- Media Laboratory
- Sculpture Lab
- SLSBT Labs
- Microbiology Lab
- Central Instrumentation Facility

CHHATRAPATI SHAHU JI MAHARAJ UNIVERSITY, KANPUR

Chhatrapati Shahu Ji Maharaj University (CSJMU) located in one of the biggest industrial metropolises of the state of Uttar Pradesh, stands as a hallmark of higher education. Since its establishment, in 1966, the university has produced prodigies, businesses, technology, art, and cultural reforms that are revered across the nation and the globe. The university is geared to provide maximum scholastic and futuristic benefits to the members of its ecosystem by having a collaborative work approach with the scientific community, businesses, corporates, Industry, and Academia on mutually acceptable areas and terms.

CSJMU is one of the largest Universities in Asia with 746 Colleges affiliated with it. The enlisted Alumni of CSJMU is 6.4 Million who passed since 1966- the Year of the establishment of the University. The present enrolment of the University is almost half a Million. The Campus is spread over a sprawling Green area of 264 Acres. CSJMU has a strong Incubation Centre (CSJMIF) with Startups in the areas of DeepTech, AgriTech, IT/ML/IoT, Environment, Renewable Energy, Drones, MediTech, etc.

CSJM University Kanpur is mandated as per the National Innovation and Startup Policy 2020 to promote a culture of instilling technology driven innovations among all its stakeholders (faculty, students, local industry and aspiring entrepreneurs).

A major strength of Chhatrapati Shahu Ji Maharaj University Kanpur is its huge diversity of technical expertise in different fields which has also created a system of research, innovation, technology and incubation.

CSJMU is committed to fostering innovation, entrepreneurship and start up ecosystem in the local area to promote innovative sustainable technology and management practices, address global environmental challenges and realize the principles of Aatmanirbhar Bharat and G20 Summit.

The University also serves as a platform for collaboration between academia, industry and government, fostering partnerships and facilitating transfer of technology to address global environmental challenges.

SOURCE OF INSPIRATION

Smt. Anandiben Patel Ji
Hon'ble Chancellor & Governor
Uttar Pradesh

Students should dedicate their knowledge to research and innovation for national growth. Preserving cultural heritage through digitization of ancient manuscripts is equally important. Such steps will contribute to making India stronger and more self-reliant.

MESSAGE FROM HON'BLE VICE CHANCELLOR

Prof. Vinay Kumar Pathak

Hon'ble Vice Chancellor
CSJMU, Kanpur

Dear Innovators and Graduates,

It is with immense pride and joy that I congratulate you on reaching this significant milestone of your academic journey. Convocation is not only a celebration of your years of hard work and dedication but also the beginning of a new chapter where you carry the responsibility of shaping the future.

At Chhatrapati Shahu Ji Maharaj University, Kanpur, we believe that education must nurture not only knowledge but also innovation, character, and social responsibility. In this spirit, the University has established the Chhatrapati Shahu Ji Maharaj Innovation Foundation (CSJMIF)—a Section 8 not-for-profit company—to provide young minds with the ecosystem to transform ideas into impactful ventures. With a focus on AgriTech, Food Tech, HealthTech, EdTech, Renewable Energy, Waste Management, AI/ML/IoT, Drone Technology, and Deep Tech, we are committed to addressing the challenges of society while contributing to the vision of Atma Nirbhar Bharat.

Our emphasis on women, social, and rural entrepreneurship reflects our belief that true progress must be inclusive. Through your knowledge, creativity, and values, I hope you will take forward this spirit of service, innovation, and nation-building.

As you step into the world of opportunities, remember that learning is a lifelong journey. Be courageous in your dreams, resilient in your efforts, and compassionate in your actions. May you bring pride to your families, glory to your alma mater, and lasting contributions to our nation.

With best wishes for your bright future.

MESSAGE FROM HON'BLE PRO VICE CHANCELLOR

Prof. Sudhir Kumar Awasthi

Pro. Vice Chancellor
CSJMU, Kanpur

“सत्येन ध्यायते लोकाः, सत्येन पालयते प्रजाः।
सत्येन याति परं स्थानम्, सत्यं हि परमं धनम्॥”

Dear Innovators and Graduates,

It gives me immense pride to welcome you to the Convocation of Chhatrapati Shahu Ji Maharaj University, Kanpur. This day is not only a celebration of your academic accomplishments but also the beginning of your larger journey as professionals, entrepreneurs, and leaders.

In today's world, innovation and enterprise are essential for progress—but without ethics, they remain incomplete. At CSJMU, we believe that true success lies in harmonizing creativity with responsibility, and business with values. Through the Chhatrapati Shahu Ji Maharaj Innovation Foundation (CSJMIF), our University promotes ideas that are not only economically viable but also socially inclusive, sustainable, and aligned with the vision of Atma Nirbhar Bharat.

As you step forward, may you remember that the worth of your knowledge is measured not just by personal achievement, but by the positive impact it creates. Build enterprises that uplift society, embrace technologies that respect nature, and pursue leadership that inspires trust.

I wish you a future where innovation is guided by ethics, and ambition is tempered with compassion. May you bring glory to your alma mater and contribute meaningfully to the progress of our nation and humanity.

MESSAGE FROM FINANCE OFFICER

Shri Ashok Kumar Tripathi

Finance Officer CSJMU, Kanpur

Director CSJMIF, Kanpur

Dear Innovators and Graduates,

It is my privilege to extend greetings on this proud occasion of Convocation 2025. At the Chhatrapati Shahu Ji Maharaj Innovation Foundation, we recognize that ideas alone do not build enterprises—capital, strategy, and financial discipline are equally essential to transform vision into value.

Start-ups thrive when they attract investors who see potential, scalability, and sustainability. Our role as a business incubator is to prepare young entrepreneurs not only with technical innovation but also with the financial literacy to raise funds, manage resources, and deliver returns on investment. Access to capital—whether through seed funding, angel investors, venture capital, or government grants—is the lifeblood of a start-up, and CSJMIF is committed to bridging this gap for our incubatees.

Wealth creation, in this sense, goes beyond personal profit. It means building ventures that generate employment, strengthen local economies, and attract long-term investment into our region and nation. Each successful start-up becomes a multiplier—of opportunities, of ideas, and of prosperity.

I urge all our graduates and incubatees to think like founders and financiers alike: innovate boldly, invest wisely, and scale responsibly. The true measure of your enterprise will be not only the market value it commands but also the societal value it creates.

With my best wishes for your entrepreneurial journey and future ventures,

MESSAGE FROM REGISTRAR

Shri Rakesh Kumar Mishra

Registrar CSJMU, Kanpur
Director CSJMIF, Kanpur

Dear Innovators and Graduates,

It is with immense pride and joy that I welcome you all to the Convocation of Chhatrapati Shahu Ji Maharaj University, Kanpur. This occasion is not only a celebration of your academic accomplishments but also a milestone that marks your readiness to take on new responsibilities as innovators, professionals, and leaders.

At CSJMU, we believe that education is most meaningful when it leads to positive transformation in society. Innovation, guided by strong values, has become the cornerstone of our University's vision. Through dedicated efforts, we have nurtured an environment where students and researchers can channel their creativity into impactful projects and sustainable enterprises.

The journeys of our start-ups, research initiatives, and collaborative ventures highlight how perseverance, teamwork, and responsibility can create meaningful change. We encourage every graduate to take forward this spirit—combining knowledge with ethical practice, and ambition with service to humanity.

As you step into the wider world, may you embody the values of integrity, resilience, and innovation. Let your education empower you to create solutions that not only bring personal success but also contribute to a stronger and more self-reliant nation.

With my heartfelt congratulations and best wishes for your bright future,

MESSAGE FROM Dean (Innovation, Entrepreneurship, Startup)

DR. SHILPA DESHPANDE KAISTHA

DEAN (Innovation, Entrepreneurship, Startup) CSJMU, Kanpur
Director CSJMIF, Kanpur

Dear Innovators and Graduates,

It gives me immense pleasure and pride to extend my heartfelt congratulations to all our graduating students on this memorable occasion of Convocation. Today is not merely a ceremony for receiving degrees; it is a celebration of your dedication, perseverance, creativity, and the countless efforts that have shaped your academic journey. Over the years, each one of you has demonstrated remarkable determination in overcoming challenges, embracing opportunities, and pursuing excellence. Your time at the university has been much more than attending lectures and passing examinations. It has been a journey of discovery, innovation, collaboration, and personal growth. The friendships you have built, the knowledge you have acquired, and the experiences you have gained will remain valuable assets throughout your life. At Chhatrapati Shahu Ji Maharaj University, we firmly believe that education extends beyond the boundaries of classrooms and textbooks. True learning happens when curiosity meets creativity, when ideas are transformed into innovations, and when individuals come together to solve real-world problems. It is inspiring to witness how our students, researchers, mentors, entrepreneurs, and start-up teams have worked collectively to create meaningful impact through research, technology, innovation, and community engagement.

The achievements of our students in academics, scientific research, entrepreneurship, social initiatives, and technological advancements reflect the vibrant culture of excellence that defines our institution. Every project completed, every challenge overcome, and every milestone achieved stands as a testament to your commitment and potential.

- MSME Technology Park

GLIMPSES OF CONVOCATION 2025

KEY HIGHLIGHTS OF CSJMIF 2025-26

IDEATHON 2026

Ideathon 2026 Pitching Session was successfully organized on 25 April 2026 at the Seminar Hall of Chhatrapati Shahu Ji Maharaj Innovation Foundation (CSJMIF), Kanpur, under the guidance of Hon'ble Vice Chancellor Prof. Vinay Kumar Pathak. More than 60 students from various departments of CSJMU actively participated, presenting innovative solutions to social, technological, and business challenges. The event was graced by distinguished experts and industry professionals who shared valuable insights. Coordinated by Dr. Divyansh Shukla and the CSJMIF team, the session concluded with an interactive Q&A, inspiring students to pursue innovation, entrepreneurship, and future startup opportunities.

HACKSHODH 2026

HackShodh 2026, organized by Chhatrapati Shahu Ji Maharaj Innovation Foundation (CSJMIF) on 30–31 January 2026, successfully brought together over 150 participants and 50+ teams from schools and colleges across the region. Conducted under the guidance of Hon'ble Vice-Chancellor Prof. Vinay Kumar Pathak, the 24-hour hackathon fostered innovation, teamwork, and problem-solving through real-world challenges. Participants developed technology-driven solutions with mentorship from experts and industry professionals. The event concluded with impactful project presentations evaluated on innovation, feasibility, and relevance. HackShodh 2026 strengthened industry–academia collaboration and empowered young innovators to build solutions for the future.

ROBO RUMBLE 3.0

The three-day technical fest “Robo Rumble 3.0,” held from March 16th to 18th, 2026, at Chhatrapati Shahu Ji Maharaj University (CSJMU), Kanpur, concluded successfully under the patronage of Hon’ble Vice-Chancellor Prof. Vinay Kumar Pathak. The event at UIET served as a dynamic innovation platform, culminating in a grand prize distribution ceremony. Top honors and cash prizes up to ₹10,000 were awarded to winners across various categories, including Team Ancome 01 (Robo War), Team Demolisher 02 (Robo Soccer), Slogfy (Showcase), Team Ancome 02 (Pick and Drop), Aeroclub (RC Flying), and Team Not Humans (E-Sports). UIET Director Dr. Alok Kumar and coordinators lauded the participants' immense technical skill and vibrant energy.

NATIONAL STARTUP DAY 2026

Chhatrapati Shahu Ji Maharaj Innovation Foundation (CSJMIF) celebrated National Startup Day 2026 on 16 January 2026 at the Senate Hall, CSJMU Kanpur, under the guidance of Hon’ble Vice-Chancellor Prof. Vinay Kumar Pathak. The event inspired students and aspiring entrepreneurs to explore innovation, artificial intelligence, data science, and entrepreneurship. Distinguished industry experts shared insights on AI-driven employability, business transformation through analytics, data-driven decision-making, continuous upskilling, and ethical innovation. CSJMIF leadership highlighted the foundation’s incubation support and startup ecosystem. The program successfully fostered entrepreneurial thinking, innovation, and leadership while motivating students to transform ideas into impactful ventures.

4TH FOUNDATION DAY 2026

Chhatrapati Shahu Ji Maharaj Innovation Foundation (CSJMIF), under the guidance of Hon'ble Vice Chancellor Prof. Vinay Kumar Pathak, celebrated its 4th Foundation Day on 08 May 2026 with the Ideathon 2026 Prize Distribution Ceremony at CSJMIF Seminar Hall, CSJMU Kanpur. The event brought together innovators, startups, students, mentors, and entrepreneurs, showcasing groundbreaking ideas in AI, healthcare, sustainability, digital transformation, hospitality, and social innovation. Winners were awarded prizes of ₹25,000, ₹15,000, and ₹10,000 across categories. The ceremony also witnessed incubation agreement signings by emerging startups, reinforcing CSJMIF's commitment to fostering innovation, entrepreneurship, and impactful enterprise development.

CSJMU AT TIECON UP 2026

CSJM at TiEcon UP 2026 ❖ - Under the visionary leadership of Hon'ble Vice Chancellor Prof. Vinay Kumar Pathak, a distinguished delegation from CSJM University & CSJM Innovation Foundation (CSJMIF) proudly participated in TiEcon UP 2026, held on 28th February 2026 at Hotel Taj Eternity. As Uttar Pradesh's biggest entrepreneurial gathering, the event brought together leading venture capitalists, industry leaders, policymakers, innovators, and startups on one powerful platform. The participation reflects CSJM's strong commitment to innovation, entrepreneurship, and meaningful industry-academia collaboration for driving regional and national growth.

MOU WITH CSJMU & CSJMIF

CSJM Innovation Foundation (CSJMIF) signed a Memorandum of Understanding (MoU) with Navothhan Startup, REC Kannauj, to strengthen the startup and innovation ecosystem. The collaboration aims to promote entrepreneurship, innovation-driven activities, mentorship, capacity building, and startup support programs. The MoU signing ceremony was attended by Dr. Divyansh Shukla, CEO, CSJMIF, and Mr. Anshu Singh, Chief Innovation Officer, who emphasized the importance of collaborative efforts in nurturing innovation and supporting emerging startups. This partnership will facilitate knowledge exchange, incubation support, and networking opportunities for aspiring entrepreneurs and innovators.

YUVA PITCH TANK INITIATIVE FOSTERS ENTREPRENEURSHIP

The Yuva Pitch Tank Initiative, organized under the MSME Entrepreneurship Conclave & Regional Trade Show (March 27th–29th, 2026), was successfully conducted at Chandra Shekhar Azad University of Agriculture & Technology (CSA), Kanpur. Carried out under the visionary guidance of Prof. Vinay Kumar Pathak, Vice Chancellor of CSJMU Kanpur, the event served as a major boost for the regional startup ecosystem. The core Pitch Deck Session saw enthusiastic participation from aspiring student entrepreneurs. Attendees actively worked on refining their business models and presentation strategies, gaining valuable expert insights into building investor-ready ventures.

CSJMU AT AI IMPACT SUMMIT 2026

Under the leadership of Prof. Vinay Kumar Pathak, CSJM Innovation Foundation (CSJM IF) proudly participated in the AI Impact Summit 2026 in New Delhi. The summit brought together global AI experts, policymakers, industry leaders, and innovators to discuss emerging technologies, ethical AI, research, and industry applications. The CSJM IF delegation explored opportunities in AI-driven entrepreneurship, startup growth, industry-academia collaboration, funding, and commercialization. A key highlight was the startup showcase, where Max Pro AI and Mandy Labs Pvt. Ltd.

ABHIVYAKTI 2026 AT IIT KANPUR

CSJM Innovation Foundation (CSJMIF) actively participated in Abhivyakti 2026, held on 20–21 March 2026 under the theme “Transforming Frontier Research into Global Solutions.” CSJMIF facilitated the participation of its incubated startups, enabling them to showcase innovative products and engage with industry experts, investors, and researchers. The event was graced by Hon’ble Vice Chancellor Prof. Vinay Kumar Pathak as Chief Guest. Led by Dr. Divyansh Shukla, CEO, CSJMIF. The event strengthened CSJMIF’s commitment to fostering innovation, entrepreneurship, and research-driven startups.

FELICITATION CEREMONEY

The Chhatrapati Shahu Ji Maharaj Innovation Foundation (CSJMIF), Kanpur, successfully organized a District-Level Felicitation and Award Distribution Ceremony. Hosted at C3iHub, IIT Kanpur and EC Office , CSJMU , the event was aimed at promoting cyber security vocational education among students. The ceremony was led by Prof. Vinay Kumar Pathak, the Honorable Vice Chancellor of CSJMU Kanpur. In his address, Prof. Pathak highlighted the pressing need for structured awareness initiatives and hands-on workshops to effectively expand and strengthen cyber security education across the student community.

TIE UP MOU 2026

A major step toward strengthening Uttar Pradesh’s startup ecosystem was marked by the signing of an MoU between TiE UP and the Chhatrapati Shahu Ji Maharaj Innovation Foundation (CSJMIF) at CSJMU, Kanpur. The ceremony was graced by Hon’ble Vice-Chancellor Prof. Vinay Kumar Pathak, Dr. Rao Vikram Singh, Dr. Atul Kapoor, and Dr. Vishwanath Gupta. The partnership aims to bridge academia and industry through mentorship, incubation support, skill development, and knowledge exchange. A key highlight was the proposed “Startup Mela” focused on innovation-driven sectors. This collaboration will empower youth, foster entrepreneurship, and drive regional economic growth.

NUTRIKOSH PRODUCT LAUNCH

A Landmark Moment for Agri-Innovation: Nkosh Kisaan AI #Launched at CSJM University, Kanpur We are proud to announce the public launch of Nkosh Kisaan AI at Chhatrapati Shahu Ji Maharaj University (CSJMU), Kanpur on 25 February 2026 — a purpose-built, field-tested AI assistant designed to deliver practical, localised agricultural guidance to farmers across India. Built exclusively for agriculture, Nkosh Kisaan AI delivers multilingual, field-validated guidance across the crop lifecycle, from sowing and nutrient planning to pest management and harvest optimization — converting complex agronomy into clear, actionable insights for farmers.

CSJMU LAUNCHES ADVANCED DRONE, IOT & CYBER SECURITY LABS WITH GEOSCAN, RUSSIA

Chhatrapati Shahu Ji Maharaj University (CSJMU) achieved a significant milestone with the launch of advanced Drone UAV, IoT, and Cyber Security Labs in collaboration with Geoscan, Russia. Under the leadership of Hon'ble Vice-Chancellor Prof. Vinay Kumar Pathak, the initiative aims to equip students with future-ready skills through hands-on training in UAV design, GIS, LiDAR, mapping, data analytics, and cyber security. The collaboration includes expert-led workshops, an Innovation & Application Lab, and entrepreneurship-focused opportunities. The MoU ceremony witnessed distinguished dignitaries and industry leaders, while discussions with Russian delegates explored future collaborations in drone technology and Agritech.

FOUNDERS PERSONALITY DEVELOPMENT PROGRAM

On 30 April 2026, the Chhatrapati Shahu Ji Maharaj Innovation Foundation (CSJMIF), under the guidance of Hon'ble Vice Chancellor Prof. Vinay Kumar Pathak, organized a workshop on "Founder's Personality and Communication." The session focused on communication skills, personality development, and entrepreneurial mindset building. Dr. Rao Vikram Singh, President of TiE UP, attended as Chief Guest and shared valuable insights on confidence, effective communication, and leadership for founders. Participants included startups, students, and aspiring innovators. CSJMIF CEO Dr. Divyansh Shukla highlighted incubation opportunities and mentorship support. The workshop inspired participants to strengthen their entrepreneurial and professional growth journeys.

WORLD ENVIRONMENT DAY 2026

On the occasion of World Environment Day 2026, celebrated on 5 June, the Chhatrapati Shahu Ji Maharaj Innovation Foundation (CSJMIF) organized a plantation drive within the university campus under the guidance of Hon'ble Vice-Chancellor Prof. Vinay Kumar Pathak. Fruit-bearing and flowering saplings were planted to enhance green cover, support biodiversity, and promote environmental sustainability. The event was attended by dignitaries, faculty members, officials, and representatives of incubated startups, showcasing a shared commitment to a greener future. Environmental awareness posters further encouraged nature conservation and sustainable living. Every sapling planted today contributes to a healthier tomorrow.

CYBER SECURITY WORKSHOP 2026

A highly impactful Cyber Security Workshop was organized on 24 March 2026 at K.K. P.G. College, Etawah under the guidance of Hon'ble Vice Chancellor Prof. Vinay Kumar Pathak, with support from Chhatrapati Shahu Ji Maharaj Innovation Foundation (CSJMIF), Kanpur and C3iHub, IIT Kanpur. The workshop aimed to promote cyber security awareness, financial literacy, and future-ready skills. Experts shared valuable insights on data protection, responsible digital citizenship, AI, cyber security careers, and innovation opportunities. Students actively engaged in discussions on cyber safety, digital finance, and emerging technologies, making the event a significant step toward building a secure digital future.

BOOTCAMP WITH T-HUB HYDERABAD

T-Hub Hyderabad, in collaboration with the CSJM Innovation Foundation (CSJMIF), successfully organized a comprehensive 5-day bootcamp at the Senate Hall for students of Chhatrapati Shahu Ji Maharaj University (CSJMU). Focused on fostering entrepreneurial spirits, the intensive program featured an impressive lineup of great speakers boasting deep expertise in startup innovation and venture creation. Throughout the five days, students engaged in interactive sessions, gaining invaluable insights into the startup ecosystem, design thinking, and business scaling. The collaborative initiative successfully equipped aspiring student entrepreneurs with the foundational knowledge and practical tools necessary to transform innovative ideas into viable businesses.

INVESTORS CONNECT PROGRAM

Under the guidance of Vice Chancellor Prof. Vinay Kumar Pathak, the Chhatrapati Shahu Ji Maharaj Innovation Foundation (CSJMIF), Kanpur, successfully hosted an inspiring session titled “The Founder’s Room.” The event featured Mr. Amit Ratanpal (Founder & MD, BLiNC Investment Management), who shared critical insights on investment strategies and scalability for EdTech, FinTech, and MedTech startups. Following keynotes by Dr. Divyansh Shukla (CEO, CSJMIF) and Dr. Rao Vikram Singh (President, TiE UP), budding founders from IIT Kanpur, PSIT, AITH, and Axis Colleges engaged in dynamic ideas exchanges and exclusive one-to-one mentoring. The event concluded seamlessly with a vote of thanks by Mr. Anshu Singh.

CSJMIF & BARYTECH SEED CAPITAL PROGRAM

The Chhatrapati Shahu Ji Maharaj Innovation Foundation (CSJMIF), in collaboration with BaryTech, officially launched the BaryTech Seed Capital Program, an equity-based investment initiative aimed at supporting innovative and high-growth startups. The program offers seed funding of up to ₹10 lakhs for ventures in sectors such as AI & Healthcare, Agri-Tech, Green-Tech, and emerging technologies. In addition to financial support, selected startups will receive incubation, mentorship, industry networking, market access, and commercialization assistance. The initiative seeks to foster technology-driven entrepreneurship and strengthen India’s innovation ecosystem by nurturing investment-ready startups.

AGRI TECH

Nutrikosh India Private Limited

Founder: Ashutosh Tiwari

Nkosh is a tech-driven platform that enables farmers, MSMEs, and producer groups to access extensive B2B and B2C market segments. The full-stack universal platform offers a full range of solutions and services in both the upstream and downstream sides of India's Agri value chain.

Hitkari Innotech Private Limited

Founder: Pratima Pathak & Neeraj Pathak

The company founded with the motive to enhance and provide technical innovations to arise the living standard of the human being with minimum efforts and maximum efficiency towards safety, security, comfort, sustainable and feasible developments for peaceful and prosperous society towards a healthy global community. We are engaged in development of Agri-Tech, Environment and waste management technologies.

Sunrise Grove Private Limited

Founder: Shalini Awashi Ankush Saxena

Sunrise Grove Pvt Ltd brings an advanced smart IoT-based irrigation device with inbuilt RTOS, designed to automate precise, solar-powered watering. It ensures healthier plants, conserves water, and transforms plant care into a sustainable, intelligent, and effortless experience for homes, farms, and plantations.

AGRI TECH

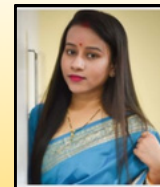

Appin Green Private Limited

Founder: Ila Dr. S.D. Kaistha

AppinGreen is a sustainability-driven startup focused on transforming agriculture with SoilSense, AI-powered soil health monitoring system that delivers instant, lab-free soil insights and recommendations, helping farmers improve yields, cut chemical use, and adopt climate-smart practice.

Srajan Data Analytics Private Limited

Founder: Shyamali Sahai & Amit Srivastava

SrajanAI is a tech-driven startup offering an AI-powered farm monitoring platform. It leverages satellite imagery, geospatial analytics, and machine learning to provide farmers, FPOs, and agribusinesses with actionable insights for crop health, yield forecasting, and resource optimization.

Shivaay Dhasmana Private Limited

Founder: Neetu Dhasmana

Our business is committed to promoting health, sustainability, and transparency by offering organic and natural food products through a tech-enabled supply chain. We source certified organic, chemical-free grains, pulses, spices, oils, and other daily essentials directly from local farmers, ensuring purity, fair pricing, and ethical farming practices.

AEROSPACE

Datum Advanced Composites Private Limited

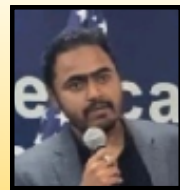

Founder: Vina Tiwari & Tanmay Tiwari

Datum (an ISO9001:2015 certified company) delivers design, development, manufacturing & supply of high-quality conforming lightweight composite systems to UAV fabricators worldwide through the use of conventional, automated & additive manufacturing processes. Along with bespoke Designing and Engineering consultation Datum excels at Prototyping, Material & Process Technology Development, Material Testing & Characterisation, and Professional Training services to our customers worldwide.

SPACE TECH

Space Philic Private Limited

Founder: Indra Narayan Chaudhary

Space Philic Private Limited is a new-gen space-tech organization primarily focused on the design, manufacturing and launch of Reusable Launch Vehicle. We are a team of highly-skilled, dynamic and experienced change-makers who have an affinity towards Space Technology.

IoT AI/ML

SafalHost Private Limited

Founder: Kiran Vishwakarma & Poonam

SafalHost Pvt. Ltd. is an innovation-led Indian technology company revolutionizing digital infrastructure. Unlike profit-driven giants, SafalHost builds AI-powered next-generation servers, optimizing performance, security, and automation. With hosting plans starting at just ₹19/month, it breaks barriers for startups, businesses, and students. Offering LiteSpeed servers, AI tools, and offline-to-online connectivity, SafalHost ensures affordability, accessibility, and enterprise-grade reliability.

SAAS

Amandy Labs Private Limited

Founder: Aman Singh

We believe in delivering best web design and development services and thus we have an expertise in domain keeping the quality in mind. We offer various services like Web development software development, App Development, Digital Marketing and many more.

Open Spectrum AI Private Limited

Founder: Rajnish K Tripathi Aditya Mishra

Innovative IoT solutions for smart farming. At AgroTrace, I lead efforts to develop and deliver cutting-edge technology that empowers farmers to optimize irrigation, fertigation, and crop stress management, ensuring sustainable and efficient farming practices

SNS Innovation Labs Private Limited

Founder: Satyen Srivastava

SNS Innovation Labs Pvt. Ltd. is a forward-thinking startup devoted to advancing both technological innovation and educational outreach. We are at the cutting edge of developing an AI tool designed specifically for the Hindi language, ensuring accuracy in grammar, syntax formation, word selection and language modification. This tool is poised to enhance the precision of Hindi communication, making it more effective and accessible in the digital age, while preserving the linguistic richness of the language.

AUTOMATION

Ottoclick Products & Services Private Limited

Founder: Shridhar Tiwari, Sarthak Tiwari

Ottoclick offers bespoke and affordable Home Automation and cloud integrated IoT solutions. The product line-up ensures energy saving, addresses human inadvertence, comfort, ease of use, understand usage-behavior pattern, and manage the electrical assets using AI powered Cloud Interface.

BUSINESS TECH

TYRES at HOMES Private Limited

Founder: Tarun Kumar Mishra

TYRES at HOMES is Providing Doorstep Tyres, Batteries & Essential Service Provider. We are selling Multiple Brand Tyres like CEAT, Apollo, Bridgestone, Yokohama, Goodyear, Amron Batteries, Tyre Puncture Services at Home or Needed Place. Currently Noida's Leading Doorstep Tyre Service Provider and NCR's 3rd Leading Company.

FMCG

Tiwar Empire Private Limited

Founder: Asheesh Tiwari

Tiwar Empire Private Limited is a fast-growing company in the F&B industry, offering a wide range of healthy and tasty packaged snacks for both B2B and B2C markets. As a trusted FMCG brand, the company is committed to delivering high-quality ready-to-eat snack products that combine traditional Indian flavors with modern packaging and convenience.

CLEAN TECH

ZBee Technologies Private Limited

FLOTAA

Founder: Bhuvan Bhatia Avinash Bajpai

FLOTAA is a Water Tech start up working in the field of Water Conservation and envisions the access of potable and clean water to the population around the world keeping in the coherence with the ecology. We aim at creating more and more water positive homes, offices, and departments using the latest technologies of IOT and AI to build SMART WATER MANGEMENT SYSTEMS.

New Gether India Private Limited

newgether
let's rebuild

Founder: Rishabh Yadav

Newgether is a CleanTech startup working in the area of improving air quality. The startup provides Public and Industry grade air solution which is integrated with the multi purpose engagement models including electronic displays, ad-info-warning panels. The backend assessment solution helps monitor the AQI at micro-level

Corfacture Private Limited

Founder: Shashank Yadav

Corfacture Pvt Ltd provides institutional services of clothes cleaning. Students living in hostels and PG face time mismanagement while studying. Thus, Corfacture gives 1 click solution for laundry using Dailywash Application where students just click photos of clothes and give it to collecting agent. We are committed to give fastest services.

SUSTAINABILITY

**INTELLECTUAL
PROPERTY**

**INTELLECTUAL
PROPERTY
RIGHTS (IPR)
2025-26**

IPR CELL, CSJM UNIVERSITY, KANPUR

Established in the year 2024, IPR Cell plays a pivotal role in fostering an environment of innovation and intellectual property protection within the university. Its primary objective is to create awareness about the significance of Intellectual Property Rights (IPR) among students, faculty, and researchers while providing guidance on the processes involved in protecting their inventions, research, and creative works. The IPR Cell assists in identifying patentable ideas, facilitating patent filing and ensuring the legal safeguarding of innovations. It also conducts workshops seminars, and training sessions to educate the academic community on various aspects of IPR, including patents, copyrights, trademarks, and design rights. By acting as a bridge between innovators and the legal framework, the IPR Cell encourages commercialization of research and collaboration with industries.

The IPR Cell extends its services to teachers and students across the university and its affiliated colleges, ensuring comprehensive support in intellectual property protection. This inclusiveness promotes a wider culture of innovation, fostering creativity and collaboration throughout the academic ecosystem. By nurturing creativity and protecting intellectual contributions, the IPR Cell plays a crucial role in driving technological advancement and societal progress. Mr. Jignesh Mungalpara Partner, JT Attorney Alliance took a special technical session on the nuances of how to figure out research gap through patent database for the faculty members and Research Scholars of of School of Life Sciences and Biotechnology.

The IPR Cell has successfully organized over 15 workshops, which have proven beneficial for students, researchers, and faculty members on a monthly basis. During these sessions, the IPR Cell invited renowned experts from the JT Attorney Alliance—including Dr. Jignesh Mangalpara and Mr. Tushar Kumar Srivastava—who guided participants on patent filing, trademark registration, and other critical aspects of IPR. The contribution of Dr. Divyansh Shukla, the In-charge of the IPR Cell, was pivotal and integral to the successful organization and execution of these workshops.

Chhatrapati Shahuji Maharaj IPR Cell has recently organized a series of workshop focused on Intellectual Property Rights (IPR) aiming to create awareness and encourages faculty members and research scholars to actively pursue patent filing for their innovative ideas. These workshops were designed to empower participants with essential knowledge regarding the patent process and to highlight the importance of protecting intellectual creations. As part of this initiative, distinguished industry experts Mr. Jignesh Mungalpara and Mr. Tushar Srivastava from JT Attorney were invited to interact with the attendees.

On the occasion of World Intellectual Property Day, the IPR Awareness & Innovation Promotion Forum (IAIPF) organized an exclusive IP Awareness Program on 24th April 2026 at Hotel Vijay Intercontinental, Kanpur, from 3:00 PM onwards, The event was conducted with the support of Ministry of MSME, Japan External Trade Organization (JETRO), GST & Customs Department. The program aimed to spread awareness about Intellectual Property Rights (IPR), innovation promotion, and the importance of protecting creative and industrial assets in today's competitive business environment. The Chhatrapati Shahu Ji Maharaj Innovation Foundation (CSJMIF) actively participated in this significant program, demonstrating its commitment to fostering innovation, entrepreneurship, and intellectual property awareness.

On 6 March 2025, an Intellectual Property Rights (IPR) event was successfully conducted by the Chhatrapati Shahu Ji Maharaj Innovation Foundation at Dr. Brajendra Swarup College. The event aimed to spread awareness and enhance understanding of Intellectual Property Rights among students, researchers, and innovators.

The event was graced by notable attendees, including Mr. Anil Kumar Mishra, Dr. Divyansh Shukla (Assistant Director, Law), and Mr. Anil Kumar Tripathi (Incubation Manager). Their presence and insights added great value to the discussions and knowledge-sharing sessions.

The program highlighted the importance of protecting innovations, patents, copyrights, trademarks, and other intellectual assets in today's knowledge-driven economy.

TOP FACULTY MEMBERS WITH THE HIGHEST OF PATENTS FILED IN 2025

“The following faculty members have demonstrated exceptional innovation and research excellence by filing the highest number of patents in the year 2025, contributing significantly to the institution’s intellectual property portfolio.”

RESEARCH FIELDS

INCREASE IN PATENT FILINGS

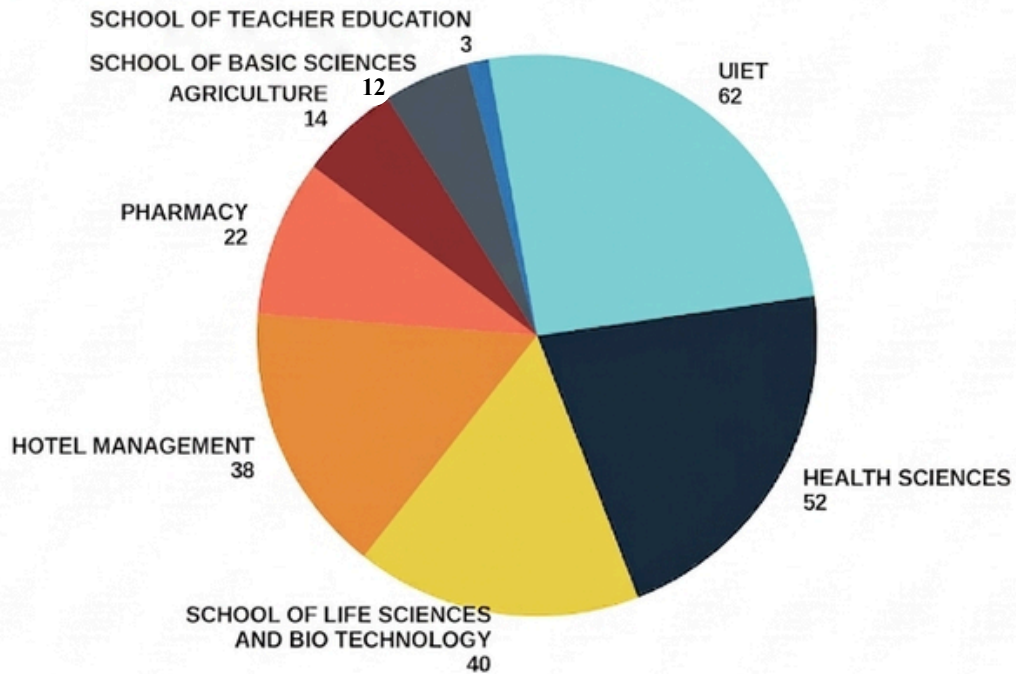

Over the past three years, the university has demonstrated tremendous progress in the fields of innovation, research, and intellectual property development. To date, the institute has successfully filed a total of 356 patent applications and 69 design applications, reflecting its robust and rapidly growing research culture of these, 45 design applications have already been granted approval, underscoring the quality and practical relevance of the innovations developed within the university's ecosystem. This significant achievement highlights the institute's sustained efforts to foster creativity, technology-based solutions, and applied research.

Contributors to Patent Filings Across Various Departments

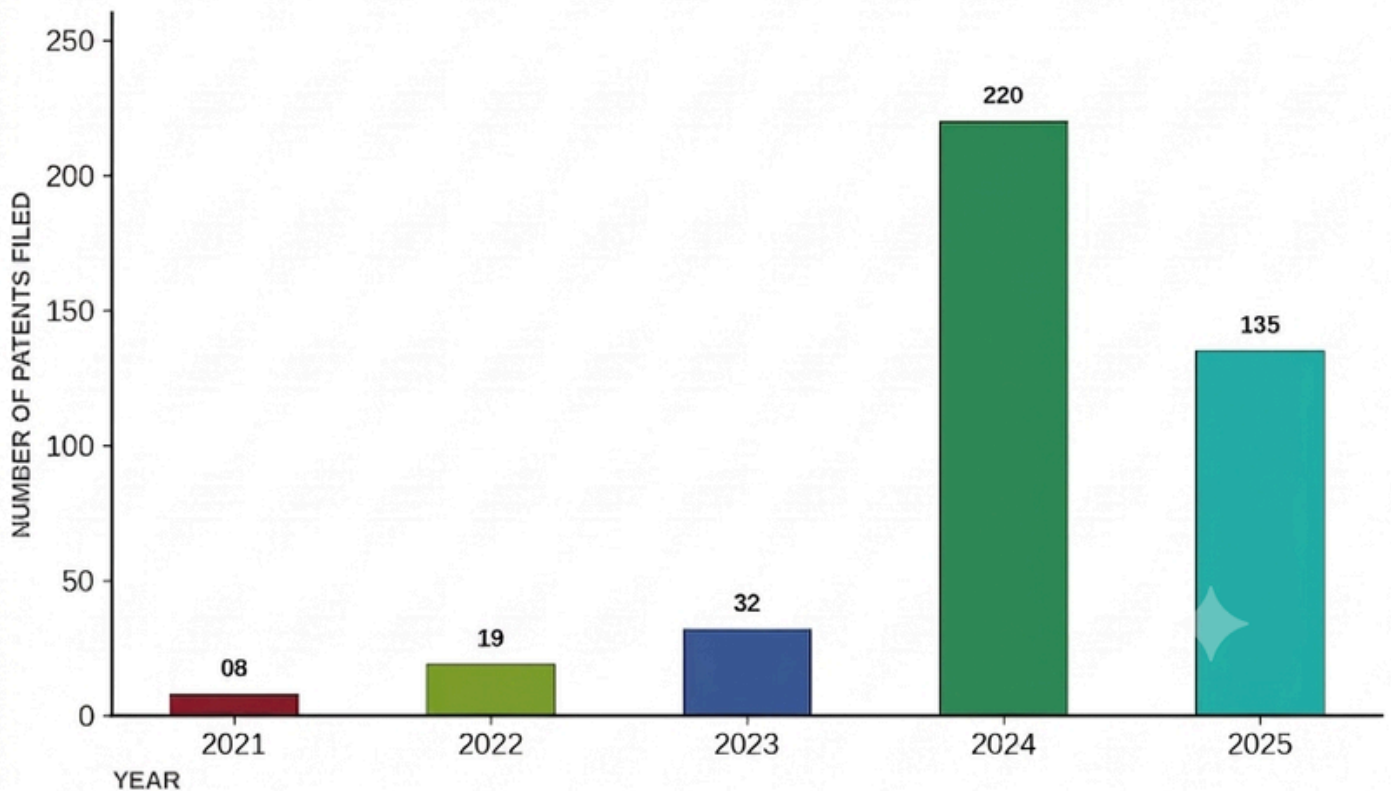

S. No.	Faculty Name	Department	Patents Filed
1	Dr. Digvijay Sharma	Department of Health Sciences	32
2	Dr. Shivanshu Sachan	School of Hotel Management	26
3	Dr. Vishal Awasthi	Department of Engineering and Technology	13
4	Dr. Hradesh Rajput	Department of Advanced Agriculture	8

TRAINING PROGRAMS AND COURSES

VOCATIONAL COURSES

CSJM Innovation Foundation is proud to serve as the implementing partner for vocational courses at CSJM University, working alongside esteemed knowledge partners to deliver impactful, skill-driven education.

CYBERSECURITY : C3iHUB, IITK

>100000 students benefited from Vocational Course on Cybersecurity offered by C3iHub IIT Kanpur. The course was offered in Hindi in online mode with hands on practicals sessions - 2025-26

AI FOR ALL: KALAM FOUNDATION PVT LTD

Artificial Intelligence prompt writing and use of agentic AI tools in Hindi language made easy with gamification and user experience to be offered as vocational course by CSJMU, CSJM IF with Kalam Foundation Pvt Ltd (2025-26 session)

Cyber Security Workshop

On 24 March 2026, a Cyber Security Workshop was successfully organized at K.K. P.G. College, Etawah. The program was conducted under the guidance of Vinay Kumar Pathak and supported by Chhatrapati Shahu Ji Maharaj Innovation Foundation and C3iHub, IIT Kanpur.

SKILL TRAINING COURSES

Digital Marketing Program with MM FFDC, Kannauj

Over 150 Girl students were training in Digital Marketing and Entrepreneurship in 30h workshops on “Digital Marketing” offered by FFDC

Kanpur Vidyamandir P.G. College, Kanpur

Entrepreneurship and Skill Development Program

MSME DFO Kanpur, launched the Entrepreneurship cum Skill Development Program (ESDP Program) in the Department of Fashion Technology, UIET

Management Development Program

MSME DFO Kanpur, launched the Management Development Program for students of CSJM Univeristy Kanpur

PROGRAMS OFFERED

Sr. No.	Programs	Program Rates
1	Entrepreneurship Development Program (2 day program for 30 participants)	₹ 50,000/-
2	Management Development Program (2 day program for 30 participants)	₹ 50,000/-
3	AI Smart Entrepreneurship Development Workshop for Industry (2 day program for 30 participants)	₹ 1,00,000/-
4	Cybersecurity & Data Mining Training	₹ 1,00,000/-
5	Women Entrepreneurship Development Incubation Program (6 months hand holding for 10 team cohort)	₹ 2,00,000/-
6	Girl Child Skill Training 30 h Workshop	₹ 50,000/-
7	Industry Led Academic Problems Solving Innovation Challenge	₹ 50,000/-
8	Regulatory Compliance and Quality Standards Training	₹ 1,00,000/-
9	Sustainability Analysis, Green Technology Adoption and Annual Reporting Services	₹ 2,00,000/-
10	Technology Commercialization and IP Management Workshop	₹ 50,000/-

समिट में सीएसजेएमयू के नवाचार आकर्षण का केंद्र

कानपुर, प्रमुख संवाददाता। छत्रपति शाहू जी महाराज विश्वविद्यालय के छात्रों ने नई दिल्ली में आयोजित इंडिया एआई इम्पैक्ट समिट में न सिर्फ हिस्सा लिया बल्कि उनके नवाचार की जमकर प्रशंसा भी हुई। वहीं, उच्च शिक्षा में आर्टिफिशियल इंटेलिजेंस (एआई) के बढ़ते प्रभाव को लेकर विवि के प्रतिनिधि मंडल ने अंतर्राष्ट्रीय विश्वविद्यालयों और उद्योग संगठनों के साथ बहु-संस्थागत एमओयू की संभावनाओं पर चर्चा की। खास तौर पर हाल ही में निवेश प्राप्त करने वाले एआई इंफ्रास्ट्रक्चर

प्लेटफॉर्म न्येसा और कौशल विकास व नवाचार को प्रोत्साहन देने वाले वाधवानी ग्रुप के साथ पाठ्यक्रमों को वास्तविक दुनिया की कम्प्यूटिंग, डेटा गवर्नेंस और अनुप्रयुक्त शोध से जोड़ने को लेकर विस्तार से बात की। सम्मेलन में विश्वविद्यालय के दो उभरते स्टार्टअप पहलों एसएनएस इनोवेशन लैब के संस्थापक सत्यान श्रीवास्तव और अमैडी लैब के संस्थापक अमन सिंह ने अपना नवाचार प्रस्तुत किया, जो वहां आकर्षण का केंद्र रहा। विवि के कुलपति प्रो. विनय कुमार पाठक ने टीम को बधाई दी।

राजपुर के श्री राम प्रकाश पोरवाल महाविद्यालय में स्टार्टअप इनोवेशन पर कार्यशाला सम्पन्न

—राजपुर के श्री राम प्रकाश पोरवाल महाविद्यालय में स्टार्टअप इनोवेशन पर कार्यशाला सम्पन्न।

को भी विश्व की विद्यार्थियों में व्यापक जागरूकता और प्रेरणा देना है। इस कार्यशाला में विद्यार्थियों को नवाचार के क्षेत्र में कार्य करने के लिए प्रेरणा दी गई। इस कार्यशाला में विद्यार्थियों को नवाचार के क्षेत्र में कार्य करने के लिए प्रेरणा दी गई।

कानपुर : पीपीएन कालेज में संस्था नवाचार प्रकोष्ठ आइक्यूएसी की ओर से उद्यमिता जागरूकता कार्यक्रम किया गया। शुभारंभ मुख्य अतिथि एफएफडीसी के सहायक निदेशक डा. भक्ति विजय शुक्ला, विशिष्ट अतिथि छत्रपति शाहूजी महाराज विश्वविद्यालय के इनोवेशन फाउंडेशन के नवाचार अधिकारी डा. अनिल त्रिपाठी ने किया। इस अवसर पर वक्ताओं ने अरोमा एवं संबद्ध उद्योगों में उपलब्ध रोजगार एवं उद्यमिता के अवसरों की जानकारी दी। जास

एआई समिट में गुंजा सीएसजेएमयू का एआई विजन

एआई सम्मेलन में मौजूद सीएसजेएमयू के प्रोफेसर।

‘एआई के साथ निर्माण’ की दिशा में ठोस कदम, दो स्टार्टअप ने बटोरी राष्ट्रीय सराहना

(आज समाचार सेवा)

कानपुर, 19 फरवरी। उच्च शिक्षा में आर्टिफिशियल इंटेलिजेंस (एआई) के बढ़ते प्रभाव के बीच छत्रपति शाहू जी महाराज विश्वविद्यालय (सीएसजेएमयू) ने राष्ट्रीय स्तर पर अपनी सशक्त उपस्थिति दर्ज कराई है। नई दिल्ली में आयोजित इंडिया आल इम्पैक्ट समिट में विश्वविद्यालय की सक्रिय भागीदारी ने यह स्पष्ट किया कि संस्थान एआई को केवल तकनीकी विषयों तक सीमित न रखकर सभी संकायों में समाहित करने की दिशा में गंभीर और प्रतिबद्ध है।

सम्मेलन के दौरान विश्वविद्यालय के प्रतिनिधि मंडल ने अंतर्राष्ट्रीय विश्वविद्यालयों और उद्योग संगठनों के साथ बहु-संस्थागत एमओयू की संभावनाओं पर विस्तृत चर्चा की। विशेष रूप से हाल ही में निवेश प्राप्त करने वाले एआई इंफ्रास्ट्रक्चर प्लेटफॉर्म न्येसा और कौशल विकास व नवाचार को प्रोत्साहन देने वाले वाधवानी ग्रुप के साथ हुई वार्ता को महत्वपूर्ण माना जा रहा है। बातचीत का केंद्र बिंदु रहा पाठ्यक्रमों को वास्तविक दुनिया की कम्प्यूटिंग, डेटा गवर्नेंस और अनुप्रयुक्त शोध से जोड़ना। सम्मेलन में विश्वविद्यालय की दो उभरती स्टार्टअप पहलों एसएनएस इनोवेशन लैब्स प्रा. लि. (संस्थापक : सत्यान श्रीवास्तव) और अमानडी लैब्स (संस्थापक : अमन सिंह) ने विशेष आकर्षण पकड़ा। इन स्टार्टअप ने न केवल तकनीकी नवाचार प्रस्तुत किया बल्कि छात्र-शिक्षक आधारित उद्यमिता को भी रेखांकित किया। शिक्षाविदों का मानना है कि एआई का सीमित और असमान उपयोग सामाजिक विषमताओं को बढ़ा सकता है। ऐसे में सीएसजेएमयू की रणनीति मानविकी, सामाजिक विज्ञान, वाणिज्य और प्रबंधन जैसे विषयों में भी एआई सांख्यिकी को बढ़ावा देने पर केंद्रित है। सहायक अवर-संरचना और क्रॉस-सेक्टर साझेदारियों के माध्यम से विश्वविद्यालय गवर्नर और प्रिंसिपल और समावेशी एआई अपनाने की दिशा में अग्रसर है।

के.के. कॉलेज इटावा में साइबर सुरक्षा पर हुई कार्यशाला, डिजिटल सुरक्षा पर दिया गया जोर

इटावा। के.के. कॉलेज, इटावा में एक दिवसीय साइबर सिक्योरिटी जागरूकता कार्यशाला का आयोजन किया गया। यह कार्यशाला कुलपति प्रो. विनय पाठक के संरक्षण एवं मार्गदर्शन में छत्रपति शाहू जी महाराज विश्वविद्यालय, कानपुर एवं उद्यमिता आइआईटी, कानपुर के संयुक्त तत्वावधान में आयोजित की गई, जिसमें जनपद इटावा के विभिन्न महाविद्यालयों के प्राचार्य एवं साइबर सिक्योरिटी चोकेनल कोर्स के समन्वयकों ने भाग लिया। कार्यक्रम के मुख्य अतिथि प्रो. आर.के. द्विवेदी, निदेशक, कॉलेज विक।स परिषद, सीएसजेएम विश्वविद्यालय कानपुर रहे। कार्यक्रम का शुभारंभ दीप प्रज्वलन एवं सरस्वती वंदना के साथ हुआ। महाविद्यालय के प्राचार्य प्रो. महेंद्र सिंह ने अतिथियों का स्वागत करते हुए कार्यशाला के महत्व पर प्रकाश डाला और बताया कि डिजिटल युग में डेटा सुरक्षा अत्यंत आवश्यक हो गई है। उन्होंने कहा कि साइबर फ्रॉड की घटनाएँ लगातार बढ़ रही हैं और डिजिटल जगत भी इसके शिकार

हो रहे हैं, इसलिए जागरूकता जरूरी है। मुख्य अतिथि प्रो. आर.के. द्विवेदी ने कहा कि इंटरनेट के बढ़ते उपयोग के साथ साइबर अपराध भी तेजी से बढ़ रहे हैं, ऐसे में शिक्षार्थियों को जिम्मेदारों है कि वे डिजिटल जगत को सुरक्षित करें। उन्होंने बताया कि नई शिक्षा नीति के तहत साइबर सिक्योरिटी चोकेनल कोर्स विद्यार्थियों के रिस्कट डेवलपमेंट के लिए शुरू किया गया है। विश्वविद्यालय इनोवेशन फाउंडेशन के इंडियेशन मैनेजर श्री अनिल त्रिपाठी ने नवाचार एवं स्टार्टअप पहलों को

शैलेन्द्र वादव ने कोर्स से जुड़ी समस्याओं के समाधान पर चर्चा की। आईआईटी से आए विशेषज्ञ श्री अमरवीर खत्री ने कोर्स डिजाइन समझाया, जबकि साइबर सिक्योरिटी इंस्ट्रक्टर श्री एस्वर्य वर्मा ने साइबर अपराधों के प्रकार, बचाव के उपाय और सुरक्षित ऑनलाइन व्यवहार पर विस्तृत जानकारी दी। कार्यक्रम का संचालन प्रो. शिवराज सिंह वादव ने किया। अंत में सभी अतिथियों एवं प्रतिभागियों का धन्यवाद जताया गया। यह कार्यक्रम जनवर्षक एवं
