A Report on Faculty Awareness Session on Turnitin iThenticate Software

G.S.V. Central Library, Chhatrapati Shahu Ji Maharaj University (CSJMU), Kanpur, organised a Faculty Awareness Session on Turnitin iThenticate Software on 2 August 2023 in online mode via Zoom platform. The session aimed to familiarise faculty members with the effective use of the software for plagiarism detection and maintaining academic integrity in research and scholarly writing.

The session covered key aspects of plagiarism, the use of the iThenticate platform, various filters and exclusion settings, interpretation of similarity reports, and best practices for preparing and evaluating research reports. It was designed to help faculty members understand similarity reports accurately and use the software effectively in academic and research activities.

The programme highlighted the importance of responsible scholarly communication, originality in research, and adherence to ethical research practices. The initiative reflected the commitment of G.S.V. Central Library to supporting faculty members and promoting research integrity at the University. The program was coordinated and moderated by Deputy Librarian.
