A report on

Unlocking Research Excellence with IEEE Xplore under One Nation One Subscription

13 October 2026 | Online via Zoom platform

Central Library & University Institute of Engineering and Technology, CSJMU in collaboration with IEEE Xplore cordially invites you to an exclusive online training session on IEEE Xplore Digital Library under the One Nation One Subscription (ONOS) initiative on October 13th 2026. The resource person in the session was Mr. Lakhpat Singh, Training Manager, EBSCO Information Services.

The session provided practical insights into discovering high-quality scholarly literature, conducting effective research, tracking emerging technologies, and utilising IEEE Xplore resources to support academic and research excellence. Participants learned how to access IEEE Xplore resources through the ONOS platform, perform basic and advanced searches, identify high-impact journals and conference proceedings, track citations, identify influential research, set up publication alerts, export references, conduct systematic literature reviews efficiently, and support research publication and grant-writing activities. The session witnessed enthusiastic participation and active engagement, offering valuable insights into the extensive resources available through the IEEE Xplore Digital Library and highlighting its potential to advance research, innovation, and academic excellence across various disciplines.

Faculty members, students and research scholars actively participating and attended the webinar and session ended with Question and Answers session. The session was moderated by Dr Shweta Pandey, Deputy Librarian.
