSHMA DEVI	HOME SCIENCE	कानपुर क्षेत्र के शहरी एवं ग्रामीण बालक- बालिकाओं के पोषण स्तर का आंकलन और जंक फूड के प्रभाव का तुलनात्मक अध्ययन
45	HINA VAISH	PHYSIOTHERAPY	Development and Evaluation of a Multimodal Protocol for Pulmonary and Physical Function among Postmenopausal Women
46	MANISHA KUMARI	BOTANY	CHARACTERISATION AND ADSORPTION EFFICACY OF MICRO-ALGAE FOR HEAVY METALS FROM INDUSTRIAL EFFLUENTS
47	REKHA SINGH	SOCIOLOGY	ग्रामीण एवं नगरीय महिलाओं पर स्वास्थ्य सम्बन्धी सरकारी योजनाओं के प्रभाव का तुलनात्मक समाजशास्त्रीय अध्ययन (कानपुर नगर एवं कानपुर देहात के सन्दर्भ में)
48	AVANTIKA SRIVASTAVA	ECONOMICS	A STUDY OF WOMEN AGRICULTURAL LABOURERS IN UNORGANISED SECTOR IN KAUSHAMBI DISTRICT (U.P.)
49	SAPNA GUPTA	ECONOMICS	IMPACT OF CLIMATE CHANGE ON AGRICULTURE- A STUDY OF MAU DISTRICT
50	NARENDRA KUMAR SINGH	ENGLISH LITERATURE	THE THEME OF ALIENATION IN THE MAJOR NOVELS OF DORIS LESSING
51	NEELAM	HINDI LITERATURE	साहित्य अकादमी पुरस्कृत हिन्दी उपन्यासों में सामाजिक चेतना
52	RASHMI GUPTA	HINDI LITERATURE	हिन्दी साहित्य में किन्नर विमर्श के विविध आयाम
53	POOJA YADAV	HINDI LITERATURE	समकालीन हिन्दी प्रबंध काव्य में अर्थ गौरव (सन् 1960 से 2020 ई.)

54	SUDHIR KUMAR VERMA	BUSINESS MANAGEMENT	AN ASSESSMENT OF INTEGRATING MOBILE COMMERCE AND SUPPLY CHAIN MANAGEMENT IN EVALUATING SHOPPING EXPERIENCE IN UTTAR PARDESH (KAVAL CITIES)
55	NEHA GANGWAR	HINDI LITERATURE	बालकृष्ण शर्मा 'नवीन' के काव्य में सामाजिक व सांस्कृतिक चेतना
56	NISHI UPADHYAY	HINDI LITERATURE	डॉ० बच्चन सिंह की आलोचना दृष्टि: समग्र मूल्यांकन
57	RASHMI SINGH	ENGLISH LITERATURE	THE SELECT FICTION OF MAHASWETA DEVI : A SOCIO-POLITICAL STUDY
58	PALLAVI MISHRA	COMMERCE	A STUDY OF CONSUMER BEHAVIOR IN THE TOY MARKET OF UP
59	SHIKHA KATIYAR	CHEMISTRY	MACROCYCLIC SCHIFF BASE LIGANDS AND THEIR DIOXOMOLYBDENUM (VI) COMPLEXES
60	SAFIA ASGHER	ZOOLOGY	BIO-EFFICACY OF CERTAIN MEDICINAL PLANTS AS BIO-PROTECTANT, AGAINST SITOPHILUS ZEAMAI AND PROSTEPHANUS TRUNCATUS ON ZEA MAYS
61	VIMLESH KUMAR	ENGLISH LITERATURE	A PSYCHO-ANALYTICAL STUDY OF THE MALE PROTAGONISTS IN THE SELECTED PLAYS OF RABINDRANATH TAGORE AND SRI AUROBINDO
62	ROMI PAL	ECONOMICS	एकल बजट प्रणाली द्वारा अन्नदाताओं की आजीविका संवर्धन हेतु नाबार्ड द्वारा प्रायोजित कृषक उत्पादक संगठन की भूमिका विश्लेषणात्मक अध्ययन
63	BHAVNA DWIVEDI	ECONOMICS	उत्तर प्रदेश के ग्रामीण क्षेत्र के आर्थिक एवं सामाजिक विकास में दुग्ध-व्यवसाय की भूमिका एवं संभावनाओं का मूल्यांकन (जनपद-कानपुर नगर के विशेष सन्दर्भ में)
64	HRADESH KUMAR SINGH	GEOGRAPHY	कौशांबी जनपद (उ०प्र०) के ग्रामीण विकास में व्यावसायिक कृषि की भूमिका
65	RAJNI SHUKLA	SOCIOLOGY	महिला सशक्तीकरण एवं सामाजिक-आर्थिक स्वावलम्बन (कानपुर नगर के कल्यानपुर विकास खण्ड के स्वयं सहायता समूह का समाजशास्त्रीय अध्ययन)
66	NEHA SRIVASTAVA	GEOGRAPHY	सुल्तानपुर जनपद (उ०प्र०) की जनांकिकी संरचना और पर्यावरणीय दशाओं का भौगोलिक विश्लेषण
67	SHIKHA	ENGLISH LITERATURE	GENDER MAINSTREAMING : A COMPARATIVE STUDY OF THE SELECTED WORKS OF GIRISH KARNAD AND MAHASWETA DEVI
68	ANITA PATEL	HINDI LITERATURE	स्वातंत्र्योत्तर लघु-उपन्यासों का समाजशास्त्रीय अध्ययन
69	RAMESH CHANDRA SHUKLA	HINDI LITERATURE	इक्कसवीं सदी की महिला रचनाकारों की आत्मकथाओं में प्रतिरोधी चेतना
70	GOPAL KRISHNA	SANSKRIT	वर्तमान वैश्विक परिदृश्य में श्रीमद्भागवत महापुराण की प्रासंगिकता
71	ANURAG MISHRA	MEDICAL LABORATORY TECHNOLOGY	Evaluation of biochemical marker in type 2 Diabetes Mellitus Patients with Myocardial infarction.
72	SIDHANT KUMAR SINGH	GEOGRAPHY	जनपद जौनपुर (उ०प्र०) का भू-वैज्ञानिक संगठन एवं सतत ग्रामीण विकास
73	RABIUL ISLAM	ENGLISH LITERATURE	BADAL SIRCAR AND VIJAY TENDULKAR'S PLAYS: A POST-COLONIAL STUDY
74	NEHA YADAV	GEOGRAPHY	ROLE OF INNOVATION AND GOVERNMENT INITIATIVES IN IMPROVING FARMERS INCOME IN PRAYAGRAJ DISTRICT
75	KALPANA DEVI	GEOGRAPHY	कन्नौज जनपद में जनसंख्या का समाज, अर्थव्यवस्था एवं पर्यावरण पर प्रभाव: एक भौगोलिक विश्लेषण

PROJECTS & RESOURCE GENERATION

PROJECTS & RESOURCE GENERATION

The University has taken remarkable strides in advancing research and innovation through externally funded projects. Supported by national and state-level agencies such as ANRF, DST, DBT, UPCST, UP-COE, and UP-R&D, the projects not only reflect the scholarly strength of our faculty but also showcase their ability to address pressing societal and industrial challenges.

NATIONAL RECOGNITION:

ANRF–PAIR Grant - This year marked a historic milestone for CSJMU with the university securing the prestigious ANRF–PAIR Category B Grant in collaboration with IIT Kanpur. The project focuses on pioneering cancer research using exosome biology and advanced biosensing technologies. By integrating life sciences with semiconductor engineering, the initiative aims to create innovative diagnostic

platforms for early detection and monitoring of cancer biomarkers. Led by Dr. Anuradha Kalani with a stellar multi-disciplinary team from the School of Life Sciences and Biotechnology (Dr. Shilpa D. Kaistha, Dr Rajeev Mishra, Dr Chandresh Sharma) and School of Engineering and Technology (Dr Vishal Awasthi and Dr Ajeet Kumar Srivastava), this award positions CSJMU among India's select institutions driving interdisciplinary, high-impact research with real-world applications.

RESEARCH GRANTS SECURED IN 2024–25

- During the year 2024–25, the University obtained seven research projects under the Uttar Pradesh R&D Scheme, with a total sanctioned amount of Rs. 23.43 lakhs. In addition, two research grants amounting to Rs. 33.72 lakhs were awarded under the UP-CST Scheme.
- Dr. Dipesh Verma has been awarded the Prime Minister Early Career Research Grant (ANRF-ECRG) of Rs. 60 lakhs. for his study on photoreceptor biology and retinitis pigmentosa.
- Two other projects – one from ICSSR (Dr. Ankit Trivedi) and one from DBT – Programme for Societal Development (Dr. Rajeev Mishra) were received

- One project from AIU, with a grant of Rs.2 lakh, focusing on the multidisciplinary implications of Artificial Intelligence in higher education, was received by Dr. Anshu Singh.
- One project from C3i Hub, with a grant of ₹10 lakh, focusing on the design and analysis of multivariate digital signature schemes as post-quantum candidates aligned with NIST standards, was received by Dr. Namita Tiwari.

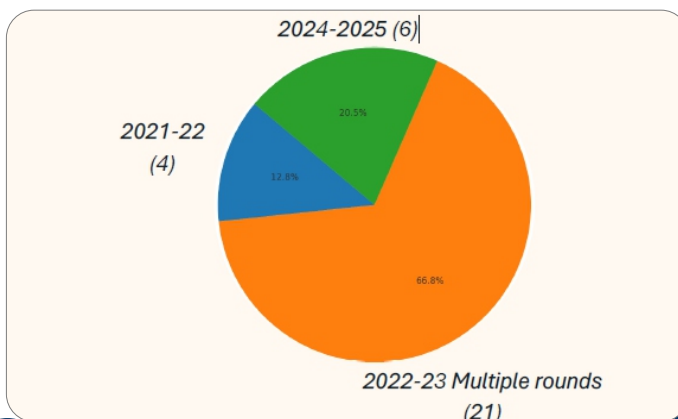

ONGOING RESEARCH GRANTS FROM NATIONAL AGENCIES

CSJMU researchers are actively engaged in projects supported by DST, DBT, UPCST, SERB, and State University Research Excellence (SURE) Schemes.

- DST-FIST has provided ₹1.75 crore for setting up the Har Gobind Khurana Centre for Life Science Research to support research in biomaterials, nanotechnology, and life sciences.
- State University Research Scheme (SURE) – DST-SERB has sanctioned a project of Rs. 28.92 lakhs for three years (2024-2027). This project will strengthen translational research on antimicrobial resistance and provide advanced training opportunities in immunology and therapeutic development at CSJMU.
- Dr. Pramod Yadav has been awarded the prestigious DBT Ramalingaswami Re-entry Fellowship, with a total grant of ₹1,13,60,000 for the period 2020–2025.
- An ongoing project (2023–2026) led by Dr. Akhilendra Pratap Bharti, focusing on the understanding of motor protein dynamics, has been sanctioned by DST-SERB, Government of India, with a total grant of ₹49,17,070.
- An ongoing project (2023–2025) led by Dr. Anshu Singh, focusing on developing a web-based machine learning pipeline to document and disseminate tribal cultural and traditional aspects in India, has been sanctioned by ICSSR, Government of India, with a total grant of ₹7,50,000.
- Dr. Rachapudi Venkata Sreeharsha is currently leading an ongoing project (2022–2027) under the DST-INSPIRE Faculty Fellowship with a grant of ₹37,74,755,
- Additionally, two faculty members generated external resources, with Prof. Varsha Gupta securing approximately ₹1.5 lakh for the purchase of a laptop, and Dr. Rajeev Mishra obtaining ₹90,000.

STATE-SUPPORTED AND UNIVERSITY-SUPPORTED RESEARCH GRANTS

- Under the U.P. CoE scheme, CSJMU secured funding worth over Rs. 89.55 lakhs in 2022–23 and Rs. 27.45 lakhs in 2024–25. These grants are directed towards supporting 21 projects in 2022–23 and 6 projects in 2024–25.

- With 16 projects sanctioned between 2022–25 and a total funding of Rs. 41,07,600, the UP R&D Scheme supports innovative work in applied sciences, environmental sustainability, and materials research.

- The C.V. Raman Research Grant is the University's in-house research

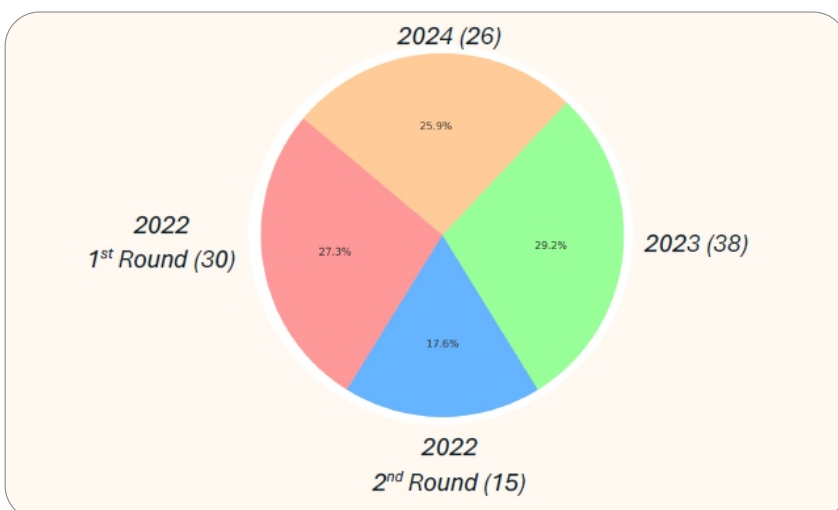

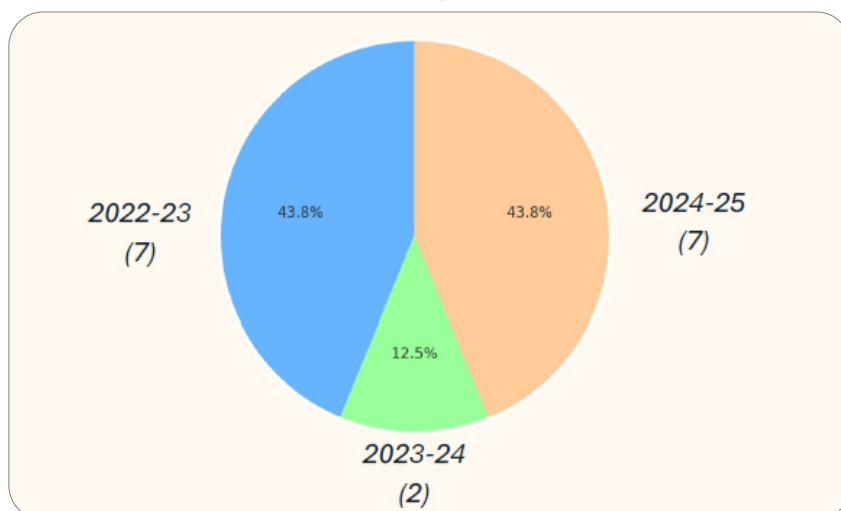

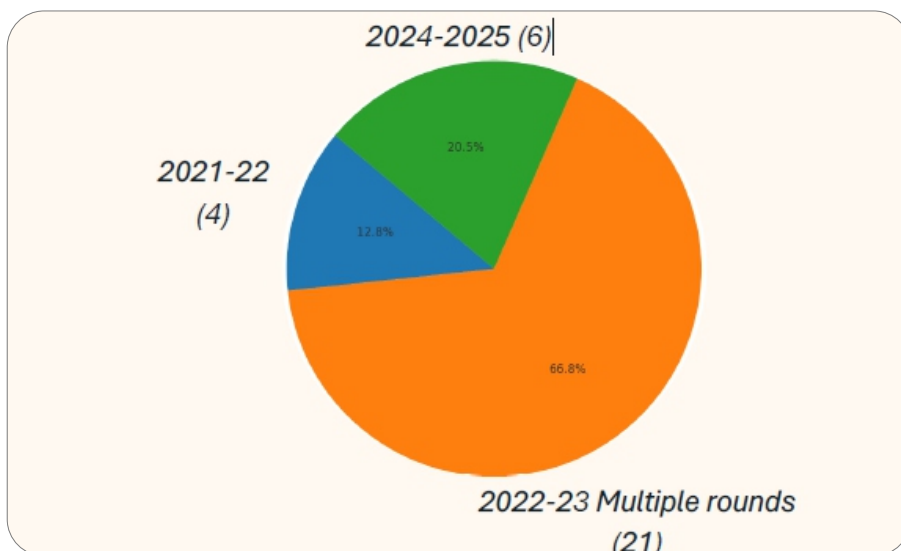

support program that provides faculty with initial funding to pursue high-quality research and build a stronger research ecosystem within the University. 109 projects were sanctioned for faculty members of the University campus and affiliated colleges

with a total amount of Rs. 79,35,000 between 2022 to 2024. The distribution of grants are as follows - 45 grants (Rs.35,65,000) in 2022, 38 grants, (Rs. 23,15,000) in 2023 and 26 grants (Rs. 20,55,000) in 2024.

- Launch of New C.V. Raman Research Grants (August 14, 2025): To strengthen

research, foster interdisciplinary collaboration, and drive innovation toward translational, product-oriented outcomes, CSJMU has restructured its traditional C.V.

Raman scheme. The revamped program now offers substantial support through Minor Grants (up to ₹2 lakh) and Major Grants (up to ₹5 lakh), empowering faculty to undertake high-impact, cutting-edge research projects and build state-of-the-art laboratories, ultimately positioning the university as a hub of innovation and knowledge creation.

ACADEMIC MOUS & COLLABORATIONS

S.No.	Name of Agencies/Department Involved	Date
1	U.P. Real Estate Regulatory Authority (UP RERA) and CSJM University, Kanpur	18.11.2024
2	Vitamin Angels and CSJM University, Kanpur	30.11.2024
3	Amar Pharmaceutical & Labs Pvt. Ltd. And School of Pharmaceutical Sciences, CSJM University, Kanpur	29.01.2025
4	Central Institute of Petrochemicals Engineering & Technology (CIPET) and CSJM University, Kanpur	07.02.2025
5	E-Spin Nanotech Pvt. Ltd. and School of Pharmaceutical Sciences, CSJM University, Kanpur	14.02.2025
6	L&T, EduTech, Kanpur and CSJM University, Kanpur	12.03.2025
7	AMRITA School for Special Children, Kanpur and CSJM University, Kanpur	17.03.2025
8	Amrita Clinic, Kanpur and Department of Clinical Psychology, CSJM University, Kanpur	18.03.2025

27	Defence Technology & Test Centre (DTTC, DMSRDE, DRDO, Lucknow) and CSJM University, Kanpur	12.09.2025

INTERNATIONAL CONFERENCES

INTERNATIONAL CONFERENCES

The University continued its legacy of academic excellence and global engagement in 2024–25 by hosting a series of major international conferences across diverse disciplines. These events collectively positioned the university as a hub for interdisciplinary scholarship, knowledge exchange, and global collaboration.

With participation from over 3,000 delegates, including researchers, students, industry experts, and policymakers from more than 20 countries, the conferences not only showcased CSJMU's academic strengths but also created tangible outcomes in terms of publications, collaborations, and policy-relevant insights.

CONFERENCE HIGHLIGHTS:

- **International Symposium on Frontiers of Research in Speech and Music (FRSM–2024) | 15–16 Nov 2024** The 28th International Symposium on Frontiers of Research in Speech and Music (FRSM-2024) was organized by the University Institute of Engineering and Technology, CSJM University, Kanpur, in collaboration with the Sir C.V. Raman Centre for Physics and Music, Jadavpur University, on 15–16 November 2024. The focal theme of the symposium was “Speech, Music and its Applications in Everyday Life”. The event brought together researchers, academicians, and professionals to present and discuss their work in four major tracks—Speech & Hearing, Music (Vocal & Instrumental), Languages & Linguistics, and Interdisciplinary Applications—through around ten technical sessions conducted over two days. Continuing the rich legacy of FRSM, which has been hosted annually across various cities in India since 1990, the symposium provided a vibrant platform for interdisciplinary exchange. Selected and peer-reviewed papers from FRSM-2024 are published in an edited volume by Springer, showcasing contemporary research in speech, language, and music technology.

- **2. International Conference on Advances in Life Sciences (ICALS–2025) | 9–11 Jan 2025** Organized by the School of Life Sciences & Biotechnology, ICALS brought together ~150 participants and featured 74 presentations. Themes included cancer biology, plant sciences, biomedical sciences, and renewable energy. With 25–30 papers accepted in a Scopus-indexed journal, the event fostered strong visibility in life sciences research.

- **Global Issues in Multidisciplinary Research for a Digital Future (FAI-ICGIMRDF 2025) | 16–17 Feb 2025** Jointly organized with FATER Academy of India and School of Basic Sciences, this hybrid event featured leading experts from Romania, Ukraine, Thailand, and India. Discussions ranged from mathematics and computer science to finance, risk management, and sustainability. The symposium underscored interdisciplinary solutions for digital transformation and ESG frameworks.

- **HealthCon 2025 | 1–2 Mar 2025**

Hosted by the School of Health Sciences, HealthCon attracted 700+ delegates with 156 research presentations. Highlights included AI in healthcare, neuroplasticity, myopia research, and diagnostic innovations. The HealthTech Innovation Challenge inspired young innovators, while MoUs with indexed journals ensured international research visibility.

- **Pharmaceutical Frontiers: Exploring Future Trends and Technologies (PFEFT–2025) | 8 Mar 2025**

The School of Pharmaceutical Sciences convened 320 delegates to deliberate on drug discovery, personalized medicine, AI in drug design, and herbal innovations. Eminent speakers from India and abroad delivered keynotes, and 15 papers were selected for publication. The event reinforced CSJMU's role in pharmaceutical innovation for healthcare.

- **Entrepreneurship & Innovation: Navigating Global Challenges | 24–25 Mar 2025**

Organized by the School of Business Management in collaboration with Astana International University (Kazakhstan), the event saw 280+ participants and 122 papers. Themes included AI-driven business, sustainable models, and social entrepreneurship. Collaborations were strengthened with institutions from the USA, Spain, Croatia, and Sri Lanka.

- International Conference on Recent Advances in Emerging Computing & Communication Technologies (ICRAECCT-2025) | 11-12 Apr 2025** The School of Engineering & Technology hosted CSJMU's first major international computing conference, with 350 submissions, 200 acceptances, and 115 presentations. With keynote speakers from USA, Russia, Portugal, Germany, and South Korea, the conference achieved major scholarly impact, with publications accepted in Scopus-indexed edited volumes (Wiley, IGI Global, World Scientific).

- International Conference on Sustainable Energy and Advance Materials | 18-19 Apr 2025** Jointly organized by the Departments of Chemical, Mechanical, Material Science & Metallurgical Engineering, and Vocational Studies, School of Engineering & Technology, the two-day conference brought together experts and researchers to discuss innovations in sustainable energy and advanced materials. Eminent keynote speakers delivered lectures on green hydrogen, electrochemical methods, and heavy metal removal. A total of 80 research papers were presented across eight technical sessions with participants from India, Saudi Arabia, Turkey, Sri Lanka, and the USA.

- International Conference on Multidisciplinary Approach to Sustainability: A Holistic View Towards the Future | 29 Apr 2025** Jointly organized by the Schools of Arts, Humanities & Social Sciences and Teacher Education, this one-day event attracted 300+ delegates and 150 papers. Themes included sustainable economics, education for global citizenship, climate change, and indigenous knowledge. Experts from five global universities shared insights on clean energy, ecological modeling, and AI in sustainability.

- International Conference on Law, Technology & Society: Emerging Issues and Interdisciplinary Perspectives | 22–23 Aug 2025** Hosted by the Atal Bihari Vajpayee School of Legal Studies, this two-day conference addressed cybersecurity, data protection, AI in law, and digital governance. With 128 papers, and sessions led by leading jurists, the event highlighted the ethical and legal dilemmas of technology. Selected papers will be published in Scopus/Web of Science journals.

CONFERENCE HIGHLIGHTS

Conference	Date	School/Organizer	Participation	Highlights/Outcomes
FRSM-2024 (Speech & Music)	15–16 Nov 2024	School of Engineering and Technology	~10 technical sessions	Peer-reviewed papers in Springer; interdisciplinary exchange
ICALS-2025 (Life Sciences)	9–11 Jan 2025	School of Life Sciences	~150 participants; 89 abstracts	25–30 papers in Scopus-indexed journal; focus on cancer, biotech
FAI–ICGIMRDF (Digital Future)	16–17 Feb 2025	School of Basic Sciences	Wide global participation	Multidisciplinary digital & ESG focus; int’l speakers from Romania, Ukraine, Thailand
HealthCon-2025	1–2 Mar 2025	School of Health Sciences	700+ delegates	MoU with indexed journals; Innovation Challenge; 156 research contributions
PFEFT-2025 (Pharma Frontiers)	08-Mar-25	School of Pharmaceutical Sciences	320 delegates; 96 abstracts	Focus on AI in drug design, personalized medicine; industry linkages
Entrepreneurship & Innovation	24–25 Mar 2025	School of Business Management	280 participants; 122 papers	Global partnerships; Cambridge Scholars Publishing tie-up
ICRAECCT-2025 (Engineering & Tech)	11–12 Apr 2025	School of Engineering and Technology	350 submissions; 200 accepted	Keynotes by world-ranked scientists; Scopus publications with global publishers
ICSEAM-2025 (Engineering & Tech)	18–19 Apr 2025	School of Engineering and Technology	210 delegates, 80 research papers	8 sessions, Keynotes by eminent scientists from India and abroad
Sustainability Conference	29-Apr-25	School of Arts, Humanities & Social Sciences and Teacher Education	300+ participants; 150 papers	12 sessions; global collaboration on climate, ecology, pedagogy
Law, Technology & Society	22–23 Aug 2025	Atal Bihari Vajpayee School of Legal Studies	150+ participants; 128 papers	Cyber law, AI, data protection; Scopus/WoS publications

SEMINARS, WORKSHOPS AND FACULTY DEVELOPMENT PROGRAMMES

Date	Event
30.09.24	An 8-day workshop was organized by the Universal Human Values (UHV) Cell from 30th September to 7th October 2024
01.10. 24	5-Day Workshop on GIS was organized by Department of Geography, School of Basic Sciences from 1 st to 5 th October 2024
04.10. 24	1 st Atal Bihari Vajpayee National Moot Court Competition 2024 was organized by Atal Bihari School of Legal Studies from 4 th to 6 th October 2024
09.10. 24	A seminar titled "Talk of Material" and "Materials Quiz" were organized by Materials Science and Metallurgical Engineering Department, UIET jointly with Materials Advantage Student Chapter 2024, IIT Kanpur.
09.10.24	Entrepreneurship Awareness Drive (EAD 2024) was organized by CSJM Innovation Foundation in collaboration with IIT Kharagpur.
10.10.24	Expert Talk on World Mental Health Day was organized by School of Arts, Humanities and Social Sciences in association with Madhuragini Welfare Foundation
11.10.24	A Seminar by Prof. Kalyan Chakraborty, HRI, Prayagraj was organized by Department of Mathematics, School of Basic Sciences to commemorated the 101st birthday of Professor Harish Chandra.
14.10.24	A 14-day National Workshop on Research Methodology was organized in the Department of Education 14th October 2024 in the Department of Education, CSJM University, Kanpur.
17.10.24	An expert talk on "Constitutional Rights of Women" by Dr. Samiuddin, Asst. Professor Atal Bihari Bajpai School of Legal Studies was organized by School of Languages
18.10.24	Faculty Orientation Webinar with expert talks by Mr. Kondepandi and Mr. Chetan Kavutke, T-Hub (Business Incubator, Govt. of Telangana) were organized as a part of the Kick Start Program.
19.10.24	A session by Mr. Vinay Rai, MD of Bliss Capital Services Pvt. Ltd., Kanpur to mark World Investor Week was held at School of Business Management
19.10.24	A one-day workshop on Pathways to Excellence: Insight and Innovations for the Nobel Prize 2024 was organized by School of Basic Sciences, with International Relations & Academic Cooperation Cell
19.10.24	One-day workshop on MedTech Innovation Ecosystem with Dr. Deepti Chugh, Senior Manager, SIIC, IIT Kanpur, as expert was held
22.10.24	Faculty Development Programme on Indian Knowledge Traditions for Science & Technology disciplines was organized by Dean Academics Office in collaboration with IKS division AICTE, IIT Kanpur, and Braht Educational Organisation from 22 nd to 27 th October 2024
23.10.24	Two-Week Physiotherapy Workshop on "Comprehensive training on Non-invasive ventilator and Inspiratory muscle training" was held at School of Health Sciences
23.10.24	Kick Start Program was organized by T-Hub under the guidance of Mr. Chetan Kavutke on 23rd–24th October 2024
12.11.24	Corporate Challenge organized at Seminar Hall of CSJM Innovation Foundation office.
19.11.24	An expert talk by Dr. Ulrich Berk (President of German Association of Homa Therapy) on Agnihotri, an ancient healing therapy for holistic sustainability was organized by the School of Advanced Agriculture Science and technology

21.11.24	One-day workshop on Biotech Innovations: Transforming Science into Social Solutions by Ms. Shalini Singh, Technische Universitat Bergakademie Freiberg, Germany, was organized at School of Life Sciences and Biotechnology
21.11.24	Workshop on Personal Effectiveness and Grooming was organized by School of Arts, Humanities and Social Sciences
25.11.24	One week FDP on Innovative Approaches in Drug Design and Deveopmen organized at School of Pharmaceuical Sciences in collaboration UPCST and E-Spin Nanotech, Kanpur from 25 th November to 1 st December 2024
14.12.24	7th One-day workshop on filing Intellectual Property for faculty & research scholars at CSJM University was held
23.12.24	Inauguration of Ramanujan.AI 1.0 VR Simulator at School of Basic Sciences.
23.12.24	Books to Write (Author Writing) Session by Edsol Informatics was organized at Central Library
23.12.24	International Collegiate Programming Contest (ICPC) Asia West Regional – Kanpur Site was organized by the Department of Computer Science & Engineering, UIET on 23–24 December 2024
07.01.25	One-day hands on workshop on Mastering Design of Experiments (DOE) & Quality by Design (QbD) was organized at School of Pharmaceutical Sciences.
10.01.25	Swayam-Workshop for integrating SWAYAM courses at CSJM University and affiliated colleges organized by Dean Academics office at Centre of Academics.
28.01.25	8th One-day workshop on filing Intellectual Property for faculty & research scholars at CSJM University.
30.01.25	Online workshop on Moodle on Samarth was organized by Dean Academics Office
01.02.25	A seminar on Safeguarding Wetlands by Dr. Shivangi Mishra, Arctic Institute of North America, University of Calagry, USA to celebrate World Wetland Day was organized by Department of Environmental Science, School of Basic Sciences in collaboration with IRAC cell.
01.02.25	Printing Making Workshop conducted at Department of Fine Arts by Dr.Partho Dutta, IIT Kanpur
03.02.25	One-Week National Workshop on Navigating Scholarly Communication: Advanced Tools and Techniques in Research from 3–8 February 2025 was held at GSV Central Library.
05.02.25	One-Week Value Added Course (Hands-on Workshop) on "Python Programming" conducted by Department of Computer Application, UIET from 5–9 February 2025.
06.02.25	A 2 – day Training Programme on Chemical and Petrochemicals Industrial Safety was conducted by CIPET Lucknow and UIET, CSJM University on 6 th – 7 th February 2025.
18.02.25	A FDP (Hands-on Workshop) on Moodle was held at Department of Compter Applications, UIET
18.02.25	Fine Arts Department organized 10-day National Kangra Miniature Painting Workshop starting 18 th February 2025.
19.02.25	Practical-Oriented One-Day Workshop on IoT Systems was organized by Dept. of Electronics & Communication Engineering in collaboration with Soft Pro India.
21.02.25	4 th AIU National Moot Court competition held at Atal Bihari Bajpai School of Legal Studies.
24.02.25	National Conference on BHAGVAD GITA: Timeless Principles for Effective Life Management organized
28.02.25	2-day Hybrid Faculty Development Program on AI-Enhanced Education organized by CSJM Innovation Foundation on 28 Feb–1 Mar 2025.

28.02.25	An expert talk on Electron Spin: Effective way to develop efficient devices by Dr. Rohit Medwal, IIT Kanpur was held as a part of Two-day National Science Day 2025 event hosted by Department of Physics, School of Basic Sciences
22.02.25	2-day FOSS Hackathon Kanpur Edition by CSJM Innovation Foundation & FOSS United Kanpur.
01.03.25	Health Tech Innovation Challenge organized at CSJM Innovation Foundation in collaboration with School of Health Sciences.
08.04.25	5-days workshop on MATLAB organized by , School of Basic Sciences from 8 th to 12 th April, 2025
16.04.25	Workshop organized by T-Hub Hyderabad at CSJM University where psychometric tests conducted for selected students.
19.04.25	A one-day workshop focused on fragrance and flavor chemistry organized by School of Basic Sciences
26.04.25	Faculty Development Program on Intellectual Property Rights on 25–26 April 2025 by CSJM Innovation Foundation & IPR Cell.
20.05.25	Webinar on DELNET Resources & Services in collaboration with GSV Central Library on 20 May 2025
04.06.25	Seminars by Dr. Bojan Durin, Department at University North in Varazdin, Croatia and Er. Peeyush Gupta from the National Mission for Clean Ganga, Ministry of Water Power, GOI, to commemorate World Environment Day were held at School of Basic Sciences
10.06.25	Knowledge-enhancing exhibition on “Health Promotion through Nature” on World Yoga Day 2025.
15.06.25	7-day residential Natural Therapy Camp for body purification and detoxification.
21.06.25	Yoga panel discussion on "योग विरासत से विकास" on International Day of Yoga 2025 by Dept. of Physical Education & Sports.
27.06.2025	Faculty Development Programme on Building AI agents in collaboration with Gignati was organized
30.06.2025	First webinar of Greenovation Sustain Agri Challenge 2025 series held
22.07.25	Workshop on Artificial Intelligence and Machine Learning by Shri Vasav Krishna was organized
11.08.25	Webinar on ‘Life & Philosophy of Sri Aurobindo’ was organized by School of Arts, Humanities and Social Sciences
22.08.25	A seminar by Prof. Jitendra Bajpai, Dept. of Mathematics, University of Kiel, Germany was organized by Dept. of Mathematics, School of Basic Sciences as a part of the Harish Chandra Lecture Series

INTERNATIONAL RELATIONS & ACADEMIC COOPERATION (IRAC) CELL

INTERNATIONAL RELATIONS & ACADEMIC COOPERATION (IRAC) CELL

The IRAC Cell, established in February 2023, is the University's nodal agency for internationalization. Its primary objectives include:

- Building academic partnerships with foreign institutions.
- Facilitating student and faculty exchange programs.
- Coordinating joint research, publications, and conferences.
- Promoting dual degree and credit transfer programs.

During the reporting period, the IRAC Cell recorded significant progress in internationalization:

- Over 20 new Memorandum of Understanding (MoUs) were initiated with esteemed institutions in Russia, Kazakhstan, Nepal, Kazakhstan, and the USA, reflecting an expanding global footprint. All MoUs indicated are currently active.
- The University experienced a notable jump in international student enrollments from countries including Russia, Brazil, Nepal, Bangladesh, Nigeria, Saudi Arabia, and others. This surge underscores CSJM University's increasing appeal and reputation among global students.
- Close to 40 admissions of foreign students have been done so far to the various programs in this session. More than 500 applications have been received from around a dozen countries across the world. Amongst other programs, Hindu Studies is also emerging as one of the popular programs of our university among the prospective students especially from Europe, Africa, etc.
- Several visits and delegations were facilitated during this period, including Higher Education Summits and academic exchanges with universities in the UK, Taiwan, Vietnam, Nepal, Kazakhstan, and more. These collaborations focused on joint research, innovation, and the exchange of best practices in higher education.

INTERNATIONAL COLLABORATIONS & ACTIVE MOUS (SEP 2024–AUG 2025)

- FEF University, Vladivostok, Russia
- Astana International University (AIU) in Kazakhstan
- ASEM Education & Research Hub for Life Long Learning, Ireland
- Chamber for Indo Russo Technology Collaboration (CIRTC), Russia
- UC Davis Riverside, USA
- And 15 other MoUs with Associates in Nepal
- These collaborations prioritize joint research, innovation, credit transfer, and exchange programs for both students and faculty.

INTERNATIONAL CONFERENCES & INITIATIVES

A series of major international conferences were hosted, such as:

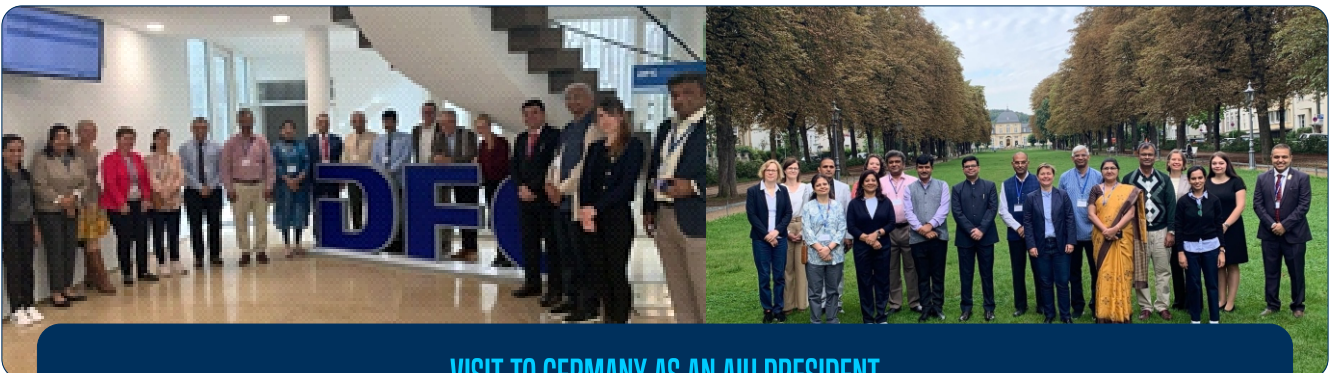

- The 2nd International Conference on Indian & Russian Knowledge Systems (Oct 2024), in partnership with Penza State University, Russia.
- The 28th International Symposium on Frontiers of Research in Speech & Music (Nov 2024), with Jadavpur University.
- Conferences in entrepreneurship, life sciences, and healthcare, furthering interdisciplinary collaboration and innovation.

2ND INTERNATIONAL CONFERENCE ON "INDIAN & RUSSIAN KNOWLEDGE SYSTEM"

GLOBAL FOOTPRINTS IN VARIOUS COUNTRIES

VISIT TO GERMANY AS AN AIU PRESIDENT

INDIA-UK ACHIEVERS PROGRAM, HOUSE OF LORDS, LONDON

RECENT ORGANIZED EVENTS OF IRAC

- CSJMU's International Relations & Academic Cooperation (IRAC) Cell recently organized the “Global Business Summit & Cultural Immersion – 2025.” The event brought together international delegates from Namibia and Nigeria along with CSJMU faculty to discuss academic collaborations, student and faculty exchange programs, and global opportunities. The summit highlighted IRAC's achievements in attracting foreign students and strengthening the university's international presence.

GLOBAL BUSINESS SUMMIT & CULTURAL IMMERSION – 2025

INTERNATIONAL STUDENT COMMUNITY

- The University hosts students from diverse countries including Nepal, Bangladesh, and Brazil. Their testimonials highlight:
- Supportive and research-oriented faculty.
- Modern campus infrastructure.
- Safe and inclusive living environment.

IRAC CELL 1ST BULLETIN LAUNCHING SESSION WITH HONORABLE VICE CHANCELLOR

INNOVATION AND ENTREPRENEURSHIP

INNOVATION AND ENTREPRENEURSHIP

The University is continuously striving to establish new dimensions in the field of innovation and entrepreneurship. In this regard, a Section 8 company named Chhatrapati Shahu Ji Maharaj Innovation Foundation (CSJMIF) has been established and has been operational since May 2022. The CSJMIF has also received an approval for a grant of 1.5 crore through Uttar Pradesh Start in UP, which has facilitated the functioning of 51 start-up companies in the university in the field of innovation and entrepreneurship, details of which are as follows.

S.No.	Name of Startup Company	Name of Founder	Domain / Area of Operation
1	Newgather India Private Limited	Rishabh Yadav	Air purifier
2	Medantrik Medtech Private Limited	Priyaranjan Tiwari	Oxygen purity meter
3	Sangrah Innovations Private Limited	Rahul Dixit	Oxygen concentrator
4	Ansar coach Eduventures Private Limited	Adarsh Prakash Srivastav	Education Field
5	Ottoclick Products & Services Private Limited	Sarthak Tiwari	Home Automation
6	Nutrikosh India Private Limited	Ashutosh Tiwari	Agriculture Field
7	3E Bioedhan Sustainable Solutions Private Limited	Anant Bansal	Green energy
8	Datum Advanced Composites Private Limited	Tanmay Tiwari	Drone field
9	EHM Consultancy Private Limited	Dr. Harshit Mishra	Environment Filed
10	Zbee Technologies Private Limited	Bhuwan Bhatia	Water conversation
11	Corfacture Private Limited	Shashank Yadav	Dry cleaning
12	Kwikbiz Technologies Private Limited	Shivank Verma	Accounting Software
13	P.B.C. Pet Buddy LLP	Ojas Tripathi	Animal conversation
14	SNS Innovation Labs Private Limited	Satyen Srivastava	Artificial Intelligence
15	TYRES At HOMES Private Limited	Alka Mishra	Transportation
16	Kedtech Private Limited	Viplove Srivastava	Primary Education a specialized food sector
17	Delmins Food Private Limited	Akshat Seth	food sector
18	G P Ediblefoods India LLP	Vipul Gupta	Health Sector
19	Shisya Soft Tech India Private Limited	Yashi Bajpai	Drone Sector
20	PyreignTechnologies LLP	Kuldeep Sharma	E Commerce
21	Tiwar Empire Private Limited	Asheesh Tiwari	Agriculture sector
22	Srajan Data Analytics Private Limited	Shyamli Sahai	Natural Cosmetics
23	Chartseas Exports LLP	Aman Singh	Mobile Apps
24	Amandy Labs Private Limited	Anjali Gautam	I.O.T Device
25	Periflex Innovation Private Limited	Shivendra Pratap Singh	Home Automation
26	Slogfy Tech Innovation Private Limited		

24	Amandy Labs Private Limited	Aman Singh	Mobile Apps
25	Periflex Innovation Private Limited	Anjali Gautam	I.O.T Device
26	Slogfy Tech Innovation Private Limited	Shivendra Pratap Singh	Home Automation
27	Godhan Allied Products And Services Private Limited	Pranoti Mishra	Organic Products
28	Lettering Impressions Private Limited	Prakhar Mishra	Printing Sector
29	Inquantum shift Labs Private Limited	Ujjwal Sonkar	Chip Manufacturing
30	Divyayu Anusandhan Sansthan Private Ltd.	Aishwarya Dutt Shukla	Ayurveda Medicines
31	Sunrise Groove Pvt. Ltd.	Ankush Saxena	Environment sector
32	Campus Haat Solutions Private Limited	Guddu Kumar	Food delivery sector
33	Joylicious Joy in Every Bite Private Limited	Yusra Rabia Fatima	Special Bakery Product
34	Egyanam Technologies Private Limited	Sudeep Saxena	Cyber Security Sector
35	Hitkarilnnotech Private Limited	Neeraj Kumar Pathak	Machinery manufacturing
36	Styx Corp LLP	Raj Gupta	Education Sector
37	Helium Renewables Energy Private Limited	Alok Chaudhary	Solar Energy
38	Open Spectrum Ai Private Limited	Aditya Mishra	Artificial Intelligence
39	Swap Media Private Limited	Himanshu Pandey	Media Management
40	Space Philic Private Limited	Indra Narayan Chaudhary	Space rocket
41	Raginishri Beverages Private Limited	Pankaj Jaiswal	Beverages Sector
42	Wthreequbit IT Solutions Private Limited	Rajeev Kumar	Automation Business
43	Scarletblinks Aroma Therapy Private Limited	Richa Shukla	Chocolate Manufacturing
44	Nayurra-Innovation & Vesture LLP	Pragya Singh	Safety Cloths Manufacturing
45	Safalhost Private Limited	Poonam	Website building
46	Career Milaap Edtech Private Limited	Aarunya Rastogi	Education sector
47	Jonesia Organics Pvt Ltd	Prem Narayan Singh	Organic Fertilizers
48	Birbal Learning Private Limited	Sandeep Tripathi	Education sector
49	Parkmate SPS Private Limited	Dhananjay Bharadwaj	Parking Sector
50	Bharat Tech ecosystem Private Limited	Tushar Trivedi	Computer sector
51	Tant Mieux Technologies Private Limited	Saurabh Singh	Technical Products Manufacture

The Chhatrapati Shahu Ji Maharaj Innovation Foundation has received donations amounting to Rs.24,32,000 from various institutions.

Sr. No.	Donor Organization/Individual Name	Amount
1	Rishabh Kumar Lohiya Memorial	Five lakh rupees only
2	Shri Puran Chandra Gupta Memorial Trust	Five lakh rupees only
3	Super House Education Foundation	Five lakh rupees only
4	Muslim Association Halim Muslim College	Five lakh rupees only
5	Dr. Umesh Paliwal	Four lakh one thousand
6	J.T. Attorney Alliance	Twenty thousand
7	Jet Net Ware Limited	Eleven thousand

A total amount of Rs. 27,29,206 was provided by various companies under Corporate Social Responsibility (CSR) through the Chhatrapati Shahu Ji Maharaj Innovation Foundation. The list of companies contributing under Corporate Social Responsibility (CSR) is as follows.

CORPORATE SOCIAL RESPONSIBILITY PROVIDER

Sr. No.	Corporate Social Responsibility Provider	Amount
1	A.F.P L Global Private Limited	Ten lakh rupees only
2	J.K. Cotton Limited	Five lakh rupees only
3	Regency Hospital Limited	Five lakh rupees only
4	Central U.P. Gas Limited	Five lakh twenty-nine thousand two hundred six rupees only
5	Shubham Goldie Masale Private Limited	Two lakh rupees only

The incubated companies of CSJMIF showcased their products at various events, and the market availability of the products, as well as the companies' financial operations were initiated. The list of startups presenting their products is as follows:

Sr. No.	Startup	Product
1	Shishya Soft Tech Private Limited	Launch of Medical Record Digitization Application
2	Periflex Private Limited	Launch of Gaming and Multifunction Advanced Keyboard
3	Chart Sees Exports LLP	Launch of Organic Beauty Products
4	S.N.S. Innovation Private Limited	Launch of AI Application for Grammar Improvement

The incubated startups of CSJMIF have received approval of Rs.4,50,000 under the Startup UP scheme as a nutrition allowance, and currently, the startups have received ₹3,35,000 as a grant.

Details of the startup companies are as follows:

Sr. No.	Startup Company Name	Approved Amount	Received Amount
1	Newgather India Private Limited	₹ 1,80,000	₹ 1,35,000
2	Answer Coach Eduventures Private Limited	₹ 2,70,000	₹ 2,00,000

The incubated startups of Chhatrapati Shahu Ji Maharaj Innovation Foundation have received ₹5,00,000 as a Prototype Development Grant through the Startup UP scheme.

PROTOTYPE DEVELOPMENT GRANT

Sr. No.	Startup Company Name	Approved Amount	Received Amount
1	Pyrin Technology LLP	₹ 5,00,000	₹ 5,00,000

The incubated startups of Chhatrapati Shahu Ji Maharaj Innovation Foundation have received approval of ₹55,00,000 as Seed Capital/Marketing Grant through the Startup UP scheme, and as the first installment, startups have received ₹22,00,000.

SEED CAPITAL/MARKETING GRANT

Sr. No.	Startup Company Name	Approved Amount	Received Amount
1	Sangrah Innovation Private Limited	₹ 5,00,000	₹ 2,00,000
2	Medantric Medtech Private Limited	₹ 5,00,000	₹ 2,00,000
3	Datem Advance Composites Private Limited	₹ 11,25,000	₹ 4,50,000
4	Shishya Soft Tech Private Limited	₹ 11,25,000	₹ 4,50,000
5	S.N.S. Innovation Private Limited	₹ 11,25,000	₹ 4,50,000
6	Delmans Food Private Limited	₹ 11,25,000	₹ 4,50,000

INNOVATION CELL ACTIVITIES

- **MoU with IIT Kanpur (2 November 2024)**

On IIT Kanpur's 65th Foundation Day, CSJMU signed an MoU with IIT Kanpur in the presence of Hon'ble Defence Minister Shri Rajnath Singh. The agreement strengthens collaboration in innovation, incubation, and infrastructure. Senior officials and the CSJM Innovation Foundation team represented the University on this landmark occasion.

MEMORANDUM OF UNDERSTANDING WITH IIT KANPUR ON NOVEMBER 2, 2024

- **Industry-Academia Meet “Udbhav 2024” (12 November 2024)** The University organized Udbhav 2024 to bridge gaps between academia, industry, R&D institutions, and society. The meet created a collaborative platform for fostering research, innovation, and entrepreneurship. The initiative reflected CSJMU's long-term vision of building an innovation-driven ecosystem.

INDUSTRY-ACADEMIA MEET "UDBHAV 2024"

- **Workshop on Artificial Intelligence (10–11 December 2024)**

A two-day workshop on AI explored its applications in education, healthcare, and daily life. Expert sessions and demonstrations were conducted by academics and industry trainers, offering hands-on learning for students and faculty. The program equipped participants with insights into emerging AI-driven transformations.

TWO-DAY WORKSHOP ON ARTIFICIAL INTELLIGENCE (AI)

- **Udyamotsav 2025 – National Entrepreneurship Day (16 January 2025)** CSJMU celebrated Udyamotsav 2025 in collaboration with AICTE and the Ministry of Education. The event brought together entrepreneurs, investors, and innovators, inspiring students toward entrepreneurship. Distinguished industry leaders and angel investors shared insights on startup growth and investment readiness.

UDYAMOTSAV 2025 AT CSJMU, KANPUR ON THE OCCASION OF NATIONAL ENTREPRENEURSHIP DAY

- **Abhivyakti '25 Startup Program (17–19 January 2025)** In partnership with IIT Kanpur, a three-day startup conclave showcased innovations from across India. CSJMU-incubated startups, including Autoclik and HealthCompass, presented their ventures to investors and mentors. Several startups received funding, highlighting the University's growing entrepreneurial footprint.

ABHIVYAKTI '25

- **National Conference on AI for Sustainable Cities (3–4 February 2025)**

The conference gathered 25 Vice-Chancellors, 35 academic leaders, and 35 startups to deliberate on AI-driven urban solutions. Eminent speakers from IIT Kanpur, IIT Roorkee, NITI Aayog, and industry discussed sustainability, ESG integration, and AI-led governance. The event positioned CSJMU at the forefront of AI-policy dialogue.

- **Robo Rumble 2.0 (17–18 February 2025)** A two-day robotics competition engaged school and university teams in Robo War and Robo Soccer. Sponsored by industry partners, the event showcased student talent in automation and design. Winners included teams from CSJMU, HBTU, and DPS Azad Nagar.

- **Launch of Nutrition Counselling Centre (15 April 2025)** CSJMU incubatee Shishya Soft Tech launched a Nutrition Counselling Centre at Upper India Sagar Hospital, Kanpur. The center offers free maternal and child health services through digital records and AI-driven tracking. The initiative reflects CSJMU's commitment to health-tech innovation.

INAUGURATION OF ITS FIRST NUTRITION COUNSELING CENTER AT UPPER INDIA SAGAR JACHCHA-BACHCHA HOSPITAL, KANPUR.

- **Launch of Ayurvedic Brand “Anarna” (17 May 2025)**

Incubatee ChartSeas Exports LLP launched Anarna, a range of Ayurvedic cosmetics, at CSJMU. Products such as herbal face wash, oils, and conditioners were introduced with plans for statewide distribution. The brand emphasizes natural wellness and sustainable beauty solutions.

- **Student Entrepreneurship Bootcamp (26–31 May 2025)**

In collaboration with T-Hub, CSJMU hosted a week-long training bootcamp. Students engaged in workshops, mentoring, and startup simulations, with 38 teams presenting ideas. Eleven teams were selected for the prestigious Blitz Program at T-Hub Hyderabad.

STUDENT ENTREPRENEURSHIP TRAINING BOOTCAMP

- **Incubation & Acceleration Program (22 July 2025)** A joint program with SIIC IIT Kanpur trained students and faculty in AI and ML applications for startups. Sessions highlighted real-world use cases, startup success stories, and entrepreneurial pathways. The event strengthened AI-driven incubation support at CSJMU.
- **Cybersecurity MoU with IIT Kanpur (4 August 2025)** CSJMU signed a tripartite MoU with IIT Kanpur and C3iHub to launch an online Cybersecurity course in Hindi. Covering cybercrime, data safety, dark web threats, and online security, the course features hands-on labs and internships. It aligns with Skill India and Digital India missions.

LAUNCHING OF A PROFESSIONAL COURSE IN CYBERSECURITY FOR CSJMU STUDENTS

INTELLECTUAL PROPERTY RIGHTS (IPR) CELL

INTELLECTUAL PROPERTY RIGHTS (IPR) CELL

The Intellectual Property Rights (IPR) Cell of the University was established in 2024. The Cell marked a transformative step towards strengthening the culture of innovation and protecting the intellectual contributions of faculty members, researchers, and students. Its mission extends beyond legal safeguards—it seeks to cultivate an environment where original ideas are nurtured, protected, and translated into societal and industrial impact.

AWARENESS AND OUTREACH INITIATIVES

- The IPR Cell has successfully organized more than 12 workshops, conducting these programs every month to benefit students, research scholars, and faculty members. For these sessions, the IPR Cell has invited eminent experts from JT Attorney Alliance, including Mr. Jignesh Mungalpara and Mr. Tushar Kumar Srivastava, who have guided participants on the process of patent filing, trademark registration, and other critical aspects of IPR.
- Specialized workshops, such as the one conducted in the Fine Arts Department on 24th August 2024 and 21st September 2024, demonstrated how creative works like original designs can also be registered and protected. Such targeted initiatives have broadened the scope of IPR awareness beyond traditional science and technology disciplines, reaching into the fields of art, design, and humanities.
- The IPR Cell organized an Ideathon on 26th April 2025 to celebrate World Intellectual Property Day. The event attracted enthusiastic participation from students and faculty members across CSJMU and affiliated colleges. Participants showcased innovative ideas before an expert jury, with awards recognizing the most promising contributions. Complementing this, a Faculty Development Program (FDP) was held to train faculty from affiliated colleges, empowering them to mentor students and foster a culture of innovation-driven learning.

GROWTH IN PATENT FILINGS

One of the most visible impacts of the IPR Cell has been the dramatic rise in patent and design filings. From its establishment in 2024 until the end of that year, the University filed 258 patents and six design applications across a wide range of disciplines. The School of Engineering and Technology emerged as the top contributor, followed by Health Sciences, Life Sciences, Hotel Management, and Pharmaceutical Sciences.

A landmark moment came on World Intellectual Property Day, 26 April 2025, when the University facilitated the filing of 101 patents and 59 design applications by assistant professors, research scholars, and students. This collective achievement highlighted the growing enthusiasm within the academic community and positioned the university as a leading center of IPR activity at the regional and national level.

Leading Faculty Contributors in Patent Filing from Different Departments

S.No.	Name Of Faculty	Name Of Department	No. of Patents Filed
1	Dr. Digvijay Sharma	Department of Health Sciences	32
2	Mr. Shivansu Sachan	School of Hotel Management & Catering Technology	26
3	Dr. Vishal Awasthi	Department of Engineering and Technology	13
4	Dr. Hradesh Rajput	Department of Advanced Agriculture	8
5	Dr. Ajay Kr Pandey Dr. Shilpa Kaistha	Department of Life Sciences And Bio Technology	7
6	Dr. Anju Dixit	Department of Basic Sciences	4
7	Dr. Nisha Sharma Dr. Pallavi Tiwari Dr. Ajay Kumar	Department Of Pharmaceutical Sciences	4

INNOVATIONS OF SIGNIFICANCE

- Among the many patents filed, some stand out for their transformative potential:
- **Mount Once, Last Longer:** Structural Innovation in Solar Installations
A robust solar panel mounting system that offers enhanced stability, simplified installation, and greater resistance to environmental stresses, making it valuable for both residential and industrial applications.
- **Color-Coded Detection for Biofilm Identification** A breakthrough microbiological medium that enables rapid and accurate detection of biofilm-forming microorganisms within 48 hours, with applications in healthcare diagnostics, industrial quality control, and environmental monitoring.
- **Next-Gen Aluminum Alloy for Aerospace and EV Markets** A specially designed aluminum-magnesium-lithium alloy with superior strength-to-weight ratio, corrosion resistance, and durability, targeting applications in aerospace, automotive, and electric vehicle industries.

CENTRAL LIBRARY

CENTRAL LIBRARY

The Central Library of the University has undergone significant modernization during 2024–25, establishing itself as a smart, inclusive, and research-supportive knowledge center.

● DIGITAL TRANSFORMATION–LIBRARY ON DEVICE

A landmark initiative, the e-library “Library on Device”, has been developed to provide seamless access to study and research materials from anywhere, anytime via a single window and search engine. Accessible via mobile application, the platform houses over 1 million e-resources, including 6,236 journals, 36,569 e-books, 135,654 video lectures, 640,057 research works, 10,211 university theses, 136,461 expert talks, and 49,160 general reading materials, with resources also available in Hindi. Online databases from leading publishers (Elsevier, Springer, Taylor & Francis, Wiley, and Sage) further enrich the repository.

● ORIENTATION, RESEARCH SUPPORT, AND ANTI-PLAGIARISM MEASURES

Orientation programs across departments have promoted the use of e-library resources, significantly increasing engagement. All research materials have been digitized and uploaded on the e-library and Shodhganga Repository, supported by advanced plagiarism detection tools for both local and foreign languages. This has greatly enhanced the quality, credibility, and originality of research outputs.

● RFID-BASED SMART SERVICES

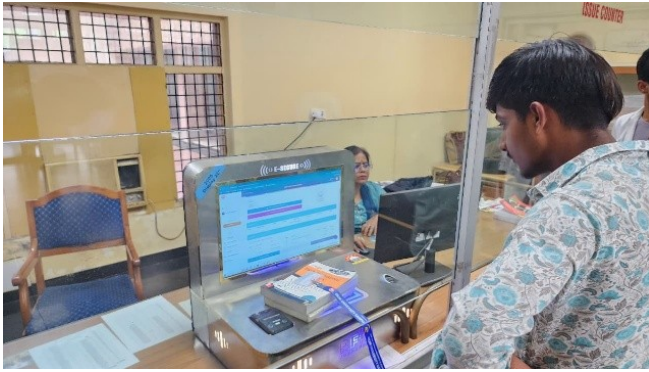

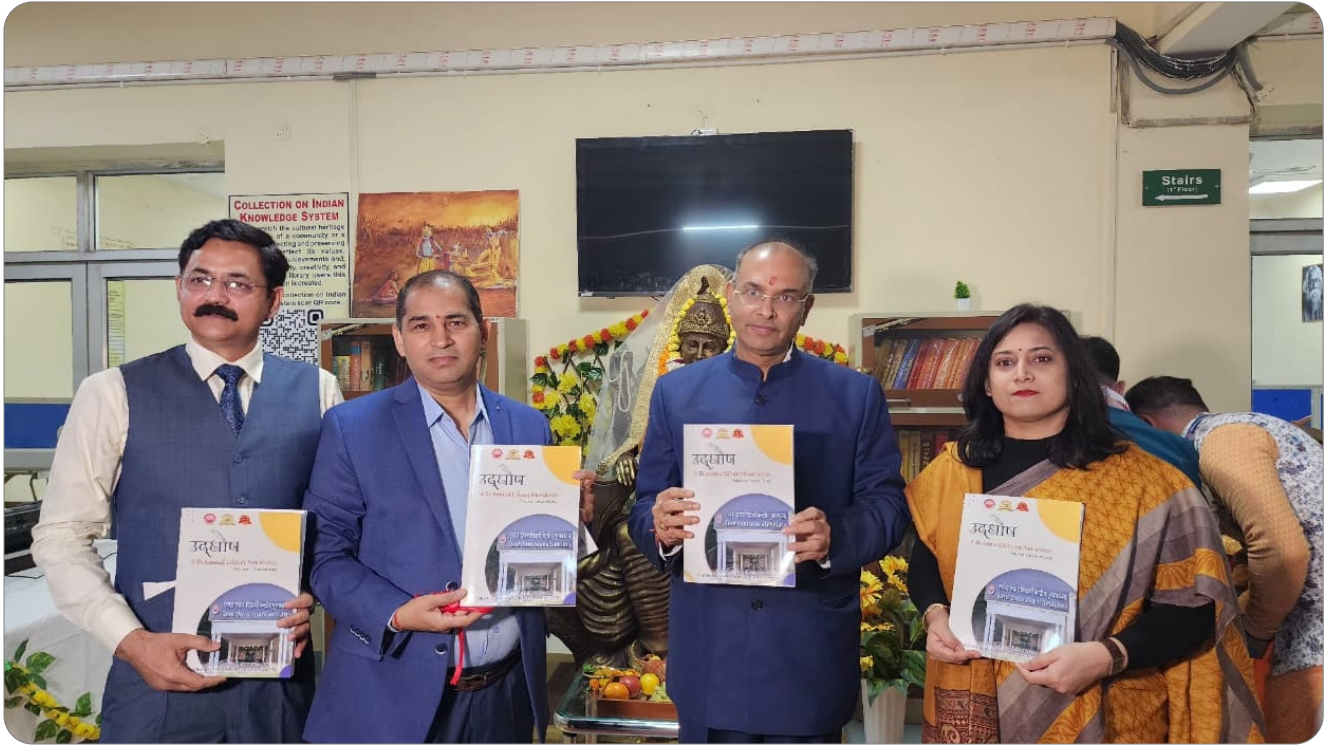

The library has fully implemented RFID technology, enabling self-service book issue and return through touchscreen kiosks, automated alarm-equipped security gates, and smart card-based membership. This system has improved operational efficiency, error-free storage, and real-time tracking, while reducing staff workload.

● PHYSICAL AND INCLUSIVE IMPROVEMENTS

Efforts toward inclusivity include ramps, lifts, wheelchairs, and special toilets for differently-abled students. A new air-conditioned auditorium with 60 seats has been established for seminars, training, and academic events. The library also extended its service hours until midnight, further enhancing accessibility.

● OUTREACH AND KNOWLEDGE SHARING

The Ganesh Shankar Vidyarthi Central Library launched its first biannual newsletter (Vol. 1, Issue 01, 2025), highlighting academic services, research tools, alumni placements, and student achievements. The newsletter serves as a participatory platform, encouraging contributions from the university community.

PLACEMENT CELL

PLACEMENT CELL

The continuous efforts of the University Placement Cell in providing students with the right blend of training, guidance, and industry exposure have ensured that CSJM University graduates are prepared for the evolving demands of the job market. This year witnessed not only an impressive rise in placement percentages but also improved median salary packages and a more diverse pool of recruiters.

- The university recorded over 1,020 campus selections alongside more than 4,150 offers through mega job fairs, underscoring its growing recognition among recruiters.
- There was an improvement in compensation trends, with the median salary package rising to Rs. 4 LPA from Rs. 3.75 and the highest package reaching Rs. 12.45 LPA
- Recruiter engagement reached new heights, with more than 140 placement drives conducted during the year.

S.No.	Parameters	2023-24	2024-25
1	No of selections through in-house placement drive	713+	1020+
2	No of placement from Job Fairs (Affiliated College)	3550+	4150+
3	No of campus placement drive	122+	140+
4	Highest salary	17 LPA	12.45 LPA
5	Median salary	3.75 LPA	4.0 LPA
6	Campus Placement Percentage	69%	74%

MAJOR RECRUITERS (2024-25)

The University attracted diverse recruiters from Software industries, Core engineering firms, Banking, Financial Services, Insurance, Consulting, Telecom, and FMCG sectors. Some of the prominent names include

- **Software & Tech:** TCS, HCL Technologies, Infosys, Wipro, Accenture, Tech Mahindra, British Telecom.
- **Core & Manufacturing:** JK Cement, Shree Cement, CMR Green Ltd, Kansai Nerolac Paints, Oswal Chemicals.
- **Consulting & BFSI:** Deloitte, Motilal Oswal, Bajaj Capital, TeamLease, Ageas Federal.
- **Consumer & Retail:** Patanjali, Berger Paints, Kohinoor Ltd.
- **Telecom & Media:** Airtel, Vodafone (Vi), Jagran Group.
- **Startups & New-age Companies:** Paytm, Jaro Education, Intellipaat, Indiamart.

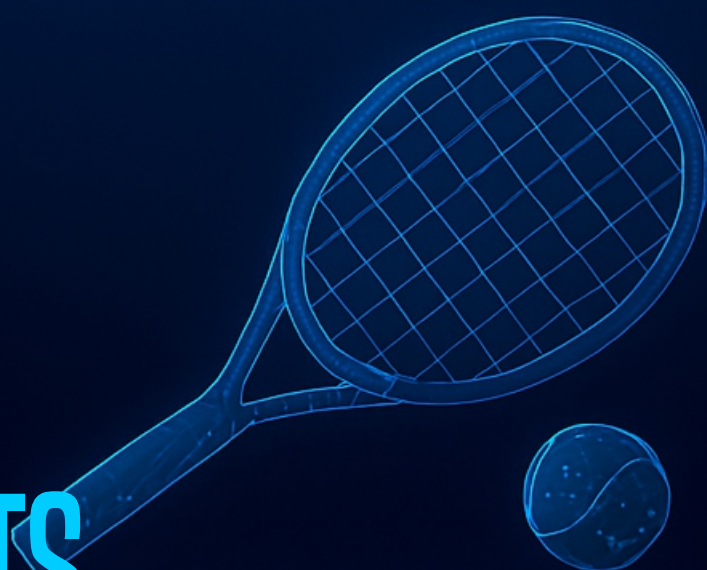

PLACEMENT CELL ACTIVITIES (2024-25)

The Placement Cell organized several career development and employability initiatives, making the process more dynamic and student-centric:

- **Mega Job Fairs:** Large-scale fairs attracted thousands of students, with multiple companies hiring across domains.
- **Pre-Placement Training:** Resume-building sessions, aptitude practice, group discussions, and mock interviews were conducted.

- **Career Mapping:** Personalized guidance helped students align their career aspirations with industry demands.
- **Industrial Connect Sessions:** Guest lectures, seminars, and panel discussions with corporate leaders enhanced exposure.
- **Skill Enhancement Workshops:** Students were trained in soft skills, digital tools, and interview readiness.

SPORTS

SPORTS

The University's commitment to holistic education, balancing sporting excellence with academic growth, has driven continuous enhancement and upgradation of sports infrastructure. This, in turn, has encouraged large-scale student participation, leading to remarkable performances across disciplines.

MAJOR ACHIEVEMENTS:

TEAM SPORTS:

Football (Men)	First place in the <i>Central Zone Football Tournament</i> at IIT Kanpur and secured an All -India Rank of 8 th Position. Qualification for the <i>All-India Inter -University Championship</i>
Kho-Kho (Men)	Champions of the <i>North Zone Inter -University Tournament</i>
Cricket (Men)	Aman Chauhan selected for the U-19 Indian Team Aman Yadav represented CSJMU in the <i>Vizzy Trophy</i> under BCCI

INDIVIDUAL SPORTS

Boxing (Women)	All India Boxing Championship Ipsita Vikram, won Silver Medal
Kickboxing (Women)	All India Inter University Ipsita Vikram, won Gold Medal
Shooting (Women)	Anshika represented India at the 16th Asian Shooting Championship in Kazakhstan
Wrestling (Men)	Multiple medals at All India and North East Zone Championships Ajay (Silver Medal)
Weightlifting (Women)	North East Zone Soweta Kundu, (Bronze Medal)
Athletics (Women)	Yashi Sachan and Chanchal qualified for Khelo India and World University Games. Multiple gold medals in hurdles, sprints, long jump, javelin, and relay events
Additional accomplishments were recorded in Karate, Judo, Wushu, Volleyball, Basketball, Badminton, Archery, Swimming, Tug of War, Cross Country, and Yoga	

QUALIFIED FOR KHELO INDIA UNIVERSITY GAME:

A total no. of 33 players qualified in different games, like Football, Yoga, Shooting, Athletics, Boxing, Wrestling, and Weightlifting.

INTER-UNIVERSITY MEDAL TALLY

- Football (Men) – Gold medal (Central Zone), secure 8th Place (All India)
- Kho-Kho (Men) – Gold medal (North Zone)
- Wrestling (Men) – Ajay Won Silver medal (All India)
- Boxing (Women) – Ipsita Vikram won Silver medal (All India)
- Kickboxing (Women) – Ipsita Vikram won Gold medal (All India)
- Weightlifting (Women) – Bronze (North East Zone) Soweta Kundu.

SPECIAL MENTIONS

- Yashi Sachan (Women) – Qualified for Khelo India & World University Games
- Chanchal (Women) – Bronze in National Federation Athletics
- Anshika (Women) – Represented India at the Asian Shooting Championship
- Mahi Siwach (Women) – Gold medal at the Asian Youth Boxing Championship

PARTICIPATION AND EVENTS ORGANIZED

- The University successfully hosted the Central Zone Football Championship and the North Zone Kho-Kho Championship.
- 28 intercollegiate tournaments across diverse disciplines were organized during the year.
- The students participated in 51 university-level tournaments at zonal and national levels, with 527 athletes representing CSJMU.
- On National Sports Day, the University celebrated the legacy of Major Dhyan Chand with a friendly hockey match and campus-wide competitions across multiple games.

NATIONAL SPORTS DAY COMPETITIONS

S.No	Event	Category	Winner	Runner-Up
1	Kho-Kho	Men	Dept. of Physical Education	BBA Department
2	Tug of War	Men	Shivaji Boys Hostel	Dept. of Physical Education
3	Kabaddi	Women	Dept. of Physical Education	B.Voc Department
4	Kabaddi	Men	Dept. of Physical Education	Dept. of Pharmacy
5	Volleyball	Men	B.Tech	Dept. of Physical Education
6	Basketball	Women	Dept. of Physical Education	B.Sc Department
7	Basketball	Men	Dept. of Physical Education	Dept. of Pharmacy
8	Kho-Kho	Women	Dept. of Physical Education	B.Sc Department

INFRASTRUCTURE DEVELOPMENT

The Department of Physical Education & Sports has achieved significant progress in upgrading its infrastructure to meet national and international standards.

- **Cricket Stadium** – Equipped with a standard pitch, practice nets, modern dressing rooms, and floodlights, making it suitable for inter-university and state-level tournaments.
- **Hockey Field** – A full-size turf ground developed as per international norms, enabling high-performance training and professional competitions.

- **Basketball Court** – FIBA-standard synthetic surface with floodlights, facilitating professional-level play and evening practice sessions.
- **Volleyball Courts** – FIVB-approved synthetic courts that can host inter-university, national, and international events.
- **Athletics Track** – A 400m AIIF-approved synthetic track with comprehensive field-event facilities, designed for national-level meets and athlete conditioning.
- **Archery Range** – Professionally designed facility with standardized targets and safety zones, ensuring scientific training and competitive readiness.
- **Multipurpose Indoor Hall** – Modern indoor complex with high-quality PU flooring, catering to badminton, table tennis, indoor volleyball, and other recreational and competitive sports.

AWARDS/MEDALS/HONOURS RECEIVED BY STUDENTS OR TEAMS

NAME OF PLAYERS	ACHIVEMENT	PHOTOGRAPHS
Ms. Mahi Siwach	Asian Youth U-22 Boxing Championship Colombo 2025 Gold Medal	
Ipshita Vikram	Gold Medal in Kick Boxing Silver Medal in Boxing Bronze in Senior National	
Mr. Ajay	All India University Wrestling Championship Silver Medal	
Ms Soweta Kundu	Got Bronze Medal in North East Zone Weight Lifting Championship 2024-25	
Mr. Abhishek Kumar	Senior National Kwan Kido Championship Gold Medal	

Mr. Ratan Deep	Gold Medal in Elite Men's Senior National Championship Dec 2024	
Shiva Singh	48th Senior National KYORUGI Taekwondo Championship 2024 Silver Medal	
Mr. Vivek Yadav	Senior State Championship Bronze Medal	
Mr. Digvijay	Pandit Deen Dayal Boxing Championship Meerut Gold Medal

STUDENT COUNCIL

ACTIVITIES

STUDENT COUNCIL ACTIVITIES

The Student Council of the University serves as the representative body of students and plays a pivotal role in voicing student concerns, organizing cultural and academic activities, and strengthening the bridge between the administration and the student community.

Some of the activities organized by the Student Council are:

DEBATE COMPETITION

The Students Council organized a thought-provoking debate on “Can AI Be Trusted to Make Decisions About Cyber Security?” on September 21, 2024. The event drew a full audience of students, faculty, and guests, sparking engaging discussions on the intersection of technology and ethics.

ASTRA: SELF DEFENCE CAMP FOR GIRLS

The Students' Council organized ASTRA: Self-Defence Camp for Girls on 22nd September 2024, a program designed to empower young women with practical self-defence skills. Conducted by experienced trainers, the camp combined theory with hands-on practice while highlighting situational awareness, resilience, and fitness. The initiative received wide participation and reinforced the Council's commitment to student safety and confidence.

SHREE DURGA STHAPNA

On 3rd October 2024, the Students' Council organized Shree Durga Sthapna at the University Helipad, bringing together students and faculty in a spirit of devotion and unity. The event celebrated cultural heritage through prayers and rituals, fostering spiritual well-being and strengthening community bonds on campus.

DANDIYA NIGHT

On 9th October 2024, the Students' Council hosted a vibrant Dandiya Night, turning the campus into a hub of music, dance, and festivity. With over 800 students in dazzling traditional attire, the event celebrated cultural unity and joy. Significantly, it was the first fully sponsor-based, student-led celebration, setting a new benchmark in collaboration, creativity, and leadership at the university.

INTER-COLLEGIATE YOUTH FESTIVAL 2024

The Inter-Collegiate Youth Festival 2024, held on 5th & 6th November 2024 and organized by the Students' Council, was a vibrant celebration of youth, creativity, and camaraderie. With over 200 participants from affiliated colleges, the festival featured a diverse mix of cultural performances and intellectual competitions, offering students a platform to showcase their talents and connect with peers.

CORPORATA 2024: BRIDGING THE GAP BETWEEN INDUSTRY AND ACADEMIA

On 9th November 2024, the Students' Council organized Corporata 2024, an event bridging academia and industry. The highlight was a competition where students solved real-world marketing challenges, applying theoretical knowledge creatively and practically.

ATAL YUVA KAVI SAMMELAN

On 23rd January 2025, the Atal Yuva Kavi Sammelan on “The Future of India” brought together student poets from CSJM University and affiliated colleges. Through powerful verses on progress, unity, innovation, and social responsibility, the event inspired reflection and celebrated the legacy of Atal Bihari Vajpayee, motivating youth to envision a stronger nation.

SHORT FILM MAKING COMPETITION

The Students' Council, in collaboration with Aatmoday Hobby Club organized a Short Film Making Competition on the theme of Mahakumbh on 25th January 2025. Students showcased creativity and technical skills, exploring the spiritual, cultural, and social aspects of the event, while fostering awareness of its historical significance.

CULTURAL PROGRAMME ON REPUBLIC DAY

The University celebrated India's 76th Republic Day with patriotic songs, dances, and theatrical performances. The cultural programme honored the Constitution, national unity, and the sacrifices behind India's freedom, creating an atmosphere of pride, reverence, and creative expression.

BASANT PANCHAMI CELEBRATIONS

On 3rd February 2025, CSJM University celebrated Basant Panchami by inaugurating the Khadi Store and Campus Connect Stationery Shop, and launching books authored by students Ramji Pal and Sachin Sagar, reflecting the campus's dedication to knowledge, creativity, and fresh beginnings.

CLEANLINESS DRIVE AND AWARENESS RALLY

On 5th February 2025, the university carried out a Cleanliness Drive and Awareness Rally dedicated to promoting hygiene and environmental responsibility. Students actively participated by carrying placards, chanting slogans, and spreading awareness about the importance of maintaining cleanliness and protecting the environment.

FOUNDATION DAY CELEBRATIONS

The University celebrated its Foundation Day on 9th February, 2025. A grand Deepdan Ceremony was held on 8th February at Amrit Sarovar, where 5,100 diyas created a serene and devotional ambiance. A blood donation camp was conducted on 8th February where several Student Council members also came forward to donate blood. A vibrant and captivating cultural performance by students was also held to celebrate this occasion. The highlight of the performance was the first-ever Sufi Night by Team Tarang.

JASHN-E-VIVIDHTA

From 13th–28th February 2025, Jashn-e-Vividhta served as a lively prelude to Vividhotsava, featuring events like Open Mic, Dance Battle, Treasure Hunt, Lantern Making, and Selfie Scavenger Hunt. The activities energized the campus, offering students creativity, fun, and cultural engagement.

DIALOGUE WITH DEPARTMENTS

The Students' Council conducted departmental visits to engage with students, gather feedback on academic and campus matters, and share information about upcoming initiatives. This initiative strengthened dialogue, increased awareness, and reinforced the Council's role as a bridge between students and the administration.

VIVIDHOTSAVA YOUTH FEST 2025

The University hosted its first-ever student-led youth festival, Vividhotsava 2025, organized from 14th–16th April 2025, by the Student Council. The three-day fest featured 15+ competitions across cultural, literary, artistic, business, and legal domains, attracting over 700 registrations. Highlights included vibrant performances, debates, entrepreneurial showcases, and a Celebrity Night with Bollywood singer

STUDENT ACHIEVEMENTS AND CLUBS

STUDENT ACHIEVEMENTS AND CLUBS

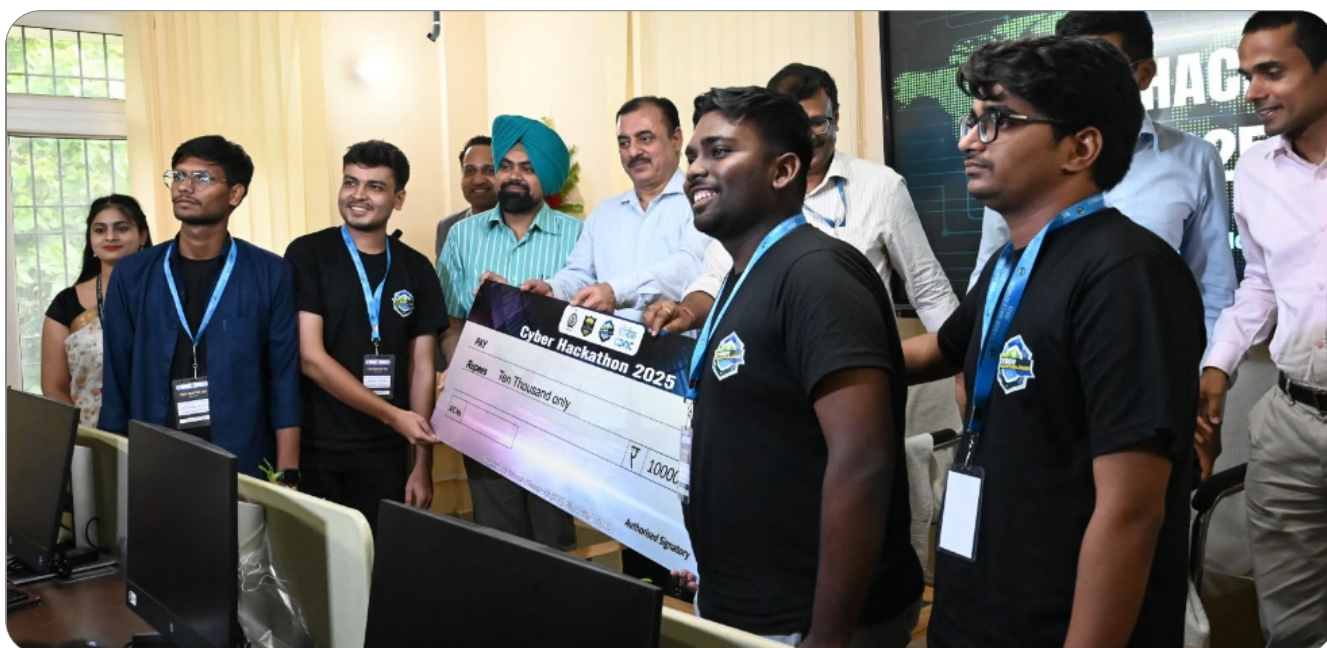

The University's commitment to holistic education, balancing sporting excellence with academic growth, has driven continuous enhancement and upgradation of sports infrastructure. This, in turn, has encouraged large-scale student participation, leading to remarkable performances across disciplines.

SMART INDIA HACKATHON 2025 AND CYBER HACKATHON 2025

Team Syntax Weavers (B.Tech students Nav Srijan, Naman, Aditya, Suryansh, Nikhil, and Anuja) from UIET, School of Engineering and Technology, brought laurels to the University by winning the Smart India Hackathon 2024 Grand Finale in Hyderabad (10-12 December 2024). Tackling a real-world challenge on Data Download Duplication, they built an efficient solution that impressed the evaluators and earned them the winner's title along with a cash prize of ₹1,00,000.

Team Syntax Weavers showcased their cybersecurity skills at the Cyber Hackathon 2025 organized by C-DAC Patna and the EOU, Bihar Police (25-26 June 2025). With their innovative solution on secure document sharing using invisible watermarking and controlled printing, the team won third prize, earning a trophy, medals, and a cash award of ₹10,000.

PENTATHON 2025

At Pentathon 2025, a prestigious national-level cybersecurity competition organized by National Critical Information Infrastructure Protection Centre (NCIIPC), AICTE, and the Ministry of Innovation Cell (1-3 May 2025), CSJMU students showcased remarkable talent. Nav Srijan (B.Tech CSE-AI, 2nd Year) secured the 16th national rank, while Aman Singh (BCA, 2nd Year) achieved the 22nd rank, standing out among participants from across India.

PENTATHON 2025

LIST OF MAJOR EVENTS ORGANISED BY CLUBS UNDER AATMODAY HOBBY CLUB COUNCIL.

Event Name	Organizing Club	Date Of Event
Generative AI Artistry	Coding & Robotics Club	24th September 2024
Basket Ball Competition	Fitness Club	9th November 2024
Turncoat Debate Competition	Literary Club	23rd November 2024
Web Development Competition	Coding & Robotics Club	12th February 2025
Poetry Competition	Literary Club	19th Feb 2025
No Flame Fest	Cooking Club	28th February 2025
Plants: Love of Life	Gardening Club	12th April 2025
Build With AI	Coding & Robotics Club	20th April 2025

AATMODAY HOBBY CLUB

The AATMODAY Hobby Club, with an active membership of over 2,000 students across different departments of the University, provides a platform for them to discover, nurture, and present their diverse talents.

In the academic year 2024–25, the Council, with the help of a dedicated team of Secretaries of different Clubs organized 51 events spanning cultural, literary, technical, and sustainability-driven domains. More than 100 students achieved victories in competitions at intra- and inter-university levels.

LITERARY EXCELLENCE

The Literary Club organized the Turncoat Debate Competition and the Poetry Competition on 23rd November 2024 and 19th February, 2025, respectively

Technical Innovation

The Coding & Robotics Club organized the following:

- Generative AI Artistry on 24th September 2024 that showcased the fusion of technology and creativity, as students created artworks using cutting-edge AI platforms.
- The Web Development Competition that challenged participants to design functional, user-friendly websites was held on 12th February 2025.
- Build with AI, was organized in collaboration with Google Developer Groups (GDG) Kanpur on 20th April 2025, and it gave students hands-on exposure to advanced AI and machine learning tools.

Sports and Fitness

The Fitness Club organized the Interdepartmental Basketball Championship on 9th November 2024.

Creative and Cultural Expression

Events such as the Dussehra Fest and the Literary Fest brought together diverse performances, exhibitions, and showcases of talent, making them milestones in the University's cultural calendar.

The Cooking Club introduced a fresh dimension through the No Flame Feast, which challenged students to prepare innovative dishes without conventional cooking methods.

Sustainability and Green Innovation

The Gardening Club made a powerful impact through its Plants: Love of Life workshop held on 12th April 2025. Students learned to transform natural waste into eco-friendly craft items such as floral candles, bookmarks, and bouquets.

FACULTY AWARDS AND HONOURS

FACULTY AWARDS AND HONOURS

- **Dr. Shreya Singh**, faculty member of the School of Advanced Agriculture Science and Technology, was selected for the prestigious Australia–India Women Researchers Exchange Program. As part of this program, she spent two months (March–May 2025) at the University of Newcastle, Australia, collaborating with leading STEM scientists on climate-resilient agriculture. Notably, she was among only five women researchers from India chosen for this distinguished opportunity.
- **Dr. Hina Vaish** from the Department of Health Sciences, received the Outstanding Platform Presentation Award for the Asia Western Pacific Region at the World Physiotherapy Congress 2025, held in Tokyo from 29–31 May 2025.
- **Dr. Shubham Bajpai and Dr. Ankit Singh Bhadauria** from the School of Advanced Agriculture Science and Technology both won Best Young Scientist Award during Global Conference on Smart Horticulture for Prosperity and Nutritional Security (GCSH-2025) organised by College of Horticulture, University of Horticultural Sciences, Bagalkot, Karnataka
- **Dr. Ajit Kumar Srivastava** from Department of Electronics and Communication Engineering, UIET was conferred the NPTEL Discipline Stars Award given for completing NPTEL courses whose duration totals to 50 weeks or more and with greater than 55 marks in each course.
- **Dr. Himanshu Trivedi** from the School of Advanced Agriculture Science and Technology won the Prof. R.K. Pathak Best Teacher Award 2023 awarded by the Indian Society of Horticultural Research and Development (ISHRD) for his outstanding contribution in the field of horticulture at Progressive Horticulture National Symposium (PHNS-2024) held at HNBGU, Srinagar, during 17-19 October, 2024.
- A painting by **Dr. Raj Kumar Singh**, faculty member of the Department of Fine Arts, was selected by the prestigious Bombay Art Society for display at the renowned Jehangir Art Gallery in March 2025, while an artwork by **Ms. Tanisha Wadhawan** from the same school was exhibited at the prominent Indian Academy of Fine Arts (IAFA), Amritsar.
- The Fine Arts students and teachers won **First Prize at the Raj Bhawan Flower Exhibition** for their intricately crafted Ganesh Sculpture, earning pride and distinction for the department in February.

HOSTEL EVENTS AND AWARENESS INITIATIVES

HOSTEL EVENTS AND AWARENESS INITIATIVES

The hostels of the University are more than residential spaces; they are dynamic centres that nurture learning, culture, discipline, and social responsibility. Throughout the academic session of 2024–25, the men's and women's hostels organized a diverse range of programs and initiatives that engaged students in meaningful ways. These included health awareness drives, cultural and religious celebrations, sports competitions, social responsibility initiatives, and discipline-building sessions.

HEALTH AND SAFETY AWARENESS

- A Cervical Cancer Awareness Program was organized in Tatya Tope Senate Hall, where senior dignitaries including addressed students on preventive healthcare.
- A Self-Defense Workshop for Women (18 January 2025), jointly organized by Axis Bank and CSJMU, empowered female students with self-defense techniques. DSP Vinod Kumar Yadav (U.P. Police) shared information on women's rights, helplines such as 1090, and government support systems for safety.

CULTURAL AND RELIGIOUS CELEBRATIONS

- On Basant Panchami, a Saraswati Puja was celebrated in Saraswati Girls' Hostel with the active participation of wardens and students.
- On Janmashtami, students established an idol of Lord Krishna in the hostel premises and celebrated the festival with devotion.
- During Navratri, a Dandiya Night was organized at the campus helipad. Senior Ayurvedacharya Dr. Vandana Pathak graced the event as Chief Guest. The program featured cultural performances and enthusiastic student participation.
- On Diwali, hostels promoted an eco-friendly celebration by encouraging students to light diyas instead of bursting firecrackers, thereby reducing environmental harm.

SPORTS AND CREATIVE COMPETITIONS

- An Inter-Hostel Sports Competition at the campus stadium witnessed active participation by both male and female hostel residents. Winners were honored with medals, trophies, and certificates.
- A Rangoli Competition at Saraswati Girls' Hostel provided a platform for students to express creativity through traditional art forms.

DISCIPLINE AND AWARENESS INITIATIVES

- Regular orientation meetings were conducted by wardens and the Dean of Student Welfare to remind residents about hostel rules, respectful behaviour, and maintaining a conducive learning environment. Students were encouraged to adopt values of punctuality, cooperation, and mutual respect.
- As part of Anti-Ragging Awareness, posters and circulars highlighting the Zero Tolerance Policy were displayed across hostels. Freshers were oriented on their rights, university support systems, and UGC guidelines against ragging. Wardens emphasized that ragging is a violation of human dignity and carries strict legal consequences.

SOCIAL RESPONSIBILITY INITIATIVES

- Following the terrorist attack at Pahalgam, Kashmir, a Candle March was organized to pay homage to innocent victims. The march started from the helipad and concluded at the Saraswati Statue near the Administrative Building.

CENTRE FOR WELLBEING

CENTRE FOR WELLBEING

The Centre for Wellbeing at Chhatrapati Shahu Ji Maharaj University, Kanpur, was inaugurated on January 30, 2025. The Chief Guest was Dr. Amaresh Shrivastava, Psychiatrist and Professor Emeritus, Western University, Canada.

The Centre, located in the School of Arts, Humanities and Social Sciences functions Monday to Saturday, 10:00 AM to 5:00 PM.

Vision and Processes

The Centre was established to promote mental health and emotional resilience among students, faculty, and staff.

Each client undergoes a structured process involving consent, case history, clinical assessment, and personalized counselling. Based on severity, therapy sessions are scheduled, with referrals made to psychiatrists and family engagement encouraged where required.

The Centre follows strict ethical standards, ensuring informed consent, confidentiality, beneficence, and non-maleficence. Data is used only for official purposes, and confidentiality is lifted only in case of imminent risk.

The Centre delivers a wide spectrum of evidence-based therapies, including:

- CBT, Behavioural Activation, ACT, and Supportive Psychotherapy for mood disorders.
- Exposure Therapy, Relaxation Training, and Mindfulness for anxiety and panic.
- DBT and Schema Therapy for personality and identity concerns.
- Trauma-Focused CBT and Narrative Therapy for survivors of abuse and violence.
- Family Therapy, Couple Counselling, and IPT for relationship conflicts.
- Motivational Interviewing, NLP, and Assertiveness Training for personal development.

Beyond clinical concerns, the Centre addresses exam stress, internet addiction, peer pressure, anger, low confidence, sleep problems, and time management, ensuring a holistic approach to student wellness.

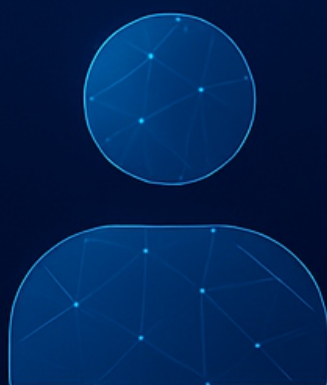

Assessments and Internships

The Centre provides standardized psychological assessments including cognitive and neuropsychological testing, personality measures, and diagnostic clarification, aiding in accurate treatment planning.

This year, six students of the Postgraduate Diploma in Guidance and Counselling successfully completed internships at the Centre. They gained exposure to clinical interviews, assessments, counselling, CBT, anger management, and career counselling, thus preparing them as future professionals in mental health.

STATISTICAL REPORTS (February – August 2025)

Total cases	199
New cases	36
Follow up cases	166
Number of case work up done	31
Number of counselling sessions taken	185
Number of therapies delivered	19 (ongoing)
Toal number of assessments conducted (both Offline & Online)	1306 + (ongoing)
Internships offered	6

YOGA OPD

YOGA OPD

As part of the International Day of Yoga 2025 celebrations, the Yoga OPD was inaugurated on June 19, 2025 (Thursday) at Chhatrapati Shahu Ji Maharaj University, Kanpur. The purpose of this OPD is to provide yoga therapy services to students, faculty members, officers, staff, as well as the general public. Various yoga practices such as asanas, pranayama, meditation, kriyas, and shatkarmas are used here to treat different ailments.

The Yoga OPD functions daily from 7:30 AM to 10:00 AM, offering yoga therapy services in both online and offline modes.

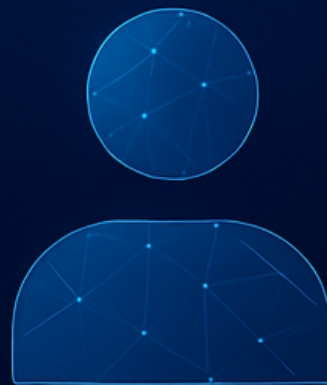

Depending on specific health conditions, one-month yoga therapy camps are organized using both online and offline methods. The diagnosis and sessions for patients coming to the OPD are conducted by Dr. Rajnikant Vishisht, Assistant Professor of Yoga, with active support from research scholars and postgraduate students of Yoga.

So far, nearly 100 patients have benefited from the yoga therapy services.

A dedicated YouTube channel, CSJMU YOGA OPD, has also been launched to promote yoga OPD activities. It features yoga instructional videos, practice modules, and learning resources for students and faculty.

HEALTH CENTRE

HEALTH CENTRE

The Health Centre of CSJMU has remained steadfast in its mission to provide accessible, preventive, and responsive healthcare to the university community throughout the academic year 2024–25. Over the year, the center delivered a wide range of medical, physiotherapy, and diagnostic services to students, staff, faculty and nearby community to more than 13,800 patients.

In line with the Prime Minister's vision to eliminate tuberculosis well before 2030, and under the guidance of the Hon'ble Chancellor, the University undertook a major social responsibility initiative to support deprived communities through affordable healthcare and nutrition. The University adopted 100 TB patients, providing them with nutritional support and regular counselling.

The year also featured several special health initiatives aimed at community well-being. Voluntary blood donation camps were organized, encouraging students and staff to contribute towards life-saving transfusions. More than 200 units blood has been donated. Kidney screening camps were held for early detection of chronic kidney disease risk factors, ensuring timely referrals and lifestyle guidance. Obstructive Sleep Apnea (OSA) screening programs helped identify individuals with potential sleep-related breathing disorders, while anaemia screening drives targeted both students and staff to detect and manage iron deficiency and related conditions. These targeted health screenings added a valuable preventive dimension to the center's services and strengthened the culture of proactive health management within the university. Several Swarnaprashan events were also organized to strengthen children's immunity, while awareness sessions on nutrition guided the university community towards healthier lifestyles. In addition to physical health initiatives, the centre actively promoted wellness and mental well-being.

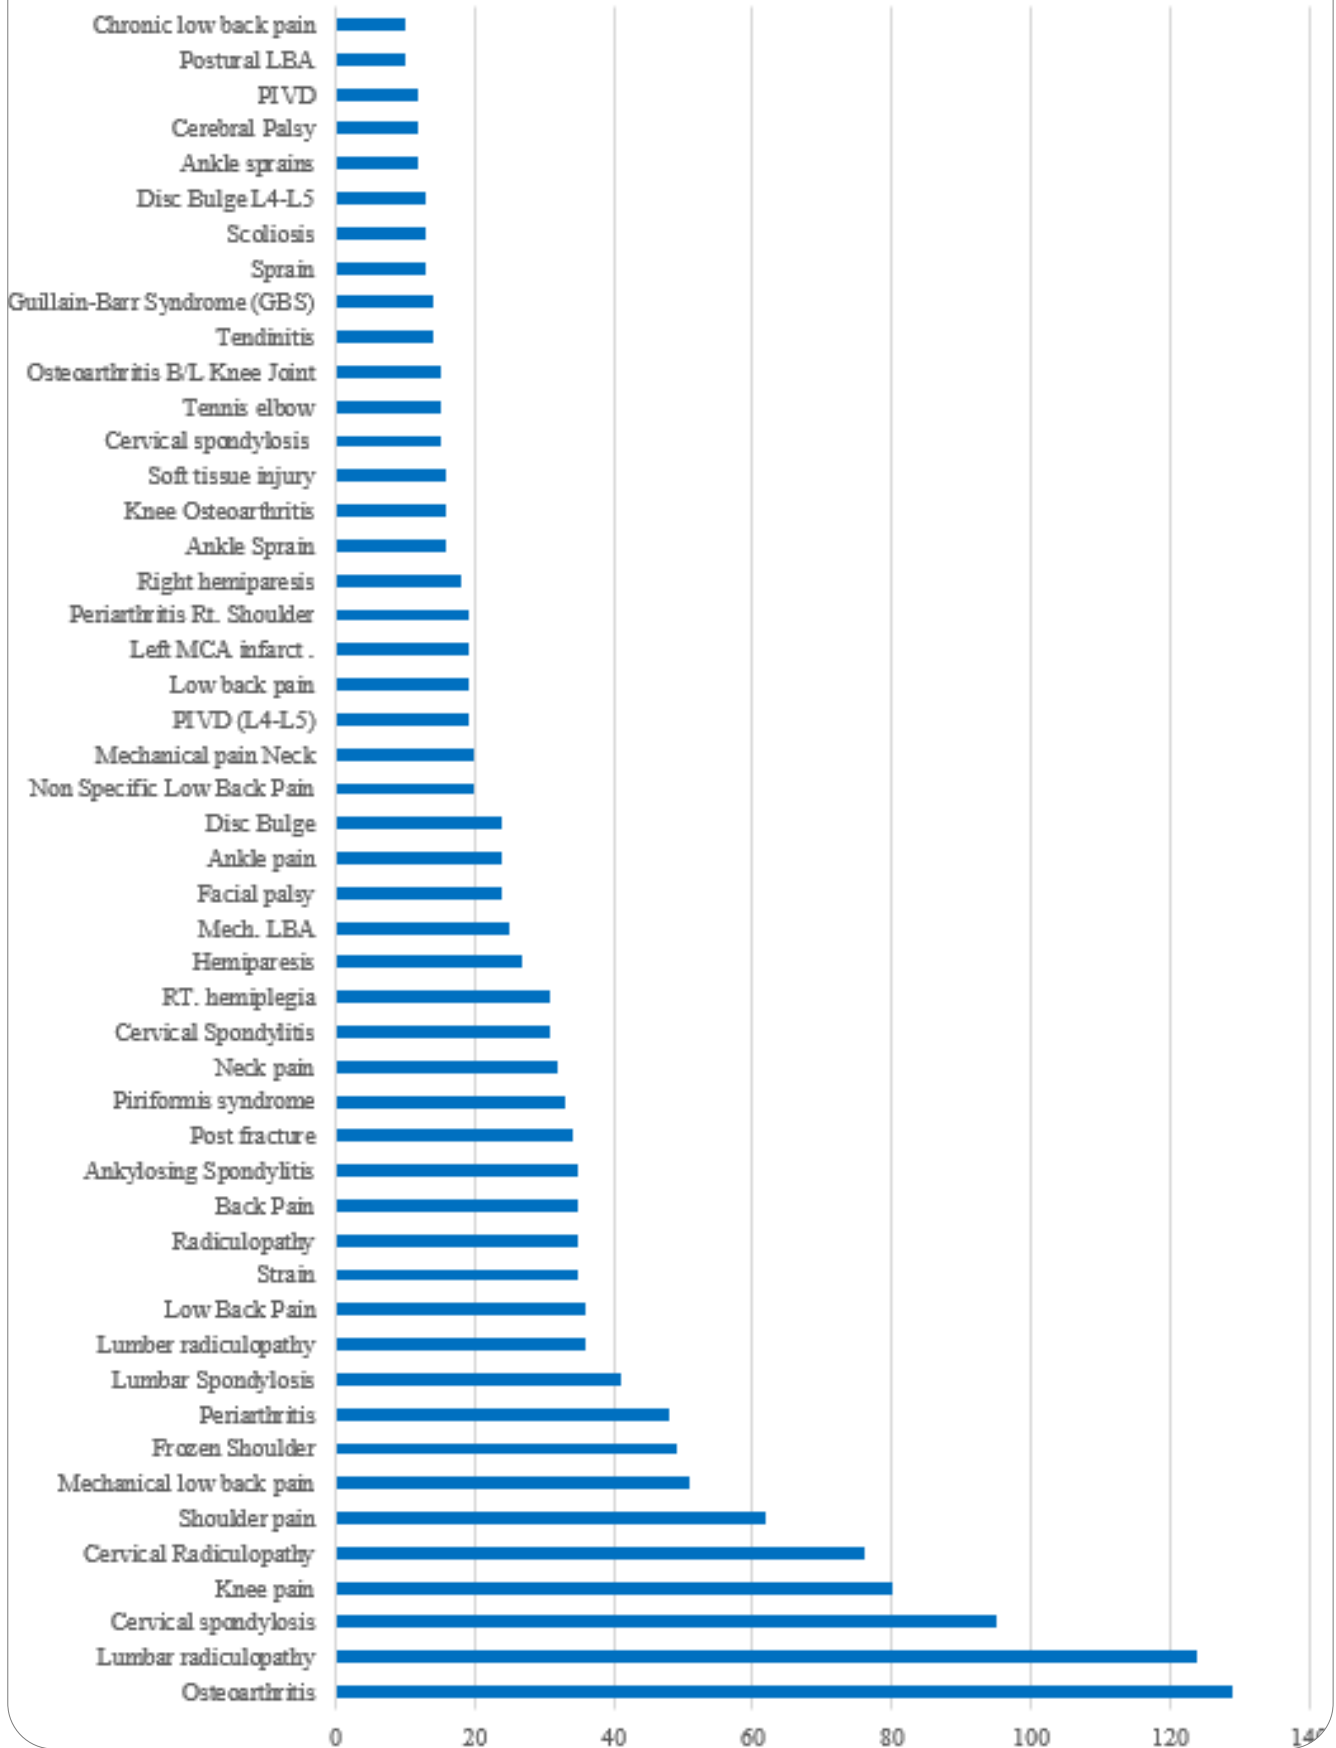

- On World Physiotherapy Day, educational sessions on posture and ergonomics were conducted. World Sight Day raised awareness about eyes and early screening.
- World Heart Day raised awareness about keeping the heart healthy through exercise, yoga and life style changes.
- Stress management sessions was organized regularly, alongside counselling services by trained psychologists for students facing academic or personal pressures.
- The University invested significantly in strengthening health infrastructure. A new X-ray unit was installed in 2024, improving diagnostic capabilities. Additionally, a 24-hour ambulance service was introduced, ensuring timely response in critical situations and extending the reach of medical care beyond the campus.
- One of the most transformative milestones this year was the digitization of healthcare delivery at the School of Health Sciences. In collaboration with Health Compass Pvt. Ltd., a DPIIT-recognized startup incubated at the CSJM Innovation Foundation, the University implemented a fully digital healthcare system powered by an indigenous Electronic Medical Records (EMR) platform.
- Within just four months, every step of the patient journey—from appointment booking and consultation to diagnostics, billing, and report delivery—was seamlessly integrated into a 100% paperless, cashless, and transparent digital ecosystem powered by our home grown Electronic Medical Records (EMR) platform.
- This initiative represents more than a technological upgrade—it marks a cultural shift towards data-driven, accessible, and patient-centric healthcare. CSJMU now stands as a national model for digital health innovation in higher education institutions.
- CSJMU's healthcare services are designed to be inclusive and affordable, ensuring that economically deprived and underprivileged patients receive quality care at minimal cost.

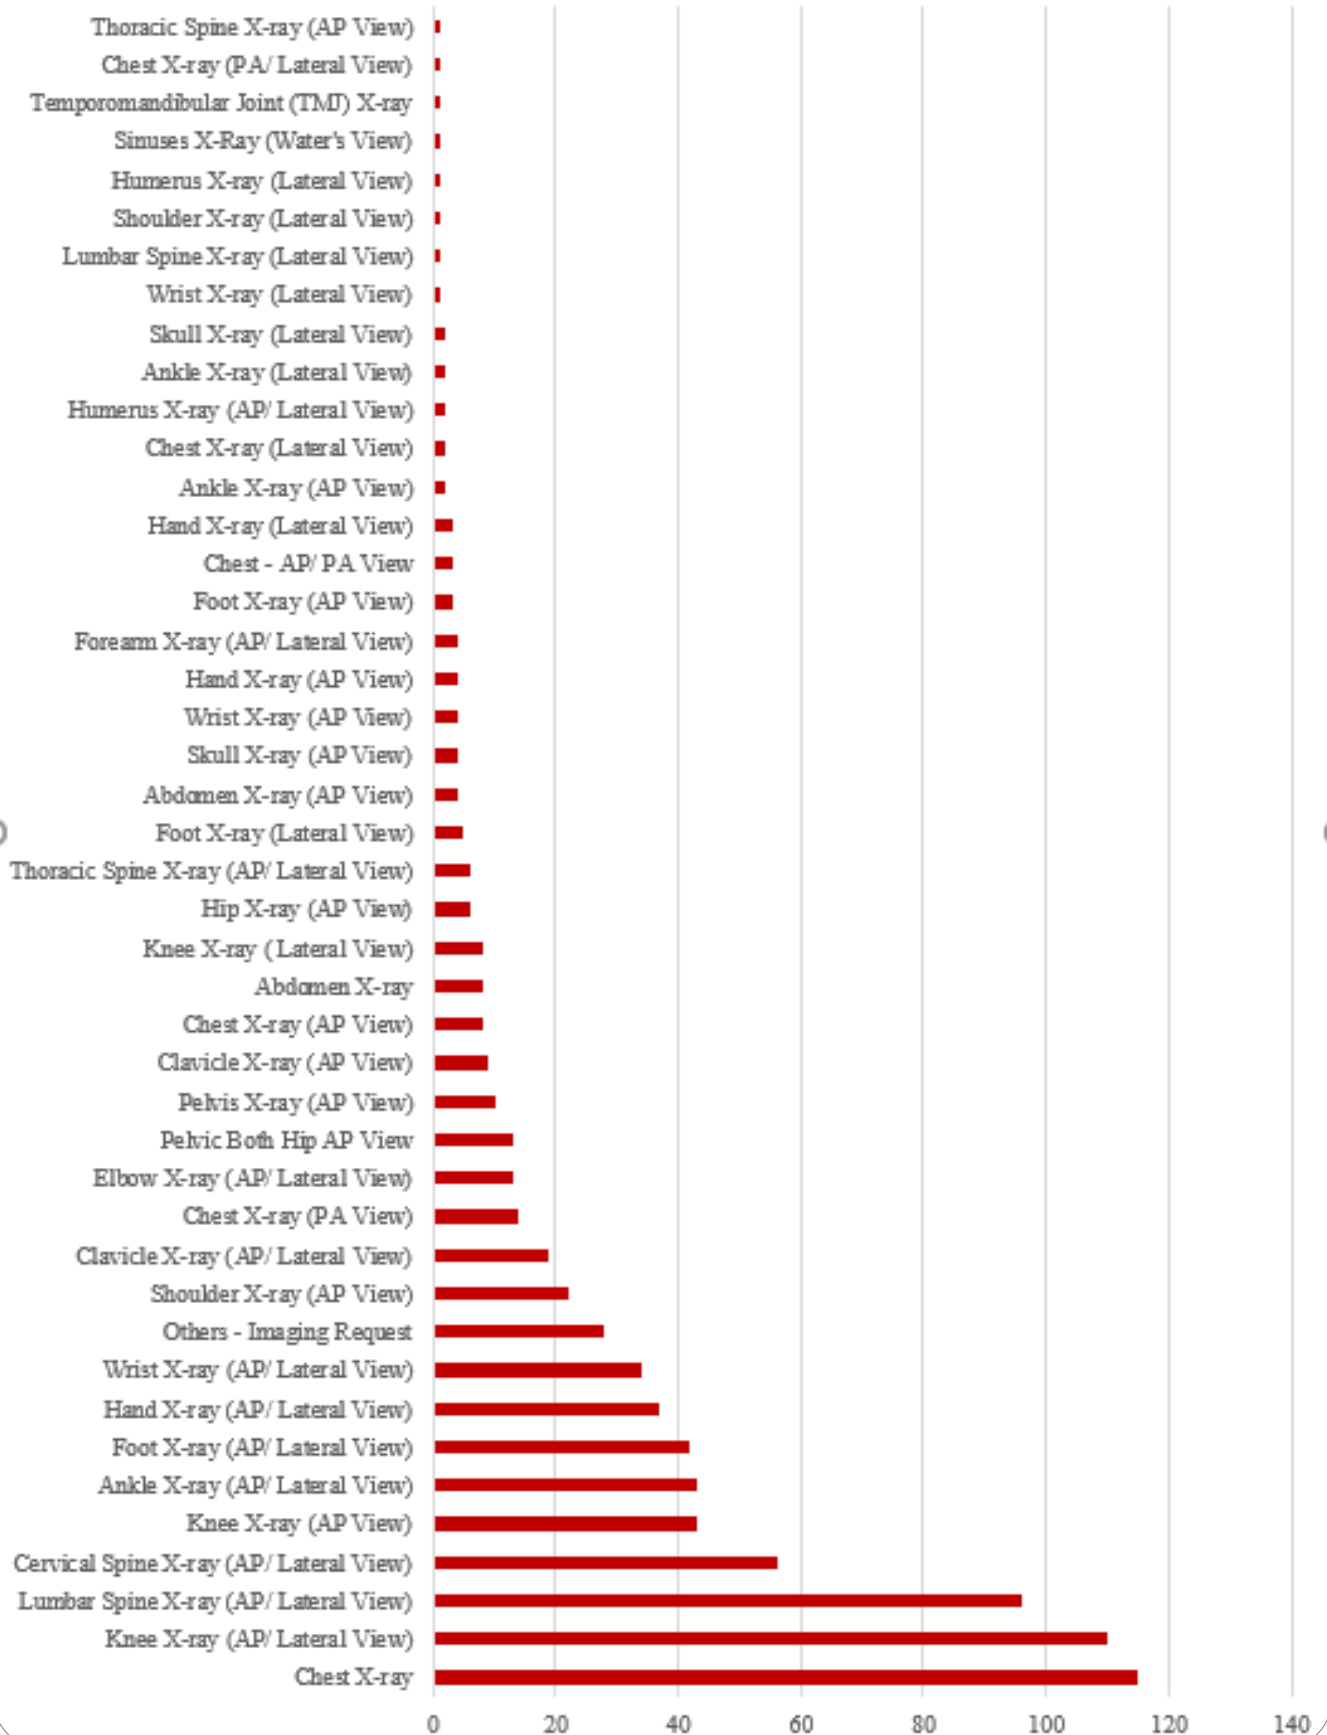

For students of health sciences, these services provide invaluable clinical exposure. Both undergraduate and postgraduate students are trained through rotations in OPDs and affiliated hospitals, with new partnerships established in 2025, including with Amrita School for Special Children. The OPDs now cater to patients across all age groups—from paediatric to geriatric—aligning with the University's vision of “adding years to life and life to years.”

Number of Physiotherapy Cases Treated

Number of X-rays Performed

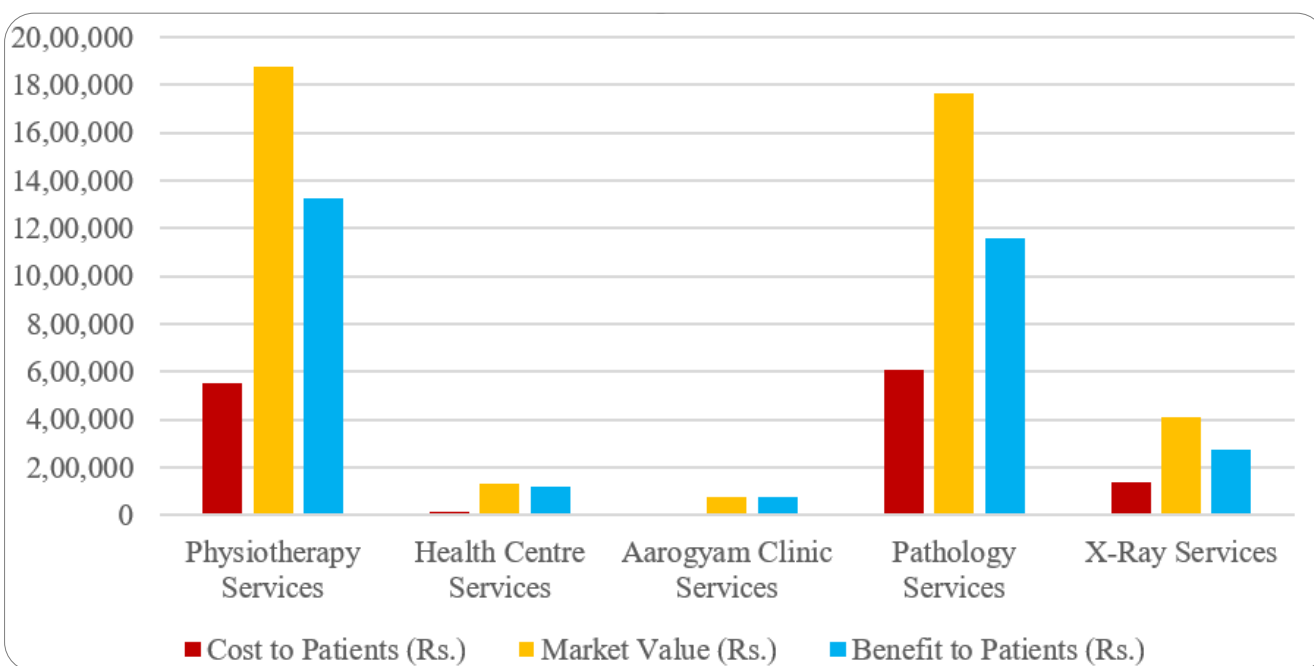

MILESTONES

Between 1st July 2024 and 31st July 2025, C.S.J.M. University provided health services to patients amounting to ₹13,09,576 (Thirteen Lakhs Nine Thousand Five Hundred Seventy-Six only). For comparable services at commercial/market rates, the cost would have been approximately ₹41,81,498.40 (Forty-One Lakhs Eighty-One Thousand Four Hundred Ninety-Eight and Forty Paise only). Thus, patients availed a net benefit of ₹28,71,922.40 (Twenty-Eight Lakhs Seventy-One Thousand Nine Hundred Twenty-Two and Forty Paise only) through the university's healthcare facilities.

Comparative Analysis of University rates and Market rates of Different services provided by Physiotherapy OPD

Service	No. of Patients Treated	Cost to Patients (Rs.)	Market Value (Rs.)	Benefit to Patients (Rs.)
Physiotherapy Services	9382	5,51,400	18,76,400	13,25,000
Health Centre Services	653	13,080	1,30,600	1,17,520
Aarogyam Clinic Services	366	0	73,200	73,200
Pathology Services	2780	6,07,896	17,62,898.40	11,55,002.40
X-Ray Services	664	1,37,200	4,11,600	2,74,400

NATIONAL CADET CORPS (NCC) ACTIVITIES

NATIONAL CADET CORPS (NCC) ACTIVITIES

The NCC Unit of CSJM University has played a vital role in nurturing leadership qualities, discipline, and national pride among students during 2024–25. Through training, participation in camps, community outreach, and representation at national platforms, the cadets have upheld the values of service, unity, and integrity, thereby enhancing the University's contribution to nation-building.

- **Enrolment:** The unit enrolled a total of 87 cadets – 49 boys and 38 girls
- **Participation in Camps:** Cadets University participated in a range of training camps organized at different levels.
 - (a) Combined Annual Training Camps (CATC): 57 cadets
 - (b) Republic Day Camp (RDC): 11 cadets
 - (c) Vayu Sainik Camp (VSC): 15 cadets
- **Awards and Recognitions:** The cadets of the unit brought laurels to the University by achieving distinctions at prestigious platforms:
 - (a) Cadet Shilendra Singh was selected for the Republic Day Camp, New Delhi.
 - (b) CWO Raju Ranjan Yadav and CWO Mani Shukla were awarded the Best Cadet title at the Inter Group Competition (IGC)
- **Social and Outreach Activities:** The unit demonstrated social commitment by organizing and participating in several community service programs:
 - a) Cleanliness drives under the Swachh Bharat Abhiyan.
 - b) Blood Donation Camps, where three cadets each from the School of Health Sciences and the 03 UP Air Squadron donated blood.
 - c) Tree plantation drives and environmental awareness rallies within the University campus.
 - d) Observance of Kargil Vijay Diwas
 - e) Celebration of Rakhi festival at an orphanage, fostering a spirit of social responsibility.

NATIONAL SERVICE SCHEME (NSS) ACTIVITIES

NATIONAL SERVICE SCHEME (NSS) ACTIVITIES

UNITS & ENROLMENT

At present, 67 NSS units are functioning under CSJMU, including 6 units within the University campus and 61 units in affiliated colleges. Nearly 6,700 student volunteers are actively associated with the scheme, and as per government directives, each unit has adopted a village or locality to carry out community service.

COMMUNITY OUTREACH

During the year, 46 units organized one-day and seven-day special camps in their adopted villages/localities, with about 2,200 volunteers participating in community service. Medical camps were also organized in these villages with the help of qualified doctors. From 17 September to 2 October 2024, volunteers from all units served daily in 46 government hospitals, where groups of five volunteers assisted patients. In addition, under the Filaria Eradication Program, nearly 3,250 individuals were given the required dosage through community health centres.

NATIONAL & SOCIAL PROGRAMS

The NSS successfully implemented several programs of national importance in accordance with the Ministry of Youth Affairs and Sports, including the National Youth Parliament, Meri Maati Mera Desh, Amrit Kalash Yatra, My Bharat Wali Diwali, and the Women Empowerment Campaign.

RECOGNITION & DIGITAL INITIATIVES

Through dynamic leadership, effective implementation, and digital reporting, the University's NSS Cell earned special recognition among all NSS cells in Uttar Pradesh and received a Certificate of Appreciation from the Ministry of Youth Affairs and Sports. The Mahatma Gandhi Seva League Online Portal was launched on 2 October 2023, under which activities such as "From Beggary to Scholarship" and "Personal Cleanliness to Social Cleanliness" are being carried out and uploaded by each unit. In addition, the Ministry has made it mandatory for all units to upload their activities on the My Bharat Portal.

SPECIAL OBSERVANCES

On International Yoga Day (21 June 2024), yoga practice sessions were organized in adopted villages with the participation of around 2,100 volunteers. A one-day orientation training program for NSS Programme Officers was also conducted.

ACHIEVEMENTS & PARTICIPATION

Five volunteers represented CSJMU at the Republic Day Parade Camp 2024 in Ranchi, and one volunteer participated in the Republic Day Parade Camp in New Delhi in January 2025. Another volunteer took part in the Independence Day Parade 2025 at the Red Fort, New Delhi. Volunteers also participated in the National Integration Camp at Bareilly and in camps held at Jaipur and Bhubaneswar. In addition, NSS Programme Officers represented Uttar Pradesh as contingent leaders at regional directorate-level programs.

YOUTH PARLIAMENT

The University organized a Youth Parliament in which 10 volunteers were selected to participate at the state level. Two volunteers secured second and third positions in the competition, and following the screening, Ms. Vaishnavi Gupta and Ms. Anushka Shukla were chosen to represent the University at the National Youth Parliament in New Delhi, bringing laurels to CSJMU.

AWARDS & HONOURS

To encourage and recognize their contributions, awards and certificates of appreciation were distributed periodically to volunteers and Programme Officers. Each year, four volunteers receive the Karmveer Award, three Programme Officers are honoured with the Ganesh Shankar Vidyarthi Award, and the best-performing NSS units are felicitated with the Swami Vivekananda Award during the University's Foundation Day celebrations.

A wireframe illustration in light blue on a dark blue background. It features a graduation cap at the top, a globe with a five-pointed star in the center in the middle, and a diploma at the bottom. The entire graphic is composed of interconnected lines and dots, giving it a digital or network-like appearance.

MUKHYAMANTRI ABHYUDAY SCHEME

MUKHYAMANTRI ABHYUDAY SCHEME

The Mukhyamantri Abhyuday Scheme is a flagship initiative by the Uttar Pradesh government to offer free coaching for students preparing for major competitive examinations, aiming to support meritorious yet economically disadvantaged youth across the state. The scheme includes online and offline classes, expert guidance, study materials, webinars, and modern infrastructure such as smart classrooms and e-learning platforms.

The University has established modern infrastructure with smart classrooms and e-learning platforms to provide free coaching for competitive exams such as UPSC, UPPSC, SSC, NEET, JEE, NDA, and others. The initiative ensures equitable opportunities for students from rural and economically weaker backgrounds by blending traditional and digital learning. Guidance is offered by senior officers and subject experts, along with career counseling, doubt-solving sessions, and access to quality study resources. Selection is merit-based through aptitude tests, fostering an inclusive, merit-driven learning environment that empowers students to compete confidently at national and state levels.

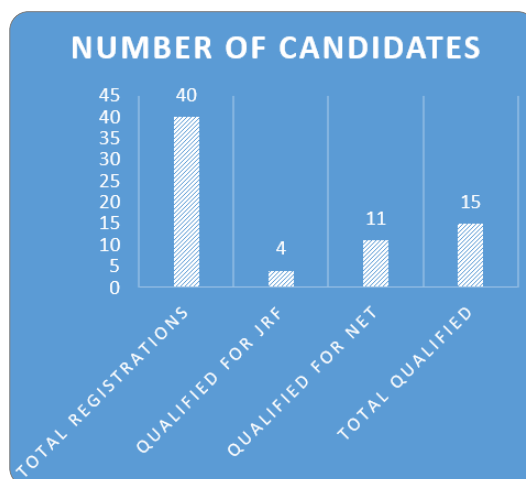

CLASSES FOR NTA-NET

The Department of Education, CSJMU, Kanpur initiated NTA-NET (Education) preparation classes under the Mukhyamantri Abhyuday Yojana to support research scholars and postgraduate students. A One-Day Orientation Programme was held on 7 April 2025, providing motivation and mentorship from eminent academicians. A total of 40 candidates registered, of which 4 qualified for JRF (10%) and 11 for NET (27.5%), marking an overall success rate of 37.5%. This outcome highlights the scheme's effectiveness in enhancing academic competitiveness and research potential.

Summary of Registrations & Results

CLASSES FOR UPPCS

In 2024–25, 106 students enrolled in UPSC/UPPCS coaching at CSJMU, with 2 qualifying UPPCS (Prelims) and 1 clearing the UP Police Exam. Motivational sessions by IAS/IPS/PCS officers, printed study material, regular tests, and personalized mentoring ensured quality preparation. Under the Abhyuday Yojana, teachers are selected annually through a rigorous process, and for 2025–26, 16 subject experts were appointed. In the current session, 122 students have enrolled, with daily classes conducted in two batches. The program is closely monitored through surprise inspections by District Social Welfare Officer and Deputy Director, Social Welfare, Kanpur Division, Kanpur Nagar ensuring effective implementation.

ALUMNI CELL

ALUMNI CELL

The Alumni Cell of the University actively engaged in a series of initiatives during the academic year 2024–25 to strengthen the bond between the university and its alumni network. The activities were aimed at fostering meaningful connections, enhancing student exposure, and building a robust culture of mentorship, placements, and community service.

A total of more than 18 major events were conducted, ranging from invited lectures, placement and internship drives, conferences, alumni talks, and community outreach programs.

KEY HIGHLIGHTS

- Invited lectures by distinguished alumni such as Mr. Manash Mishra and Mr. Piyush Mishra, sharing insights on ethics, leadership, and professional success.
- Multiple internship and placement drives facilitated by alumni in collaboration with top organizations including SIS Ltd, Gridit Ventures, Deep MFD Pvt. Ltd., SBI Life, Paisalo Digital Ltd., and SOTC Travel Ltd.
- Active participation of alumni in international academic events such as the International Conference on Entrepreneurship & Innovation held in collaboration with Astana International University, Kazakhstan.
- Community engagement programs like Diwali celebrations in Old Age Homes and distribution of blankets, strengthening the social responsibility dimension of alumni-student collaboration.
- Foundation Day celebrations and Distinguished Alumni Felicitation, recognizing achievers such as Shri Satish Mahana, Hon'ble Speaker of the UP Legislative Assembly.
- Special Alumni Talks and sessions on health, wellness, and holistic development conducted by professionals from the alumni network.
- Industrial visits facilitated through alumni linkages, enhancing the industry-academia interface.
- Strengthening Alumni–University Rapport by organizing recognition ceremonies, alumni meets, and collaborative academic events and involving the alumni in academic and extracurricular initiatives.

ALUMNI CELL EVENTS

Event	Date	Alumni Involved	Type of Activity
Diwali Celebration in Old Age Home & Rajkiya Bal Grah	2024	Alumni Association & Students	Community Service
Distribution of Blankets and Sweaters at Old Age Home	2024	Alumni & Faculty	Community Service

Industrial Visit of MBA Students to Jet Netware Company	2025	Facilitated via Alumni Network	Industrial Visit
Alumni Talk by CA Arjit Gupta	2025	CA Arjit Gupta (Secretary Alumni Association)	Alumni Talk

COLLEGE DEVELOPMENT COUNCIL

COLLEGE DEVELOPMENT COUNCIL

- **On Teacher's Day (5th September 2024)**, the University honoured 44 retired teachers from affiliated colleges for their dedicated service. The Dr. Gaur Hari Singhanian Research Award was conferred on ten teachers for distinguished research contributions. In addition, sixty question bank writers and ten Moderation Committee members were felicitated with honorarium in recognition of their academic support.
- To further promote research, the University provided financial assistance to 13 affiliated/government colleges for teacher participation in national seminars and conferences, and supported three faculty members in presenting research papers at international/national forums.

Sl. No.	Name of the College	National Seminar/Conference on	Amount

- Third-year students of affiliated colleges were encouraged to pursue **Cyber Security** courses with employment-oriented training, and continuous support was extended to ensure effective delivery, yielding positive outcomes.
- On **Rashtriya Seva Yojana Sthapna Diwas** (24 Sept 2024), POs received the **Ganesh Shankar Vidyarthi Award**, volunteers were honoured with the Karamveer Award, and outstanding NSS units with the **Swami Vivekanand Award**.

- In Sept 2024, the University conducted selection processes for affiliated colleges' self-financed courses, resulting in 327 appointments of Principals, HoDs, and faculty.
- The Innovation Foundation organized regular workshops to promote entrepreneurship, innovation, and startups among students and faculty.
- Faculty grievances in affiliated colleges were addressed promptly through regular support.
- A five-day workshop on Remote Sensing & GIS was conducted in collaboration with IIT Kanpur (1–5 Oct 2024).
- Continuous guidance was provided for NAAC accreditation, enabling colleges such as DAV, DG, PPN, and Jagran to successfully complete assessments.
- The University facilitated recognition of colleges as study centres under ODL.
- A Brainstorming Session on NEP Implementation was held in collaboration with IIT Kanpur (25 Oct 2024).
- National Statistics Day was celebrated (16–22 Dec 2024) with active participation from students and faculty.
- Inspection teams ensured smooth conduct of Special Assistant Exams 2024–25 across seven districts (Dec 2024 & Feb 2025)
- On Republic Day, cultural competitions (painting, rangoli) and a grand parade on Maha Kumbh were jointly organized (25–26 Jan 2025).
- The University contributed to the AI for All course curriculum for B.A., B.Sc., and B.Com.
- A committee was formed to implement FYUP from 2025–26 in line with NEP 2020, with regular expert consultations.
- Regular meetings with affiliated colleges were held to resolve Samarth Portal issues.
- Workshops were organized to promote SWAYAM courses, with University support in subject selection.
- A workshop on the PM Internship Scheme 2025 was conducted (28 Feb 2025) with UG and PG student participation.
- On International Women's Day, cultural events and pledges for a Drug-Free and Corruption-Free India were undertaken.
- The University actively contributed to the Ek Bharat Shreshtha Bharat program of the Ministry of Youth Affairs.
- Under the Documentation Awareness Campaign (DST), PG students and faculty participated in the Documentation Fest at IIT Kanpur (22–23 Mar 2025).
- In Mar–Apr 2025, 142 faculty members were recruited for self-financed courses through University selection processes.
- A dialogue program “Verma Sir ki Pathshala”, in collaboration with Amar Ujala, was held for school students (12 Apr 2025).
- On Dr. B.R. Ambedkar Jayanti (14 Apr 2025), speech competitions were organized for SC students, with preliminaries at colleges and finals at the University.
- Under the PEHLE-UP Project, courses were aligned with AEDP in affiliated colleges, yielding excellent results.
- The Student Council organized Vividhotsav 2025 (14–17 Apr) with wide student participation.

- Online inspections for affiliation extension were conducted in Auraiya and Farrukhabad districts.
- NEP Cell inspections ensured fair conduct of May–June 2025 examinations.
- Christ Church College, Kanpur conducted faculty recruitment interviews (11–20 Jun 2025) under UP Govt. supervision.
- On International Yoga Day, Surya Namaskar sessions were conducted across affiliated colleges with mass participation.
- Faculty CAS promotion applications were processed regularly under VC supervision.
- The University actively contributed to preparation of the Admission Booklet 2025–26.
- A Question Bank Committee was constituted to support students in Learning Assessment Examinations under NEP.
- Meetings with Principals across districts were held to boost student enrolment and expand skill-oriented programs.
- Principals were actively engaged in data feeding and authentication on the Samarth Portal.
- The University supported the Independent Faculty Recruitment Drive for self-financed institutions (July 2025).
- The University celebrated five years of NEP with NEP Week (29 Jul 2025), graced by Padmashree Prof. H.C. Verma.
- In Jul–Aug 2025, 335 faculty appointments were made for self-financed courses of affiliated colleges.
- The University coordinated the National Student Environmental Competition (NSPC–2025) (4 Jul–21 Aug 2025), fostering environmental awareness and civic responsibility.

PROJECT MONITORING UNIT (PMU)

PROJECT MONITORING UNIT (PMU)

The Project Monitoring Unit (PMU) has been established to cater to all application software requirements of the University. Through in-house software development, the PMU has enabled timely project execution, enhanced productivity, and significant cost savings. At present, the PMU is entrusted with the implementation and management of various modules of the Samarth Portal, particularly those related to Academics and the Student Lifecycle.

SAMARTH AT CSJMU

The Samarth Portal is an e-governance platform developed by the Government of India to support universities and higher education institutions in digitizing their processes. The University has successfully implemented several important academic and administrative functions under the Samarth Portal.

- Through the Samarth Portal, the admission process for both 2024–25 and 2025–26 sessions was successfully managed. This has made the entire admission system more organized and transparent for students.
- Examinations for the 2024–25 session were also conducted through the portal, and the results were declared online, ensuring a smooth and efficient process for both students and the university.
- Using the portal, students of the 2024–25 session were able to apply for and receive Migration Certificates and Provisional Certificates in a hassle-free manner. By integrating these services into Samarth, students no longer need to face manual delays and can access these documents easily.
- One of the key developments has been the introduction of facilities for Marksheet Printing, Secret Chart Printing, and Bulk Degree Printing. These services have added great value, making academic document management faster and more reliable.
- The LMS (Learning Management System) module of Samarth has been actively utilized to launch three vocational courses – Cyber Security, AI for All, and Financial Literacy. Students are now able to learn these new-age skills directly through the portal, which enhances their academic as well as professional development.
- The portal has also been used for Attendance Monitoring of campus students, which has helped in maintaining academic discipline and ensuring better engagement in classrooms.

E-GOVERNANCE SYSTEM

Through this e-governance system, the university has simplified and streamlined its administrative and academic processes, ensuring greater transparency and providing all stakeholders with improved services and experiences.

MEDICAL STUDENTS DOCUMENT VERIFICATION

The PMU has introduced a faceless online portal enabling medical students to apply for duplicate marksheets digitally. In addition, the document verification process, earlier conducted offline, has been fully integrated into the Document Verification Portal, allowing online verification and direct download of certificates.

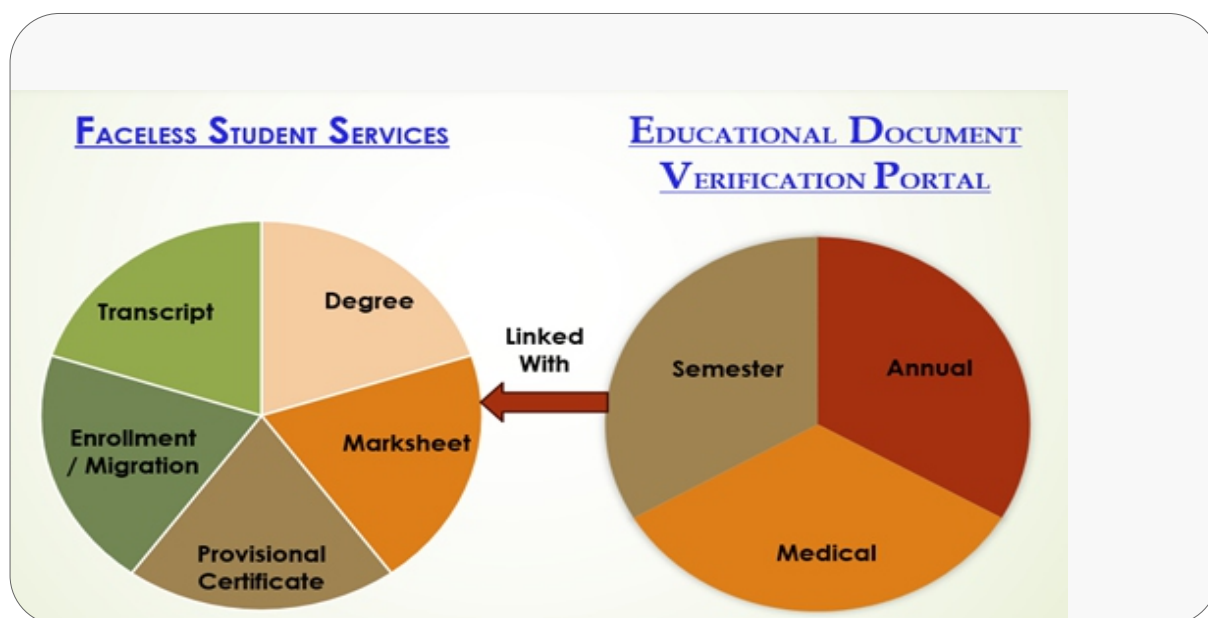

STUDENT SUPPORT CELL

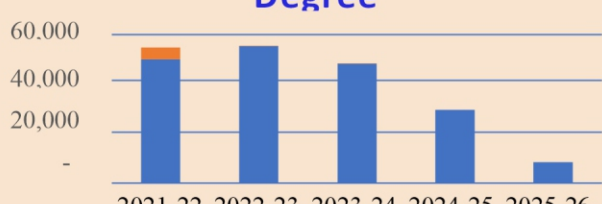

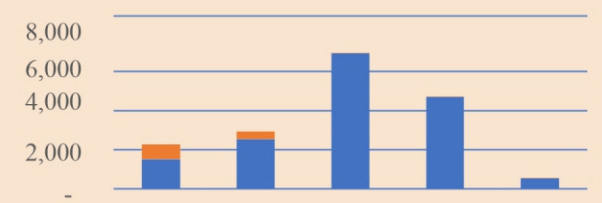

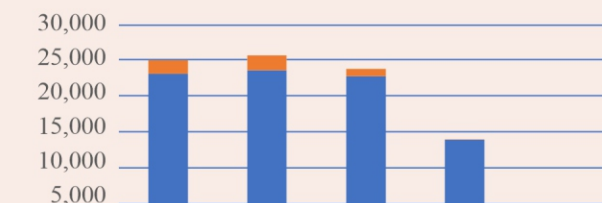

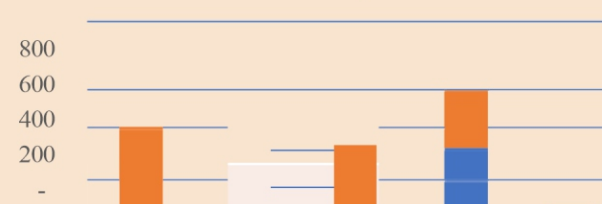

STUDENT SUPPORT CELL

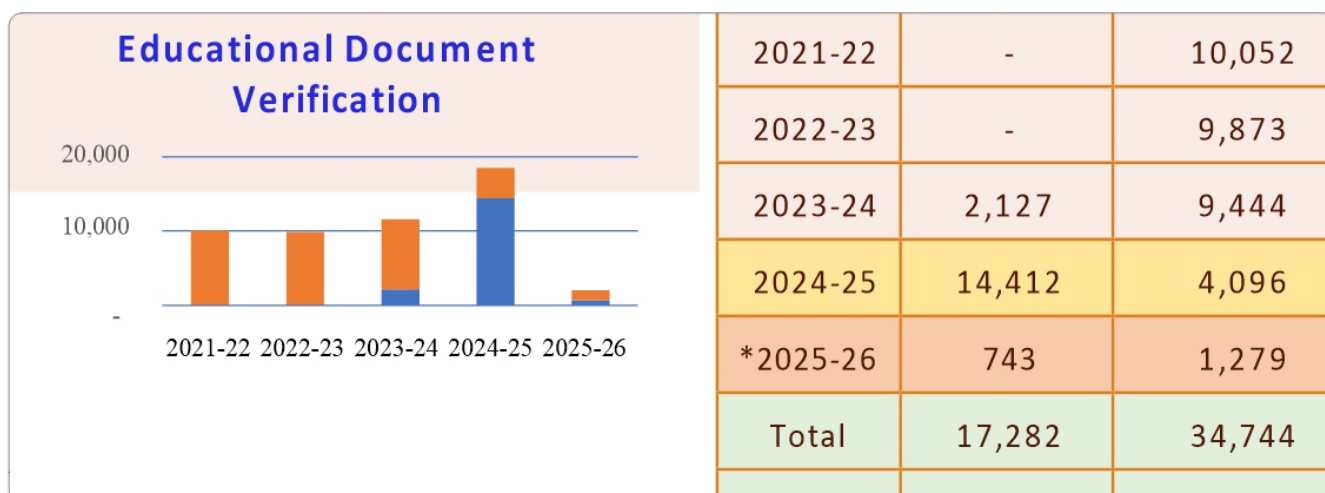

The Student Support Cell was established in 2021 to bring all student-related services under one umbrella through a unified online portal. It provides a wide range of essential student services through online mode in alignment with the Digital India Program of the Govt of India and services mandated by the Higher Education Department under the Janhit Guarantee Adhiniyam. These include issuance of degrees, duplicate and corrected marksheets/ certificates, disposal of examination results (Incomplete/RD/Absent/UFM/CO/BP/BPRD), digitally signed certificates, enrollment and migration services, transcripts, provisional certificates, and educational document verification.

The SSC operates through two dedicated portals—Faceless Student Services and the Educational Document Verification Portal—both developed by the University Project Monitoring Unit (PMU) as part of the ERP system. The SSC and PMU teams work in close coordination to regularly update and upgrade these portals, ensuring they remain responsive to user needs and increasingly student- and staff-friendly.

Faceless Student Services	Educational Document Verification Portal
<p>One course one registration (2,89,100+ Registrations)</p> <p>All Course-related services from one Login</p> <p>Digital Document can be downloaded after verification (2,86,900+ Digital Doc issued)</p> <p>University user (employee) needs to verify only Student profile and the same is totally unknown about the required services, which makes the service transparent.</p>	<p>One Employer one registration (950+ Registrations Approved)</p> <p>One-time registration for applying multiple applications regarding education documents verification</p> <p>Generation of Digitally Signed Verification letter instantly after verification. (24,550+ Digital Verification Letter issued)</p> <p>Directly linked with Faceless Student Services Portal.</p>

CURRENT SESSION

ACHIEVEMENTS

- Digitisation of all charts (15,462+ Charts) have been completed
- Charts of Annual, Semester and Medical Courses since 1967 to 2020 and after 2020 it is in digital form.
- Digitised all the Enrollment Books (10,546+ books/ 31,63,800+ number of Enrollment) from 1967 to 2020.
- Digitisation of correction orders is continuously being done, and 34,000+ orders have been scanned from 2021 onwards.
- Data of any student can be checked and verified instantaneously from Faceless Student Services portal and DMS to deliver various services (Degree/ Provisional/ Single Subject Certificate/ Marksheet/ Enrollment/ Migration/ Transcript/ Education Document Verification).

ESTATE OFFICE

ESTATE OFFICE

The Estate Office has continued to play a vital role in shaping and maintaining the physical and environmental infrastructure of the University. Working diligently behind the scenes, the office has transformed plans into tangible facilities while ensuring that the campus remains safe, welcoming, and sustainable for students, faculty, and visitors alike.

- **Building and Renewing Spaces :** The year witnessed the foundation stone laying of several key projects, including the installation of a modern fire-fighting system, high mast lighting for campus safety, and major extensions to the MSW Building (third floor), Swarn Jayanti Hostel, AB Building, and ECE Building. Internal roads were repaired and widened for better accessibility, while Type-4A residences underwent significant renovation
- **Several projects reached completion** and were inaugurated, including the renovated Type-I Colony and Campus School, the newly constructed Journalism Building, and upgraded sports facilities with a running track, multipurpose court, and dedicated basketball and volleyball courts.
- **Day-to-Day Care and Maintenance:** Supported by a skilled team of engineers, electricians, plumbers, carpenters, RO technicians, welders, and AC specialists, the Estate Office ensured that essential services were delivered promptly and efficiently, thereby maintaining the smooth functioning of the University.
- **Upgrading Existing Facilities:** Improvements extended to existing infrastructure with the addition of solar panels, replacement of old wiring with energy-efficient copper systems, and the implementation of rainwater harvesting. Automated systems for water supply management and regular sanitation checks in academic blocks and hostels reinforced the commitment to health and efficiency.
- **Collaborative Efforts:** Progress was facilitated by partnerships with agencies such as HBTU (technical checks), Nagar Nigam (sanitation and waste management), KESCO (power supply), and construction and development agencies including UPRNN, UPPCL, UPRNSS, SIDCO, and UPAVP. These collaborations ensured adherence to the highest standards of quality and safety.
- **Future Plans:** Plans for the coming year include the construction of a new boys' hostel and a new girls' hostel to meet growing residential needs. Additionally, the installation of an LED outdoor video wall and a 55-inch movable display is planned to enhance information-sharing and campus events.
- **A Greener, Cleaner Campus:** Several measures were under keeping sustainability in mind such as the introduction of electric carts and eco-friendly vehicles, a ban on single-use plastics, installation of solar power systems, LED lighting, and BLDC fans across multiple buildings. The Miyawaki forest project is steadily expanding campus greenery, while Chandan Garden continues to thrive as a space of biodiversity and natural beauty.

ESTABLISHMENT OF A MIYAWAKI FOREST & SANDALWOOD GROVE

ESTABLISHMENT OF A MIYAWAKI FOREST

At Chhatrapati Shahu Ji Maharaj University, Kanpur, Hon'ble Vice Chancellor Prof. Vinay Kumar Pathak initiated a massive tree plantation campaign along with the establishment of a Miyawaki Forest on the campus. On this occasion, the Registrar, Assistant Registrar, Deans, Directors, Coordinators, faculty members, and students planted saplings of Arjun, Drumstick, Sheesham, Tamarind, Peepal, Banyan, Teak, Jungle Jalebi, Neem, Gulmohar, Amaltas, and others under the government's theme “Ek Ped – Maa Ke Naam” (One Tree in the Name of Mother).

All Heads of Departments coordinated with teachers and staff members actively participated in making this large-scale plantation campaign successful. The objective is to honor mothers by encouraging plantation in their names and to link environmental conservation with a tribute to motherhood, which symbolizes that mothers, like trees, nurture and protect life. This is an afforestation technique developed by Japanese botanist Akira Miyawaki, through which dense, native forests can be grown in a short time.

ESTABLISHMENT OF SANDALWOOD GROVE

A Sandalwood Grove was established in the campus of Chhatrapati Shahu Ji Maharaj University, Kanpur (School of Advanced Agricultural Sciences and Technology) in collaboration with the Subhashini Shivhare Foundation.

In the programme organized on the theme “Sandalwood Grove and Pond: Rest in the Lap of Nature”, the Chief Guest was senior Ayurvedacharya Dr. Vandana Pathak, along with the Hon'ble Pro-Vice Chancellor Prof. Sudhir Kumar Awasthi, Subhashini Shivhare, and Praveen Bhai Patel. This Sandalwood Grove is located near the Amrit Sarovar situated within the university campus.

A total of 50 sandalwood saplings were planted, comprising 25 white sandalwood and 25 red sandalwood plants.

In her address, senior Ayurvedacharya Mrs. Vandana Pathak stated that the medicinal properties present in sandalwood serve as a popular remedy for skin diseases, fever, and various other ailments.

STUDIO

STUDIO

The **Dada Saheb Phalke Studio Production Centre**, established in the Department of Journalism and Mass Communication in 2021–22, has developed into a premier media hub of the University. Over the past four years, it has played a vital role in image building, outreach, and documentation of academic, cultural, sports, and innovation activities.

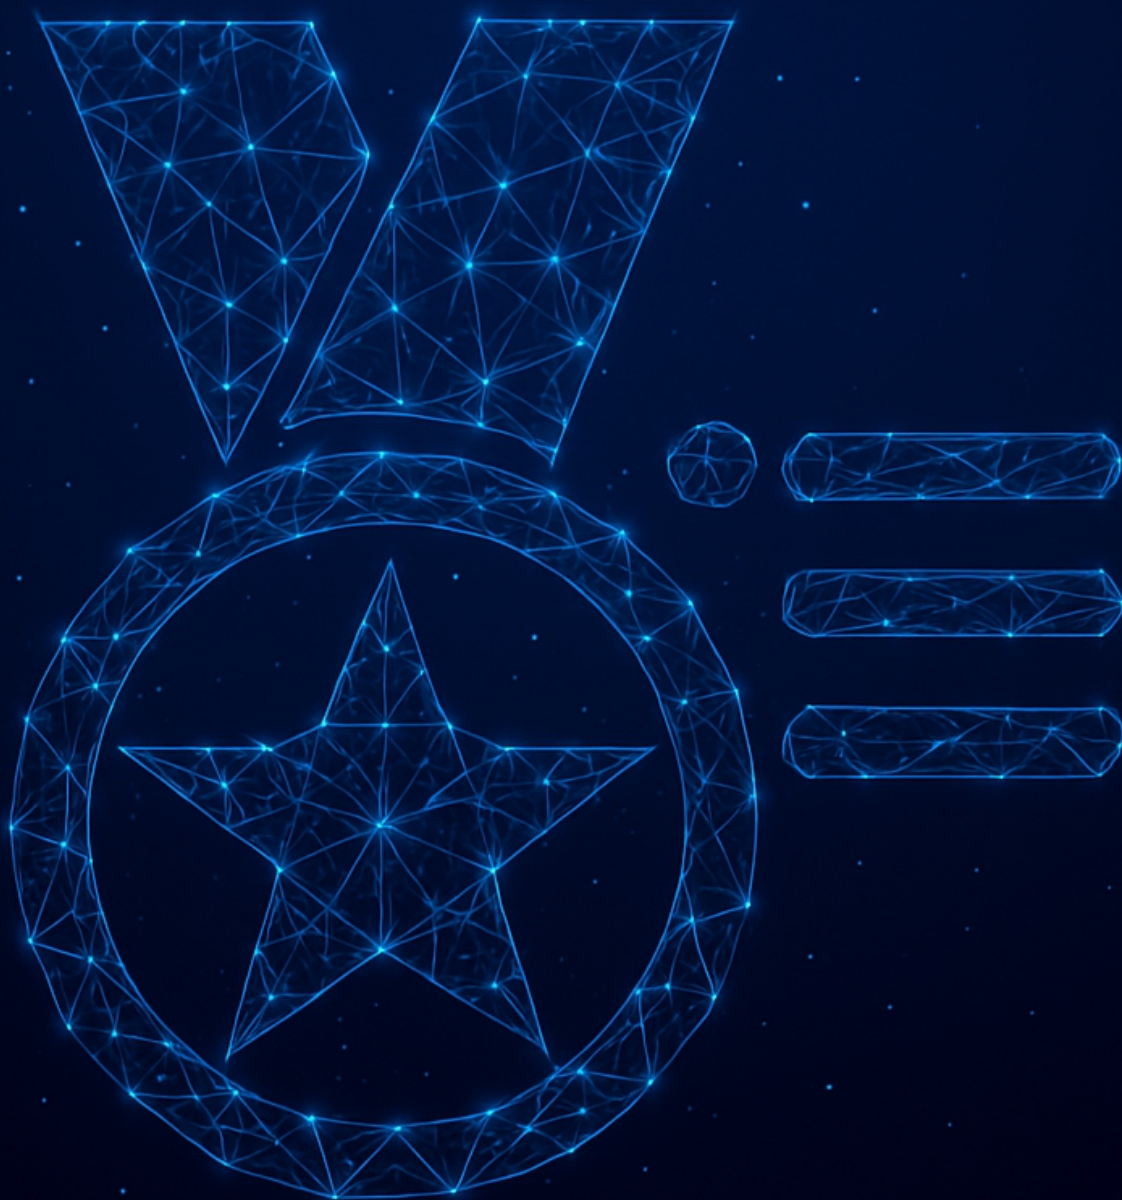

Through its diverse productions—**news bulletins, documentaries, films, reels, departmental videos, interviews, and live coverages**—the studio has become a visual record of the University's progress. Alongside its production work, the studio provides practical training opportunities for Journalism students in television and radio journalism.

It supports digital and distance education by recording and uploading lectures of faculty members from the University and affiliated colleges, ensuring wide access to quality learning. A dedicated YouTube channel further connects these productions to society and the nation. In its 43 months of operation (Jan 2022 – July 2025), the studio has established itself as a leading production and training centre among state universities, serving both as a digital archive of institutional growth and a platform for student skill development.

THE FIVE-DAY SERVICE ■ Kanpur

The pioneer new national workshop on Matlab programming organised by the Department of Physics, School of Basic Sciences, CSJM University (CSJM), concluded on Saturday. Tutorials and hands-on sessions were delivered by Prof. Manas Klean, a Matlab expert from the Department of Physics along with five PMRE students – Debojit, Suprit, Devyandhi Gautam and Javed. They gave hands-on sessions to students about the line plots, bar charts, 2D scatter plots, grids and 3D surface plots within Matlab environment. In the validation tests, certificates were distributed to participants gave their feedback. The workshop was organised by Dr Divit and Dr Shikha Shukla under supervision of Prof R K Divi, Director, School of Basic Sciences, CSJM University, Kanpur. Dr Anandhi Bhatia, Dr Ram Jan Singh, Dr P N Pankaj and Dr Droupati actively participated in it. A total 110 students took part in it.
