# **ABOUT CSJM UNIVERSITY, KANPUR**

**“** *Chhatrapati Shahu Ji Maharaj University (CSJMU), Kanpur, established in 1966, is a premier public state university in Uttar Pradesh known for its academic excellence, innovation, and industry-oriented education. Spread across a modern and vibrant campus, the university offers a diverse range of undergraduate, postgraduate, and doctoral programs in Engineering, Management, Sciences, Commerce, Arts, Law, and allied disciplines.*

*With a strong emphasis on research, skill development, and experiential learning, CSJMU nurtures talented professionals equipped to meet the evolving demands of industry and society. The university integrates modern teaching methodologies, advanced laboratories, digital resources, and interdisciplinary learning to create a dynamic academic environment. CSJMU is committed to fostering leadership, creativity, and professional ethics among students. Through dedicated training programs, internships, workshops, and industry collaborations, the university ensures that students are well-prepared for successful careers and corporate excellence.*

*The Training & Placement Cell actively bridges the gap between academia and industry by facilitating recruitment drives, skill enhancement initiatives, and meaningful industry interactions, enabling students to emerge as competent and industry-ready professionals.*

## *Our Source of Inspiration..*

*"It gives me immense pleasure to present the Placement Booklet of the Training & Placement Cell at Chhatrapati Shahu Ji Maharaj University.*

*Education, in its truest sense, serves as the foundation for intellectual growth, innovation, leadership, and societal transformation. At Chhatrapati Shahu Ji Maharaj University, we are committed to nurturing young minds through a holistic and value-based education system that empowers students with knowledge, professional competence, ethical values, and a spirit of lifelong learning.*

*In an era marked by rapid technological advancement and evolving industry expectations, the role of higher education institutions extends beyond academics to preparing students for meaningful and impactful careers. With this vision, the Center for Placement, Alumni and Industrial Relations (CPAIR) and the Training & Placement Cell continuously strive to strengthen industry-academia collaboration and create opportunities that enable our students to excel in diverse professional domains.*

*Our students are equipped with strong academic foundations, practical exposure, adaptability, and a commitment to excellence. I am confident that they will emerge as responsible professionals and valuable contributors to the organizations they join.*

*I cordially invite esteemed recruiters and industry leaders to participate in our campus recruitment initiatives and engage with the talented students of our University and affiliated institutions. I firmly believe that this collaboration will foster enduring partnerships and create avenues for shared growth and success.*

*I extend my best wishes to all students in their pursuit of professional excellence and a bright future."*

*Smt. Anandiben Patel  
Hon'ble Chancellor*

## *from the desk of our Hon'ble Vice Chancellor...*

*"It gives me immense pleasure to present the Placement Booklet of the Training & Placement Cell at Chhatrapati Shahu Ji Maharaj University.*

*The University remains committed to the dissemination of knowledge across diverse disciplines including Arts, Humanities, Commerce, Law, Medicine, Engineering, Science, and Technology, with the aim of serving society, the nation, and the global community in the 21st century. In alignment with this vision and to address the evolving demands of industry and employability, the Center for Placement, Alumni and Industrial Relations (CPAIR) has been strengthened to create meaningful opportunities for our students.*

*The Training & Placement Cell plays a pivotal role in nurturing talent, enhancing employability, and bridging the gap between academia and industry. It provides a dynamic platform for students from both the University campus and affiliated colleges to connect with leading organizations and explore career opportunities.*

*We warmly invite esteemed recruiters to engage with our talented pool of graduates and postgraduates and participate in our campus recruitment drives. I am confident that our students, equipped with knowledge, skills, and values, will contribute effectively to your organizations.*

*I look forward to building a strong and enduring partnership with the industry."*

## *Message from Pro Vice Chancellor...*

*Prof. Sudhir K Awasthi*  
*Pro Vice Chancellor*

*It gives me great pleasure to present the Placement Brochure of our institution. As a center of excellence in higher education, we are committed to fostering academic rigor, innovation, professional ethics, and holistic development among our students.*

*Our institution strives to create an environment that encourages learning, creativity, research, and industry engagement. Through a well-designed curriculum, practical training, internships, and various co-curricular initiatives, we prepare our students to meet the evolving demands of the global workforce. The dedication of our faculty, coupled with the enthusiasm and hard work of our students, has consistently resulted in graduates who are competent, confident, and ready to contribute effectively in their chosen fields. The Training and Placement Cell plays a vital role in bridging academia and industry by facilitating meaningful interactions with leading organizations and providing students with opportunities to showcase their talents. I am confident that our students possess the technical expertise, leadership qualities, and professional values that organizations seek in future professionals.*

*I sincerely thank our esteemed recruiters and industry partners for their continued trust and association with our institution. I invite organizations to participate in our placement process and discover the immense potential of our students. I am certain that they will prove to be valuable assets to your organizations. I extend my best wishes to all our students for a successful and rewarding career and look forward to strengthening our partnerships with industry in the years ahead.*

## *Message from Finance Officer ...*

*Mr. Ashok Kumar Tripathi*  
*Finance Officer*

*It gives me immense pleasure to present this Placement Booklet, which reflects the hard work, achievements, and aspirations of our students. As they prepare to step into the professional world, they carry with them not only academic knowledge but also the values of discipline, integrity, and commitment that are essential for success in today's dynamic environment.*

*Our institution has consistently endeavored to create an ecosystem that promotes learning, innovation, and holistic development. Through the combined efforts of faculty, administration, and industry partners, students are provided with opportunities to enhance their technical competencies, leadership qualities, and professional skills. I am confident that the graduating batch is well-equipped to meet the challenges of the corporate world and make meaningful contributions to their organizations and society.*

*The Placement Booklet serves as a window into the potential and accomplishments of our students. I encourage recruiters to explore the diverse talent pool and engage with young professionals who are eager to learn, contribute, and grow.*

*I extend my heartfelt best wishes to all students for a successful and fulfilling career. I also express my sincere appreciation to our recruiters, industry partners, and placement team for their continued support and collaboration in shaping the future of our students.*

*Mr. Ashok Kumar Tripathii*  
*Finance Officer*  
*Chhatrapati Shahu Ji Maharaj University*  
*Kanpur-208024, Uttar Pradesh, India*

## *Message from Registrar...*

*Shri Rakesh Kumar Mishra*  
*Registrar*

*It gives me immense pleasure to present the Placement Brochure of our institution. Our commitment to academic excellence, professional development, and holistic education has enabled us to nurture talented and industry-ready graduates who are prepared to excel in a dynamic global environment.*

*Through a robust academic framework, skill enhancement initiatives, industry interactions, and experiential learning opportunities, we strive to equip our students with the knowledge, technical competence, and professional values required to meet the evolving needs of organizations. Our students possess not only strong academic foundations but also the confidence, adaptability, and leadership qualities essential for success in their careers.*

*I commend the efforts of the Training and Placement Cell in creating meaningful opportunities for students and fostering strong industry-academia partnerships. I also express my sincere gratitude to our recruiters for their continued trust and support.*

*I invite esteemed organizations to participate in our placement process and explore the potential of our talented students. I wish our graduates every success in their future endeavors and look forward to continued collaboration with our industry partners.*

Training &  
Placement Cell,  
CSJMU Kanpur

# Training & Placement Cell

## *Message from the Training & Placement Cell..*

*“The Training and Placement Cell is dedicated to guiding students towards successful and fulfilling careers. Our objective is to enhance students & employability by providing them with the necessary technical knowledge, soft skills, and industry exposure.*

*To achieve this, we organize various activities such as aptitude training, soft skills development programs, technical workshops, mock interviews, group discussions, and interaction sessions with industry professionals. These initiatives help students build confidence and prepare them to face recruitment processes effectively.*

*We work closely with companies and organizations to understand their expectations and align our training programs accordingly. Our goal is to create meaningful opportunities for students while building long-term relationships with our recruiters.*

*I express my sincere gratitude to our recruiters, faculty members, and alumni for their continued support in strengthening the placement process and helping our students achieve their career goals.*

# Why Recruit from CSJMU ?

*Recruiting from Chhatrapati Shahu Ji Maharaj University (CSJMU) can be valuable for companies looking for skilled, cost-effective, and industry-ready graduates from Uttar Pradesh's large academic ecosystem.*

- *Large Talent Pool*
- *CSJMU is one of the major state universities in Uttar Pradesh with a wide network of affiliated colleges and students across Engineering, Management, Commerce, Pharmacy, Life Sciences, Law, Arts, and Computer Applications.*
- *Industry-Oriented Training & Placement Support*
- *The university's Placement Cell conducts placement drives, career counseling, soft-skills training, GD/PI preparation, entrepreneurship programs, and industry interaction sessions to prepare students for corporate roles.*
- *Diverse Academic Programs*

- *Recruiters can hire from multiple disciplines including:*
- *B.Tech / MCA / BCA*
- *MBA / BBA / Commerce*
- *Pharmacy & Biotechnology*
- *Sciences & Humanities*
- *Growing Placement Ecosystem*
- *Recent campus and pool drives have resulted in hundreds of offers across sectors such as IT, sales, consulting, manufacturing, pharma, and business development.*
- *Presence of Reputed Recruiters*
- *Companies associated with CSJMU placements include:*
- *Tata Consultancy Services,*
- *Infosys,*
- *HCL,*
- *IBM,*
- *Samsung Electronics and others.*
- *Strong Regional Reach*

*CSJMU attracts students from Kanpur and across Uttar Pradesh, giving recruiters access to candidates familiar with regional markets and adaptable to PAN-India operations.*

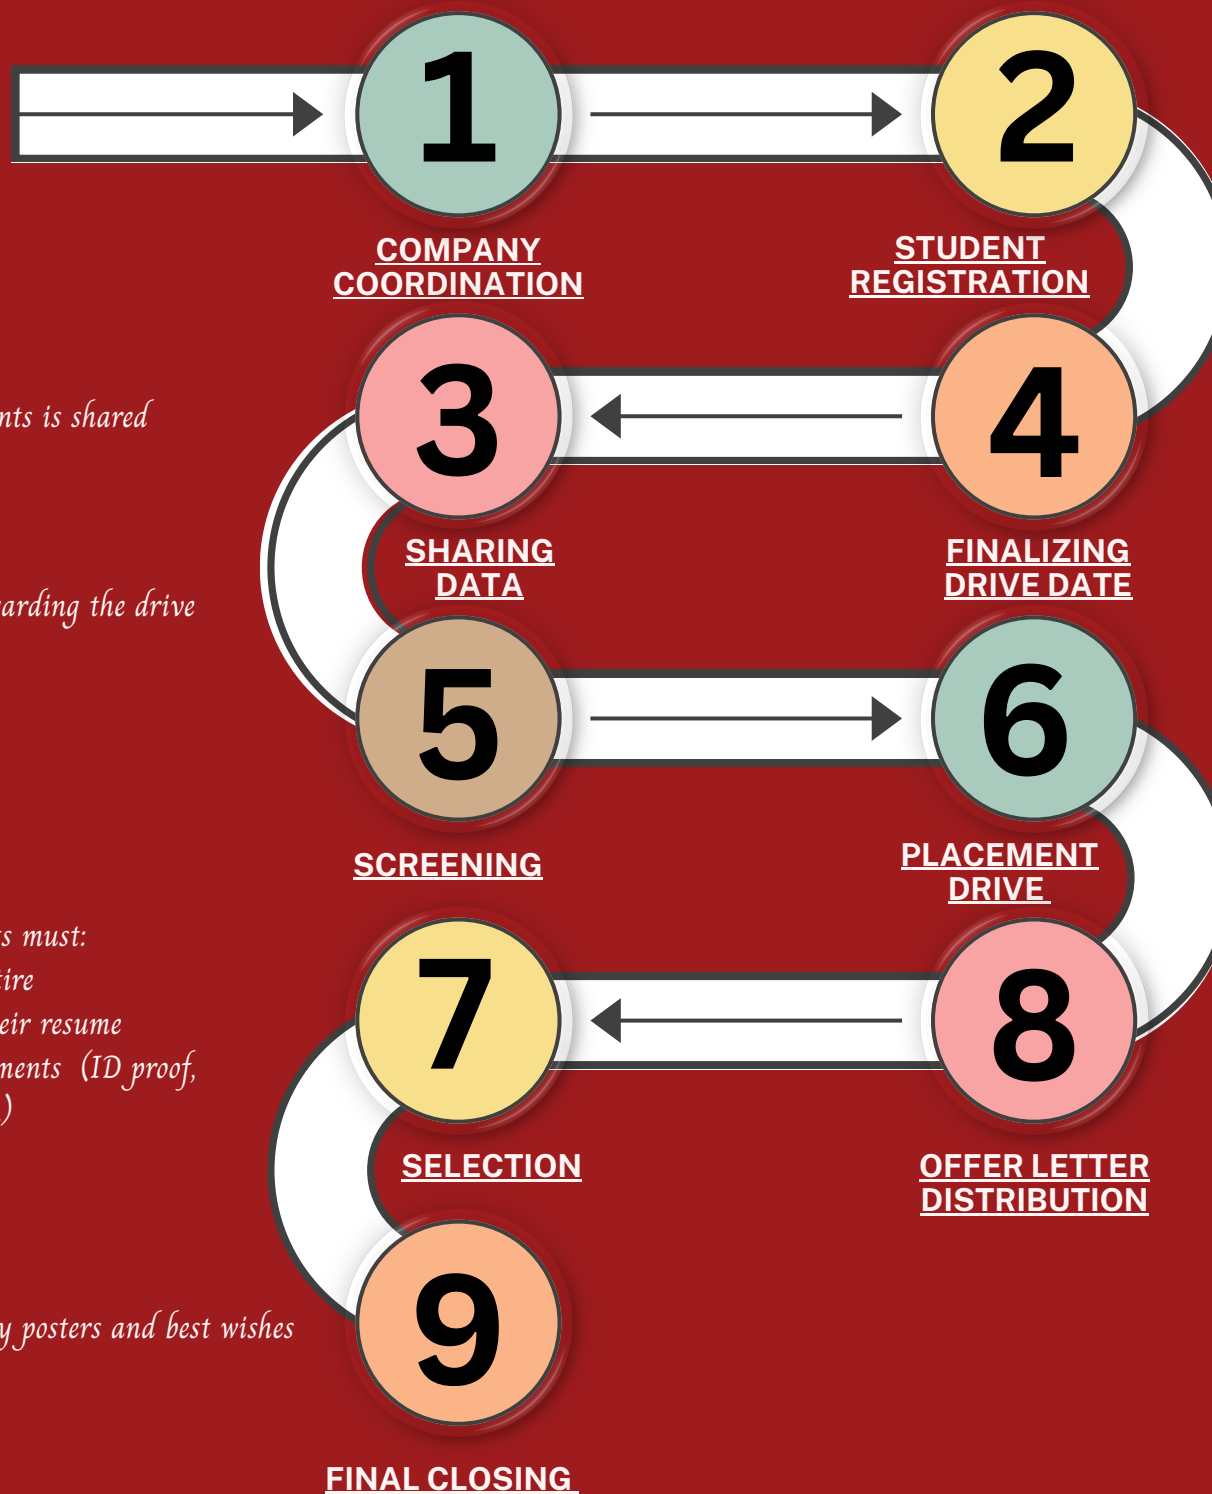

*The university regularly organizes:*

1. *Mock interviews*
2. *Technical workshops*
3. *Internship drives*
4. *Entrepreneurship initiatives*
5. *Industry-academia collaboration activities*
6. *Cost-Effective Hiring Destination*
7. *Companies can recruit quality graduates at scale with lower hiring costs compared to metro-based campuses.*
8. *Entrepreneurship & Innovation Support*
9. *CSJMU has an Entrepreneurship & Incubation Cell supporting startups, innovation, and applied projects.*
10. *Balanced Talent Profile*

*Student feedback and placement activity suggest that motivated students from CSJMU perform well when given practical exposure and career opportunities.*

# Placement Procedure

- The Placement Cell establishes communication with the company and aligns the recruitment process. A consent form is prepared as per the company's norms and requirements
- The data of applied students is shared with the company.
- Complete information regarding the drive will be shared, including:
  - Location
  - Mode (Online/Offline)
  - Timings
- All participating students must:
  - Be dressed in formal attire
  - Carry 2—3 copies of their resume
  - Bring all required documents (ID proof, academic certificates, etc.)
- Prior to the drive, necessary posters and best wishes will be circulated.

- Interested students are required to submit their details. A WhatsApp group is created to ensure smooth and timely communication.
- Once the drive date is finalized, the final date and updates are shared in the WhatsApp group. Students are advised to remain active and responsive.
- The recruitment process will be conducted by the company's HR team. Results will be declared as per the timeline decided by the organization
- The company shares offer letters with selected candidates, which are then communicated and distributed through the Placement Cell.

# NOC & Student Joining

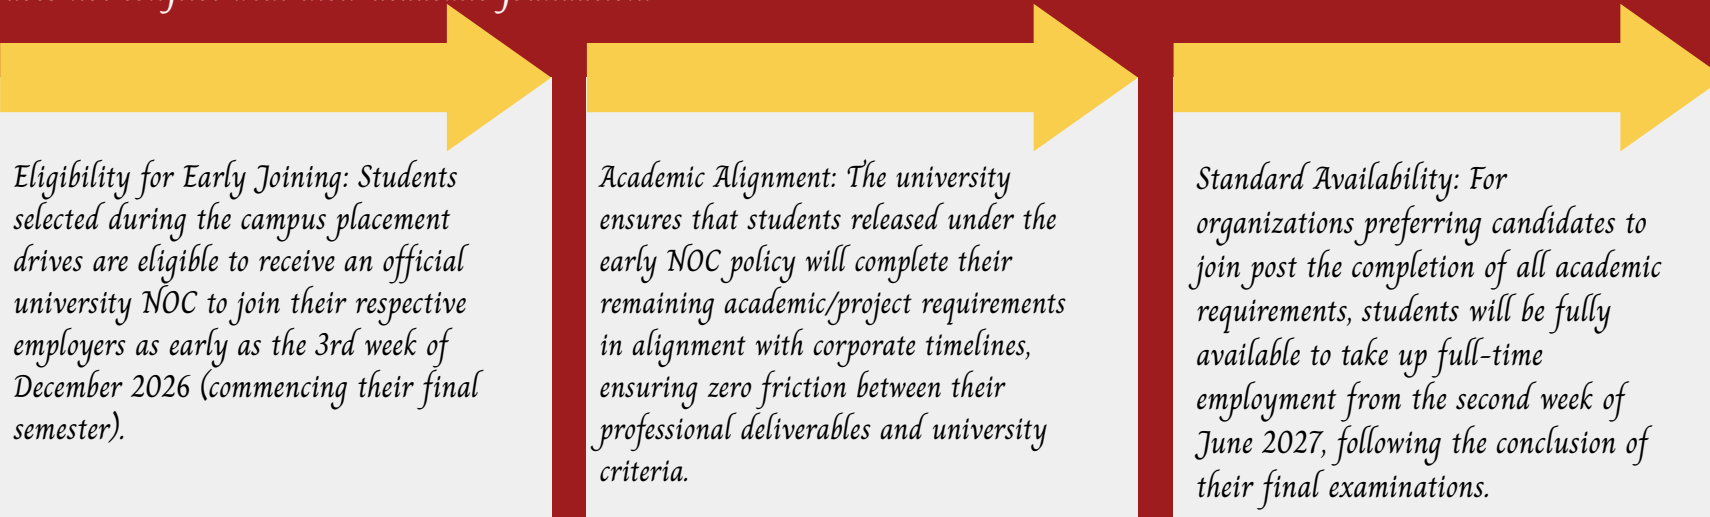

## Procedure

### Policies & Procedures for Recruiter Onboarding

To ensure a seamless transition for our students from campus to your esteemed organization, the Training & Placement Cell at Chhatrapati Shahu Ji Maharaj (CSJM) University follows a structured, transparent timeline for issuing No Objection Certificates (NOC) and managing student onboarding.

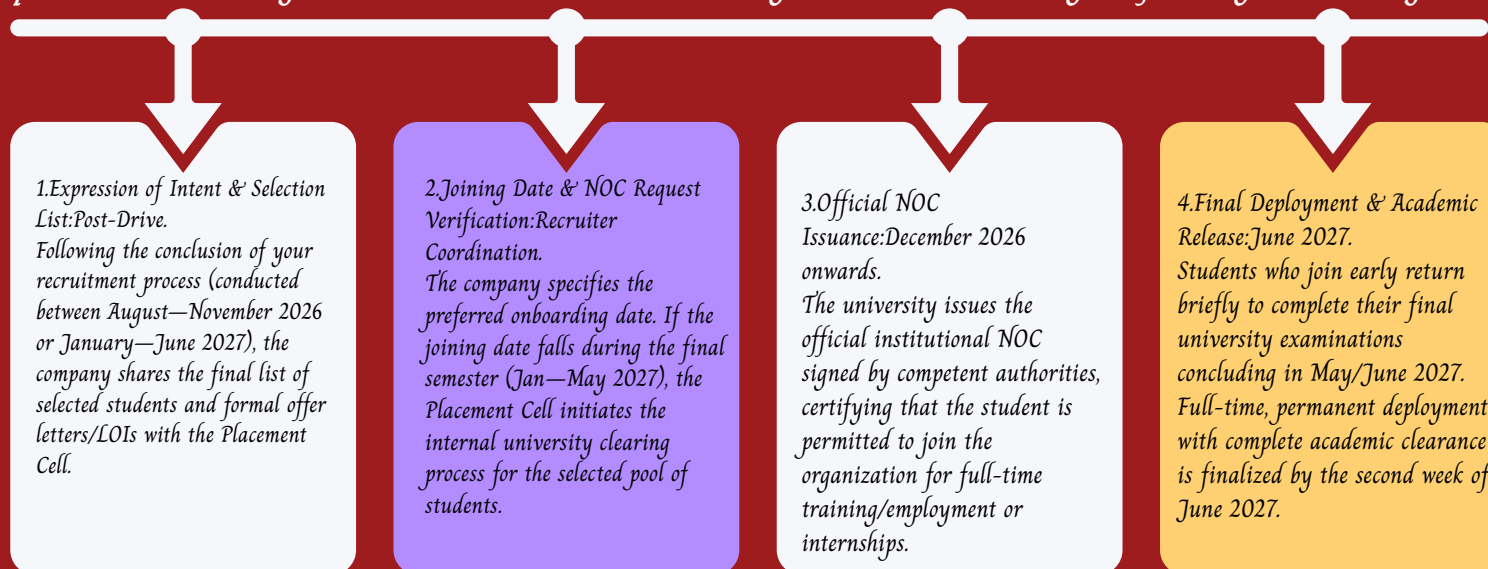

#### 1. The NOC (No Objection Certificate) Policy

CSJM University proactively supports early industry onboarding for final-year students during their last semester, provided it does not conflict with their academic foundation.

#### 2. Student Joining & Onboarding Procedure

We request our recruitment partners to coordinate with the Training & Placement Cell using the following streamlined procedural steps:

The Department of Chemical Engineering at University Institute of Engineering and Technology was established in 1996 to develop skilled professionals for the chemical industry. The department has highly qualified faculty from reputed institutions like IITs and NITs, supported by modern ICT-enabled classrooms, smart seminar halls, and advanced laboratories. Students gain hands-on experience with industry-standard software such as CHEMCAD, ANSYS, and MATLAB. The department also promotes professional growth through its IChE student chapter, expert lectures, industrial visits, and regular interactions with industry professionals and alumni.

# Research & innovation Initiatives at CSJMU

## CHHATRAPATI SHAHU JI MAHARAJ INNOVATION FOUNDATION

CSJMIF is a section-8 company (Not for Profit Organization) promoted by CSJM University established to foster the spirit of entrepreneurship in the State of Uttar Pradesh. Being a sector-agnostic techno-business incubator the nourishment pertaining to the growth of a startup in terms of hand-holding, mentoring, product/service development, pilot runs, product validation, market access, and acceleration is provided. The VISION is to turn teachers, faculty, students, and future residents of the State into business owners in order to develop an ecosystem of entrepreneurial endeavors and make Uttar Pradesh the hub of innovation and startup activities

### **Innovation Ecosystem & Social Responsibility**

- Institution's Innovation Council (IIC): Established in 2021 under the Ministry of Education's Innovation Cell (MIC) and supported by the CSJM Innovation Foundation. It drives student entrepreneurship, hackathons, incubation, funding pathways, and Intellectual Property Rights (IPR) / patent facilitation to breed future-ready founders and researchers.
- Social Innovations & Impact: Deeply integrated with community development, rural outreach, and sustainable growth through NSS and multidisciplinary field programs. We focus heavily on skill development, green tech, and social entrepreneurship, producing graduates who balance professional excellence with high social consciousness.
