The Vice-Chancellor Prof. Vinay Kumar Pathak and Registrar Dr Anil Yadav welcomed all the guests at this event.

At this event, Governor Smt Anandiben Patel distributed essential amenities to Anganwadi workers hailing from 200 centres to develop feature-rich Anganwadi Centres. The Amenities Distribution to Anganwadi workers were held with the cooperation of CSJMU and the Industrial Organisation (C.S.R. Funds)of Kanpur. Furthering the effort of making Anganwadi Centres feature-rich 22 prominent Industrialist of Kanpur has adopted 166 Anganwadi centre at this event.

Along with this, Chhatrapati Shahuji Maharaj University has developed a GIS Mapping and Data Base system for Affiliated Colleges of CSJM University. The purpose of this project was to simplify the intricate web of affiliated colleges to the University by allowing the administration to re monitor in real-time the exact location of the college, thus, enabling better coordination in conducting examinations, developing new colleges and withholding examination centre malpractices in all of 635 affiliated colleges of CSJMU. The Mapping Project was executed by Associate Professor Dr Satish Chandra, Assistant Professor Dr Kashif Imdad and their team under the leadership of Vice-Chancellor Prof. Vinay Kumar Pathak.

While addressing the audience at the event Governor/Chancellor Smt. Anadiben Patel Praised the effort of Anganwadi workers in the consistent and persistent aide to children and mothers in the rural area. She also urged the youth to develop a mindset with every individual to the upliftment of the most backward class of the society. Furthermore, she also said that Anganwadi workers can help eradicate malnutrition and minimize the infant mortality rate in the rural areas and for that, they need to update their work practice in accordance with the 21st century and in that universities can help in that. She also advise administrative officials that in order to overcome these issues they should rigours stop child marriage and dowry practices.

The University Vice-Chancellor Prof. Vinay Kumar Pathak during the address Implored the vision of Governor/ Chancellor Smt. Anandiben Patel to uplift every last citizen of our society and her belief that universities can be the epicentre of transforming this vision into reality. Regarding the inauguration of the geo-tagging portal, he said that CSJMU is the first university in the state to have geo-tagged all its affiliated colleges. Furthermore, The geo-tagging portal has been prepared for about 637 colleges affiliated with the university, adding that, up until now the administrative officers had to undergo many difficulties to inspect a

college, they had to By using this portal student, the teacher can be obtained information about the colleges spread over 7 districts such as the name of the college, phone number, email, courses conducted in the college, teachers associated with it and available seats. The university will use this portal in determining the examination centres, in granting recognition to the college, in conducting the examinations fairly.

Cabinet Minister Industrial Development Mr. Satish Mahana in his address said the glory of Kanpur is known across the globe because of its industries and thanked all the Industrialists for their support in the social welfare program. Furthermore, he said the everyone should work to their full potential so that we can further excel in our objectives. he also praised the Anganwadi workers saying that the way our Anganwadi sisters do their work, if we bring that spirit within us, then all of us can fulfil the dream of Governor Anandiben Patel.

Smt. Neelima Katiyar Hon'ble Minister of State for Higher Education, Science and Technology (U.P. Government) said in her address called this event is a festival of service and schemes like this create awareness in the society. She also appreciated the University attempt to indulge youth in the social welfare program. Furthermore, she said that the New NEP policy has helped in restructuring and updating education and the new online Geo-tagging portal under Prof. Vinay Kumar Pathak is one step forward in it.

At this event, Zila panchayat President Smt. Swapnil Varun also addressed the audience and she showed her gratitude towards the governor saying that as her early career in teaching she has always been supportive of women, children and a depressed class of society she further said that Anganwadi workers next mothers as they take up the responsibility of children's and women who have least accessibility to social welfare schemes. Lastly, she assured her full support towards all schemes regards social welfare.
