

A report on Workshop on Research Data Management and use of Open Data Editor (ODE)

Central Library in collaboration with Research & Development Cell organised one day workshop on Research Data Management and use of Open Data Editor on 31st January 2026 (Saturday) for faculty and research Scholars. The resource person of the workshop will be *Dr Mohit Garg* from IIT Delhi.

The workshop aimed to build capacity among academic and research professionals in working with open data and to understand the whole Open Data Publishing ecosystem and use of ODE platform. The training will be hands-on and practical, focusing on data quality, validation and publishing.

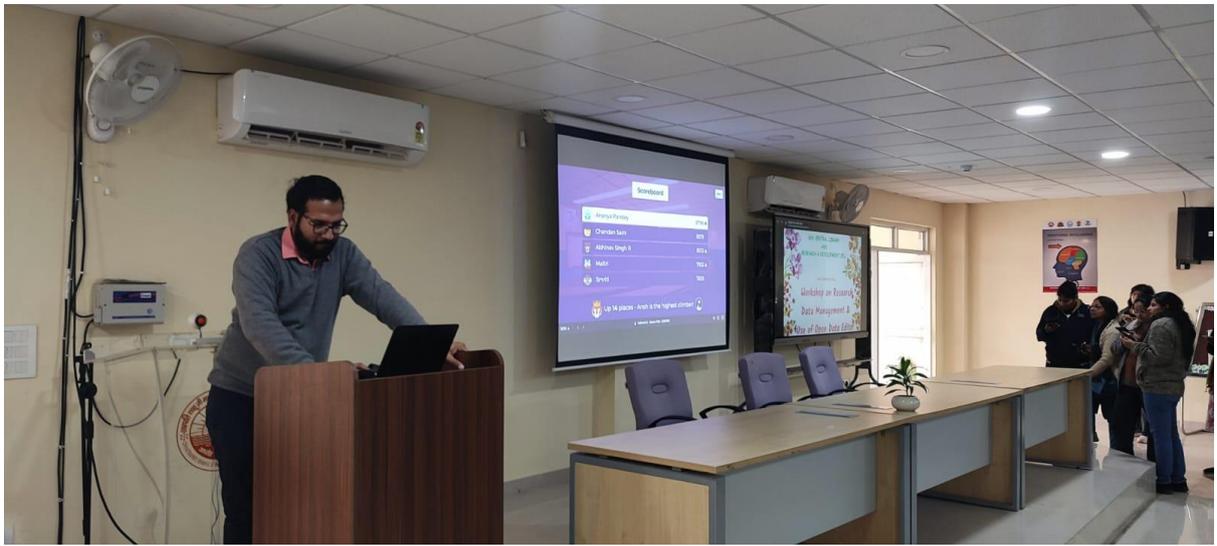

Dr Ashish K Srivastava, Librarian, Dr Namita Tiwari, Dean Research & Development, Dr. Arun K Gupta, Associate Dean, Dr Pravin Agrawal, Assistant Dean & Dr. Shweta Pandey, Associate Dean joined in welcoming the guest. The workshop was attended in a good number of research scholars and faculty members from various subjects' domains.

The speaker began the session by guiding the scholars through the continuum of open science, progressing from open publishing to open data, and highlighting its growing importance in contemporary research ecosystems. He emphasized the essential skill sets required for effective data management, particularly the use of controlled vocabularies and standardized metadata practices that ensure consistency and interoperability. Further, he underscored the need for a clear understanding of the Open Data Framework as a foundation for responsible, accessible, and sustainable research data practices. The session also encouraged participants to explore a range of open data management tools, thereby equipping them with practical capabilities aligned with the broader objectives of Research Data Management and the functionalities offered by open data editors.

At the conclusion of the session, an interactive online quiz was conducted, in which the participants engaged enthusiastically and top three winners were awarded. Dr. Pravin Agrawal and Dr. Shweta Pandey joined the proceedings to felicitate the resource person with a token of appreciation and express their gratitude.

The session proceeded to deliver core content designed to meet the needs of this diverse and engaged audience. On behalf of the institution, they expressed their sincere gratitude for his insightful and impactful session, bringing the productive and informative workshop to an official and appreciative close.
