CHHATRAPATI SHAHU JI MAHARAJ UNIVERSITY

PRESS RELEASE

Kalyanpur, Kanpur

Uttar Pradesh-208024

Date: 31/03/2022

CSJMU inaugurates the first phase of high-speed internet connectivity on the Campus.

Kanpur. Chhatrapati Shahu Ji Maharaj University campus has completed the first phase of installation for high-speed internet on Thursday. The Chief Guest of the inaugural ceremony was Vice-Chancellor, Prof. Vinay Kumar Pathak. He said that in the last year, the University has strengthened the digital infrastructure across the campus, turning the pandemic into an opportunity. The university is moving towards digitization, under which emphasis is being laid on doing all academic work in digital format. To ascertain this vision High-speed internet access becomes a necessity.

The Pro Vice-Chancellor Prof. Sudhir Kumar Awasthi said that this networking will help our teachers and students to study and teach at a global level. It will work to connect us with a better networking facility from all over the world. Under this, the facility of direct fiber connectivity has been provided in every building from the network control room. In this, all educational institutions, administrative institutions, residential and hostel buildings have been connected to the Internet. A three-tier architecture will be developed to provide high-speed access to Wi-Fi across the campus.

Keeping in mind the modern requirements, this Wi-Fi facility will play an important role in the inclusion of AI learning in all courses. Furthermore, every institute on the campus has been computerized by the university.

Registrar Dr. Anil Kumar Yadav, Dr. Deepak Verma, Dr. Sandesh Gupta, Dr. Praveen Bhai Patel, Dr. Praveen Katiyar, Asha Singh, Amit along with the teachers and staff of the university were present in the inauguration ceremony.
