About Department

School of Hotel Management (SOHM) an autonomous body in Chhatrapati Shahu Ji Maharaj University formerly known as "Kanpur University" The Institute was established in 2010. More than 700 Students have graduated with diploma or degree in Hotel and Hospitality administration.

Professional hospitality education and training today have assumed significance catering to the global hospitality industry and other service sectors provides the skills, knowledge, and hands-on training for professional development. Hospitality business is poised to create many new jobs, requiring appropriate education and training at all levels in this specialized sector of education. Teaching in this specialized area integrates both education and training to create and equip both supervisory level and entry level through a mix of education and training activities. The requirement in this modern arena is to provide a trained manpower in Hospitality and Hotel Administration.

Message from the Vice Chancellor

India has always been looked upon as torch bearers in turbulent times. Our aim is to continue the legacy and sustain the qualities and attributes of it being a vishwaguru. At CSJM University , we are meticulously working on developing a youth which is capable of independent thinking, is versed in bringing out of the box solution and suits the need of the corporate world. We not only are producing professionals and entrepreneur but also developing true human beings and responsible citizens.

Message from the Director

It gives me an immense pleasure in welcoming you to the School of Hospitality, Tourism & Catering Technology. We welcome the New students for pursuit of Hotel Management Graduation with promising career in hospitality industry.

If Hotel Management and Catering Technology is your passion then SOHM must be your destination for an all-encompassing enabling experience to transform yourself into a young dynamic professional in the field and for laying the foundation for assuming leadership Roles in the Industry in future.
