## About the School of Arts, Humanities & Social Sciences

The School of Arts, Humanities & Social Sciences (SAHSS) is a premier centre for interdisciplinary excellence, dedicated to the holistic study of the human experience. By integrating core disciplines, including **Sociology, Social Work, Psychology, Political Science, Philosophy, Economics, and History**, the School fosters a rich environment for critical inquiry, creative expression, and social development.

Our curricular is designed to bridge the gap between academic theory and real-world application. We emphasize **value-based education, social awareness, and community engagement**, ensuring that learning contributes meaningfully to individual and social development.

SAHSS runs **16 courses** under **4 departments**:

1. Department of Lifelong Learning & Extension
2. Department of Social Work
3. Department of Economics
4. Department of Clinical Psychology
