Memorandum of Understanding

17.5

Preamble

The Government of India has launched the National Education Policy 2020 (NEP) on 29th July 2020, paving way for transformational reforms in the school and higher education sector in the country. The NEP under Chapter 16 has stressed for re-imagining the vocational education system in the country. The Vocational Education will be integrated into all schools and higher educational institutions in a phased manner. The focus area of vocational education will be chosen based on skill gap analysis and mapping of local opportunities. For this, different models of vocational education and apprenticeship will also be experimented by higher education.

The Government in its Budget announcement 2020 has already provisioned the "Apprenticeship Embedded Degree" concept. As a follow-up University Grants Commission (UGC) has launched Guidelines for Higher Education Institutions offer Apprenticeship/Internsh Embedded Degree Programme (hereinafter, callecture) On 07th August 2020.

The UGC Guidelines provide an option for Higher Education Institutions to embed Apprenticeship/Internship to all UG degree programmes as specified by UGC under Section 22 (3) of The UGC Act, 1956.

The Ministry of Education, Government of India has set an agenda for enhancing employability through introduction of Apprenticeship Embedded Degree/Diploma courses in about 150 HE!s by 2021.

Embedding apprenticeship/internship will offer a kind of a traineeship which shall be undertaken not on the campus but at the premises of the workplace like commercial or non-commercial organizations or enterprises. or offices, or industry, or industry associations to get work-based learning in identified discipline/trade.
