A Report on

CSJMU eLibrary - Serving Access to Millions of eResources 24x7 | Everywhere

Organized by Central Library in collaboration Refread Solutions Pvt. Ltd

CSJMU Central Library successfully organized the online user awareness session on "CSJMU eLibrary - Serving Access to Millions of eResources | 24x7 | Everywhere" on Oct 15, 2022 (Saturday) at 3 PM.

The session starts with a welcoming address by the Librarian, Dr. Ashish Kumar Shrivastava. He gave the introduction of the speaker Ms. Bhavna. The session aimed to make users aware and learn how they can take maximum benefit of the CSJMU eLibrary in their learning and research activities.

A newly admitted Ph.D. students of Batch 2022 also benefited from the session to understand how e- resources can add value to their research activities and learning. During the session, users were informed and introduced to the Press Reader platform, which provides access to thousands of newspapers and magazines from around the globe. Access to the platform has been enabled through e-library app for the user community at CSJMU.

Library also provides the live session accessible in the library seminar room for the students and library staff. A tutorial session was also enabled from elibrary app, and the user manual was shared ready references. In the second half of the session Dy Librarian informed about the available resources in the central library and useful for the research and emphasized on the effective use of it. The session was coordinated and moderated by Dy Librarian. At the end of the session, a feedback form was circulated with the participants. Librarian ended the program with vote of thanks.

Glimpses of the event
