FROM THE DESK OF THE HON'BLE VICE-CHANCELLOR

In today's evolving global landscape, universities play a crucial role in connecting nations, cultures, and ideas beyond traditional boundaries. Chhatrapati Shahu Ji Maharaj University is committed to this vision and is steadily emerging as a dynamic Global Learning Hub through the dedicated efforts of the International Relations and Academic Cooperation (IRAC) Cell. The University continues to foster an environment where global perspectives and academic excellence go hand in hand.

The IRAC Cell serves as a strategic platform to strengthen international engagement by building meaningful collaborations with reputed universities, research institutions, and industries worldwide. It actively promotes student and faculty exchange programmes, joint research initiatives, academic mobility, and global internships, thereby enriching learning experiences and expanding opportunities for innovation and knowledge sharing.

Through these sustained efforts, the University has significantly enhanced its global footprint while maintaining a balanced approach that aligns internationalization with national priorities. The IRAC Cell also organizes international conferences, workshops, and cultural exchange programmes that promote cross-cultural understanding and prepare students to become globally competent professionals equipped to address contemporary challenges.

I sincerely appreciate the contributions of our faculty, students, staff, and esteemed global partners whose commitment has strengthened our international presence. I extend my best wishes to the IRAC Cell for its continued success and am confident that Chhatrapati Shahu Ji Maharaj University will continue to grow as a centre of knowledge, collaboration, and global understanding.

❖ FROM THE DESK OF THE PRO-VICE CHANCELLOR

In an era defined by globalization and rapid knowledge exchange, higher education institutions must actively foster international collaboration and academic innovation. Chhatrapati Shahu Ji Maharaj University is steadfast in its commitment to this vision, with the International Relations and Academic Cooperation (IRAC) Cell playing a central role in strengthening our global engagement and academic outreach.

The IRAC Cell has emerged as a key facilitator in promoting international partnerships, academic mobility, and collaborative research initiatives. By connecting our University with reputed institutions across the globe, it enables students and faculty to benefit from diverse learning environments, cross-cultural experiences, and innovative academic practices. These initiatives not only broaden perspectives but also enhance the quality of education and research within the University.

Our focus remains on integrating global best practices with local relevance, ensuring that international collaborations contribute meaningfully to academic growth and societal development. Through conferences, exchange programmes, joint projects, and capacity-building initiatives, the IRAC Cell continues to create opportunities that empower our academic community to excel in a competitive global environment.

I appreciate the continuous efforts of the IRAC team, faculty members, students, and our esteemed international partners in advancing the University's global vision. I am confident that with sustained dedication and strategic initiatives, Chhatrapati Shahu Ji Maharaj University will continue to flourish as a centre of excellence, innovation, and international cooperation.

FROM THE DESK OF THE REGISTRAR

It is a matter of great pride to witness the growing international stature of Chhatrapati Shahu Ji Maharaj University as it continues to strengthen its global engagement through the International Relations and Academic Cooperation (IRAC) Cell. In an increasingly interconnected world, the role of academic institutions extends beyond conventional boundaries, and our University is committed to fostering global linkages that enrich academic and administrative excellence.

The IRAC Cell plays a pivotal role in facilitating international collaborations, streamlining academic partnerships, and supporting mobility programmes for students and faculty. From formalizing Memoranda of Understanding (MoUs) to enabling exchange programmes and joint academic initiatives, the Cell ensures that all collaborations are effectively coordinated and aligned with institutional policies and regulatory frameworks.

From an administrative perspective, the University has continuously worked towards creating a transparent, efficient, and supportive system that enables seamless execution of international programmes. The IRAC Cell, in coordination with various departments, ensures smooth communication, proper documentation, and timely facilitation of all global engagements, thereby enhancing the overall experience for both national and international stakeholders.

I commend the dedicated efforts of the IRAC team, faculty members, and administrative staff whose collective contribution has strengthened the University's global outreach. I am confident that with continued commitment and collaboration, Chhatrapati Shahu Ji Maharaj University will further establish itself as a globally connected institution fostering academic excellence and international cooperation.

Chhatrapati Shahu Ji Maharaj University, Kanpur FIVE YEARS OF VISIONARY LEADERSHIP POWERING ITS RISE AS A GLOBAL LEARNING HUB

In the twenty-first century, the global map of power is being redrawn not merely by economic or military strength, but equally by the reach of knowledge and the influence of education. India, with its demographic dividend and intellectual tradition, is at the heart of this transformation. Within this fast-changing geopolitical scenario, Chhatrapati Shahu Ji Maharaj University, Kanpur, stands at a unique crossroads, emerging as a vibrant centre of excellence and a rising hub for global learning.

This phase of institutional advancement has been significantly strengthened under the leadership of Hon'ble Vice Chancellor Prof. Vinay Kumar Pathak, who has successfully completed five years of dedicated service marked by notable achievements and progressive reforms. His tenure has been characterized by academic innovation, strengthened global engagement, and a clear emphasis on excellence, thereby guiding the university toward greater national and international recognition.

Over the years, Chhatrapati Shahu Ji Maharaj University (formerly Kanpur University) has established itself as a significant pillar of higher education in Uttar Pradesh, contributing to the academic and professional development of countless students. In the present context, however, its role transcends conventional educational functions. The university is increasingly aligning its institutional vision with India's larger geopolitical, cultural, and knowledge-based objectives.

Chhatrapati Shahu Ji Maharaj University, Kanpur is strengthening its research ecosystem through its Centre of Excellence framework, fostering innovation across science, technology, social sciences, and Indian knowledge systems. These initiatives aim to build intellectual capital for both national development and global academic discourse. The growing focus on dissertations, quality publications, and research output reflects its aspiration for international recognition. This progress has been significantly driven by Hon'ble Vice Chancellor Prof. Vinay Kumar Pathak, whose five-year tenure has been marked by academic reforms, research expansion, and a strong emphasis on global engagement.

In the context of India's vision of *Viksit Bharat 2047*, universities like Chhatrapati Shahu Ji Maharaj University are expected to act as key drivers of intellectual and strategic progress. As the nature of global power increasingly shifts toward knowledge and innovation, higher education institutions become central to national advancement. Chhatrapati Shahu Ji Maharaj University's evolution from a state institution to an emerging global academic hub mirrors India's broader rise: rooted in tradition, strengthened by present achievements, and guided by an ambitious vision for the future.

"In the changing winds of geopolitics, the steady and inspirational leadership of our Hon'ble Vice-Chancellor has been the compass guiding CSJMU toward global horizons of learning and cooperation."

TOWARDS A GLOBAL FUTURE

With a forward-looking vision of global integration, CSJMU continues to advance towards a truly international future through academic diplomacy, innovation, and cross-cultural engagement. These efforts reinforce its commitment to becoming a globally recognized hub of learning, collaboration, and excellence.

“Five Years of Visionary Leadership and Transformational Excellence”

With profound gratitude and deep admiration, we acknowledge the extraordinary five-year journey of Chhatrapati Shahu Ji Maharaj University under the visionary and dynamic leadership of the Hon'ble Vice-Chancellor. His unwavering commitment, foresight, and dedication have transformed the University into a progressive hub of academic excellence and global engagement.

During this remarkable tenure, the establishment of the International Relations and Academic Cooperation (IRAC) Cell stands as a cornerstone achievement, opening new avenues for international collaboration and academic exchange. The attainment of prestigious NAAC accreditation and consistent progress in NIRF rankings further reflect the University's relentless pursuit of quality and institutional excellence.

Under his inspiring guidance, CSJMU has significantly strengthened its global presence through numerous MoUs with reputed international institutions and organizations. The successful enrollment of over 100 international students is a testament to the University's growing global reputation and its inclusive academic ecosystem. Dedicated initiatives to support and empower international students have enriched the campus with cultural diversity and global perspectives.

At the heart of this transformation lies a strong emphasis on innovation, global connectivity, and student-centric development. The University has consistently fostered an environment that encourages academic excellence, research advancement, and international exposure, ensuring that students and faculty are equipped to meet global standards and emerging challenges.

“Driving Excellence, Inspiring Futures”

Furthermore, the Hon'ble Vice-Chancellor's forward-thinking vision has led to transformative steps toward establishing CSJMU as a leading AI learning hub. By embracing innovation, digital advancement, and future-oriented education, the University is preparing its students to excel in an increasingly technology-driven world.

This five-year milestone is not just a reflection of achievements, but a celebration of visionary leadership, tireless dedication, and an enduring commitment to excellence. With sincere appreciation and gratitude, the entire CSJMU community honors this inspiring journey and looks forward to reaching even greater heights under such exemplary leadership.

In recognition of this inspiring leadership, the CSJMU community expresses its heartfelt gratitude for the Hon'ble Vice-Chancellor's relentless efforts in shaping a future-ready institution. His ability to blend academic rigor with global vision has not only elevated the University's stature but also instilled a culture of innovation, inclusivity, and excellence among students and faculty alike. This remarkable journey continues to inspire confidence, pride, and a shared commitment to uphold and advance the legacy of excellence in the years to come.

“Leading CSJMU

to Global Heights”

The University’s pursuit of excellence has also been reflected through its active participation in prestigious global platforms such as the Vietnam Summit, where meaningful academic and strategic engagements strengthened international visibility and collaboration. These interactions have enabled CSJMU to align itself with emerging global trends, fostering cross-border knowledge exchange and institutional growth.

Further reinforcing this commitment, CSJMU marked a significant presence at the Indian AI Summit in New Delhi. The Hon’ble Vice-Chancellor, along with the University delegation, actively engaged with leading experts, policymakers, and innovators, gaining valuable insights into the rapidly evolving landscape of Artificial Intelligence and digital transformation. This exposure has played a pivotal role in shaping forward-looking academic and research initiatives within the University.

The University’s pursuit of excellence has also been reflected through its active

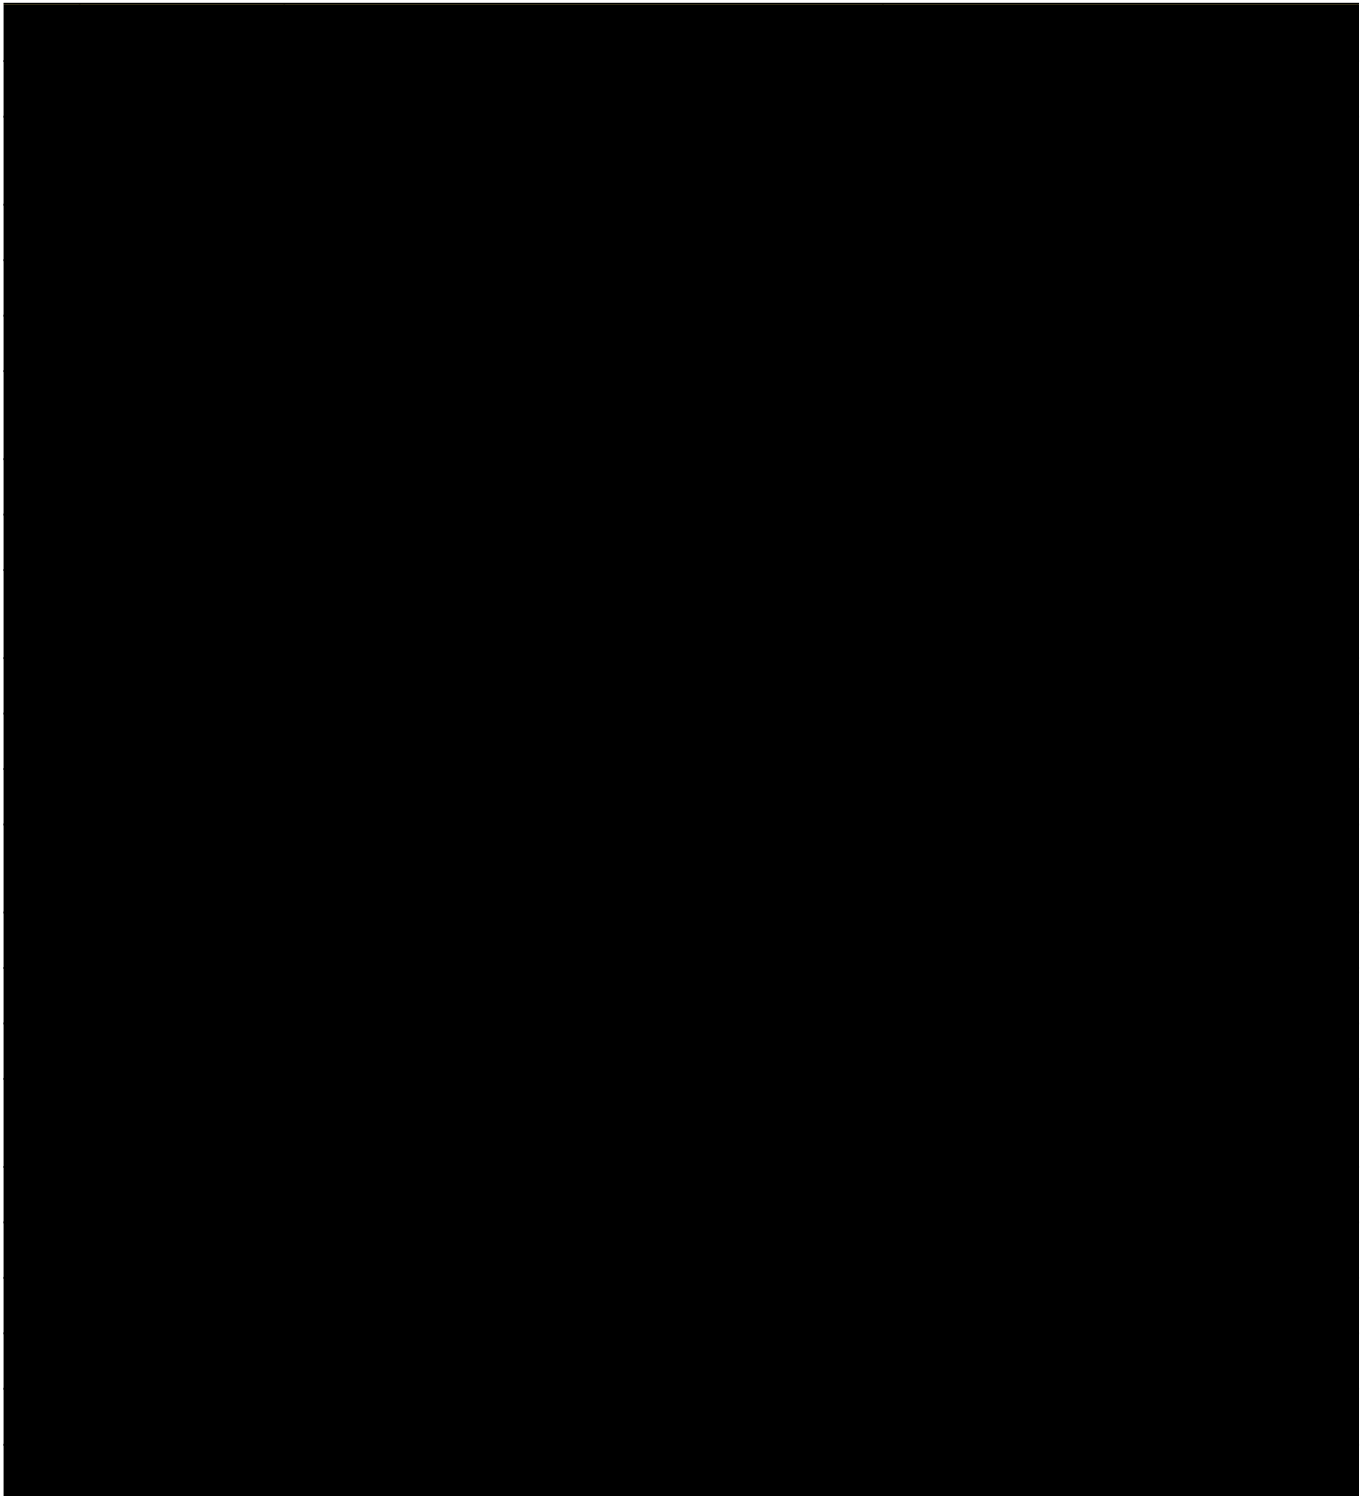

participation in prestigious global platforms such as the Vietnam Summit, along with significant academic visits to Taiwan, London, China, and Spain, which further strengthened international collaborations and created remarkable opportunities for the IRAC Cell. These engagements have enabled CSJMU to align itself with emerging global trends, fostering cross-border knowledge exchange and institutional growth.

Covering fields like biotechnology, biomedical and environmental sciences, the conference features keynote lectures, technical sessions, and collaborative discussions, promoting knowledge exchange and innovation-driven research.

"INNOVATIVE STRATEGIES FOR SUSTAINABLE GOALS IN HEALTHCARE AND PHARMACEUTICAL: ADVANCED DRUG DISCOVERY AND DEVELOPMENT (ICSGP-2026).

- **Dates:** March 13th & 14th, 2026.
- **Organizer:** School of Pharmaceutical Sciences (SPS)
- **Mode:** Hybrid Mode (Online + Offline)

International Conference on "Innovative Strategies for Sustainable Goals in Healthcare and Pharmaceuticals: Advancing Drug Discovery and Development (ICSGP-2026)".

The conference focused on sustainable innovation in drug discovery, integrating AI, green chemistry, and advanced pharmaceutical research. It brought together academicians, researchers, industry experts, and policymakers to discuss global healthcare challenges, promote collaboration, and foster innovation aligned with Sustainable Development Goals (SDGs).

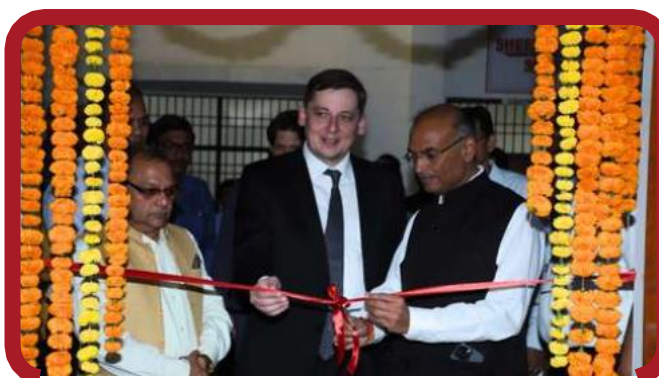

INTERNATIONAL COLLABORATION

"INAUGURATION OF THE INTERNATIONALLY COLLABORATED DRONE (UAV) LAB"

CSJMU is taking a decisive step toward bridging the gap between academic learning and industry expectations.

With the establishment of an AICTE-funded IDEA Lab, a state-of-the-art Cyber Security Lab, and an internationally collaborated Drone (UAV) Lab, students at UIET now have access to hands-on, industry-relevant training. From innovation and prototyping to cybersecurity operations and UAV technologies, the focus is clearly shifting toward practical competence and global exposure. This initiative reflects a strong commitment to nurturing future-ready professionals and fostering a culture of research, innovation, and entrepreneurship.

CSJMU CELEBRATES 61ST FOUNDATION DAY – 2026

Chhatrapati Shahu Ji Maharaj University proudly celebrated its 61st Foundation Day in 2026, marking over six decades of academic excellence, growth, and institutional legacy. The occasion highlighted the University’s remarkable journey since its establishment, reflecting its commitment to quality education, research, and societal contribution.

The celebration was graced by the esteemed presence of the Hon’ble Vice-Chancellor, distinguished faculty members, students, and invited dignitaries. Various academic, cultural, and ceremonial activities were organized to commemorate this significant milestone, showcasing the vibrant spirit and achievements of the University community.

The event also served as a moment of reflection and aspiration, reaffirming CSJMU’s dedication to innovation, global engagement, and holistic development. As the University steps into another year of excellence, it continues to strive toward shaping future leaders and contributing meaningfully to national and global progress.

CSJMU ENGAGES AT AI SUMMIT 2026

"ENGAGING WITH AI INNOVATION: CSJMU AT DELHI SUMMIT"

CSJMU faculty members participated in the AI Summit in Delhi, engaging in meaningful discussions with industry leaders, policymakers, and researchers on the evolving landscape of Artificial Intelligence. The summit provided valuable exposure to emerging technologies, governance frameworks, and collaborative opportunities. Key insights gained will contribute to strengthening research initiatives, curriculum relevance, and industry engagement at the university.

EDUCATION SUMMIT 2026

"INDO-NEPAL EDUCATIONAL SUMMIT 2026 IN KATHMANDU, NEPAL"

Chhatrapati Shahu Ji Maharaj University (CSJMU), Kanpur participated in the Indo-Nepal Educational Summit 2026 in Kathmandu, engaging with leading universities to strengthen collaboration in higher education, research, and cultural exchange. The summit focused on academic partnerships, joint research initiatives, and student opportunities across diverse fields including science, technology, humanities, and Artificial Intelligence.

The discussions also emphasized shared cultural values and their role in enhancing bilateral relations. CSJMU's participation reflects its commitment to global engagement, innovation, and creating impactful academic collaborations for a future-ready learning ecosystem.

EDUCATION SUMMIT 2026

"INTERNATIONAL OUTREACH & REPRESENTATION BHUTAN"

It was a proud and enriching opportunity to represent Chhatrapati Shahu Ji Maharaj University (CSJMU), Kanpur at the International Bhutan Education Fair held in Thimphu on 4th April 2025.

A key highlight of this visit was the esteemed interaction with Ms. Yeezang Dimple Thapa, Hon'ble Education Minister of Bhutan. The engagement extended beyond a formal meeting, evolving into a meaningful dialogue on avenues for academic collaboration, student exchange programs, and the mutual strengthening of educational frameworks across borders.

Such experiences reaffirm that education transcends geographical boundaries. It serves as a powerful medium for building global connections, exchanging ideas, and fostering collaborative growth.

This participation reflects CSJMU's continuous commitment to expanding its international presence and moving forward as a globally connected institution dedicated to academic excellence and cross-cultural engagement.

DELEGATES MEET

"CSJMU WELCOMES NEPALESE FACULTY DELEGATE"

Chhatrapati Shahu Ji Maharaj University (CSJMU) had the privilege of welcoming Mr. Niraj Dahal, Assistant Professor, Department of Buddhist Philosophy, Valmeeki Vidyapeeth, Kathmandu, Nepal Sanskrit University – one of its esteemed partner institutions in Nepal.

Mr. Dahal was warmly received by Dr. Prabhat Dwivedi and Dr. Rajeev Mishra. The visit served as a meaningful platform for academic interaction, with constructive discussions on strengthening institutional collaboration, initiating joint academic programs, and expanding future exchange opportunities.

This engagement marks a significant step in deepening academic ties and reflects CSJMU's continued commitment to fostering impactful international partnerships.

"IRAC WELCOMES USA DELEGATES"

A delegation from the United States of America visited the IRAC Cell, marking a significant step towards strengthening international academic engagement at CSJMU. The visit focused on exploring opportunities for collaboration in research, student exchange, and joint academic initiatives.

During the interaction, both sides engaged in meaningful discussions on fostering global partnerships, enhancing cross-cultural learning, and promoting knowledge exchange. The delegates were also introduced to the university's internationalization efforts and ongoing initiatives under the IRAC framework.

This visit reflects CSJMU's continued commitment to building strong global linkages and creating a dynamic, internationally connected academic environment.

GLOBAL RECOGNITION OF FACULTY EXCELLENCE

Dr. Anuradha Kalani

Director

School of Life Sciences and Biotechnology
CSJM University Kanpur
Uttar Pradesh, India

International Research Presentation – WCN’26

Dr. Anuradha Kalani, Dean (Projects) and Director, School of Life Sciences & Biotechnology, actively contributed to international scientific discourse through her research participation at the prestigious World Congress of Nephrology 2026 (WCN’26) organized by the International Society of Nephrology.

The research work titled: **“A Scientific Approach to Management of Chronic Kidney Disease Through Indian Traditional Polyherbal Formulation.”** was presented at the conference held from March 28–31, 2026, in Yokohama, Japan

This participation highlights the University’s growing global engagement and commitment to advancing interdisciplinary research in life sciences, particularly in the integration of traditional knowledge systems with modern biomedical approaches for addressing chronic diseases such as kidney disorders.

GLOBAL RECOGNITION OF FACULTY EXCELLENCE

Dr. Pramod K Yadav

Associate Professor
School of Life Sciences And Biotechnology
CSJM University Kanpur
Uttar Pradesh, India

Dr. Pramod K. Yadav of Chhatrapati Shahu Ji Maharaj University (CSJMU) has been invited by the prestigious Nature Portfolio to serve as a Founding Editorial Board Member of the upcoming international journal Scientific Reviews. This recognition highlights the global academic standing of CSJMU and its faculty. His role will contribute to maintaining high editorial standards and advancing impactful scientific knowledge at an international level.

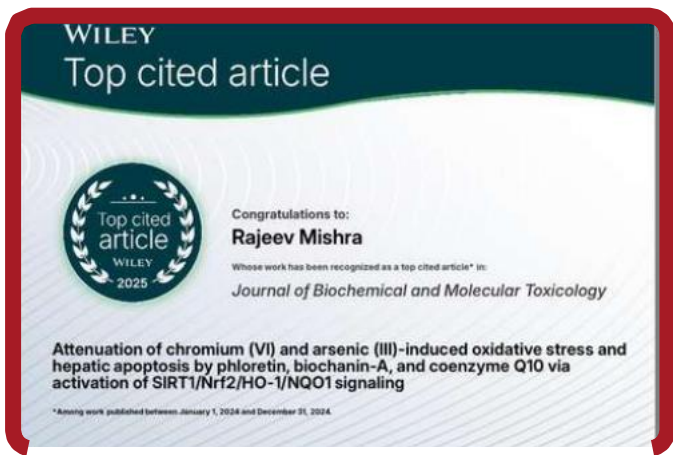

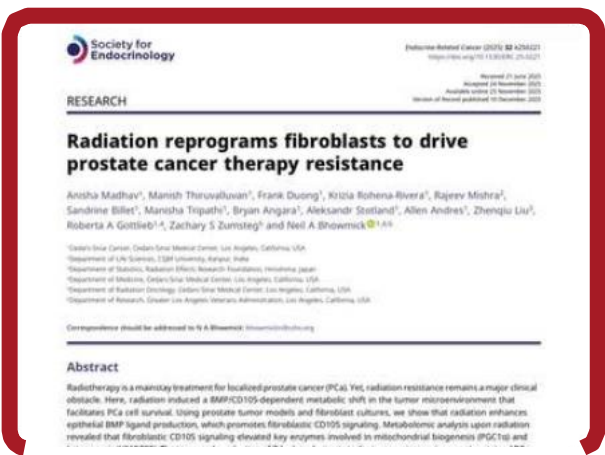

GLOBAL RECOGNITION OF FACULTY EXCELLENCE

Dr. Rajeev Mishra
Associate Director
School of Life Sciences And Biotechnology
CSJM University Kanpur
Uttar Pradesh, India

Dr. Rajeev Mishra of CSJMU has achieved notable international recognition with his research contributions, including a Wiley Top Cited Article (2025) in the Journal of Biochemical and Molecular Toxicology and a significant publication titled “Radiation Reprograms Fibroblasts in Prostate Cancer” in Endocrine-Related Cancer (2025). His work highlights critical advancements in understanding oxidative stress, cellular signaling, and radiation resistance mechanisms in cancer biology. These achievements underscore CSJMU’s growing impact in global biomedical research and reflect the institution’s commitment to excellence in life sciences and interdisciplinary innovation.

This participation highlights the University’s growing global engagement and commitment to advancing interdisciplinary research in life sciences, particularly in the integration of traditional knowledge systems with modern biomedical approaches for addressing chronic diseases such as kidney disorders.

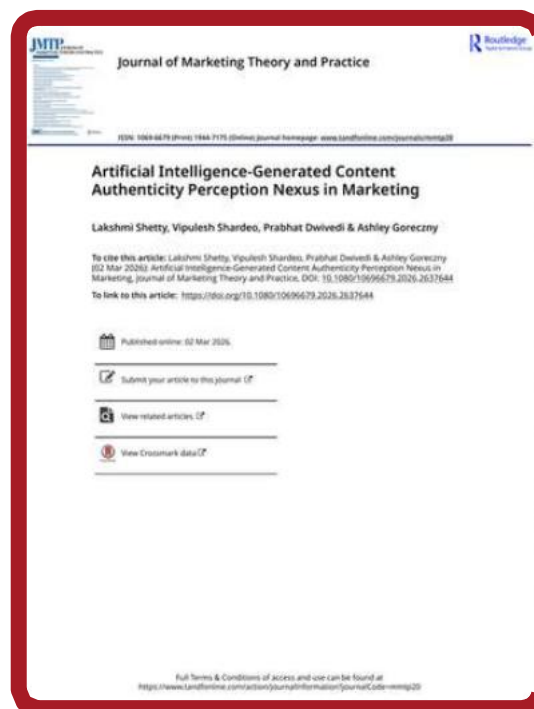

GLOBAL RECOGNITION OF FACULTY EXCELLENCE

Dr. Prabhat K. Dwivedi

Associate Professor
School of Business Management
CSJM University Kanpur
Uttar Pradesh, India

Dr. Prabhat K. Dwivedi, Associate Professor at the School of Business Management (SBM), CSJMU, and Associate Dean, IRAC Cell, has achieved international recognition for his recent research titled “Artificial Intelligence-Generated Content Authenticity Perception Nexus in Marketing”, conducted in collaboration with Dr. Ashley Goreczny of Iowa State University, USA.

The study explores how consumers perceive AI-generated marketing content, focusing on the balance between innovation and authenticity, and introduces a conceptual framework to enhance trust through transparency and ethical communication. This globally published research highlights Dr. Dwivedi’s academic excellence and contribution to emerging areas of AI-driven marketing, strengthening CSJMU’s presence in international research and collaboration.
