Vice Chancellor's Message

Prof. Vinay Kumar Pathak

India has always been looked upon as torch bearers in turbulent times. Our aim is to continue the legacy and sustain the qualities and attributes of it being a Vishwaguru. At CSJM University, we are meticulously working on developing a youth which is capable of independent thinking, is versed in bringing out of the box solution and suits the need of the corporate world. We not only are producing professionals and entrepreneur but also developing true human beings and responsible citizens. School of Business Management is a positive change agent in developing management acumen in Professionals. It not only offers lucrative placement opportunities but also develop "Job Givers" and provide wings to your aspirations.

Director's Message

Prof. Sudhanshu Pandiya

The field of Management is constantly evolving it is undergoing a paradigm shift in current time and Management education needs to work in consonance with its requirements. We at School of Management understand it and are committed to develop professionals and entrepreneurs to suit the requirement of the industry and nation as a whole. With industry oriented approach and evolving pedagogy our focus is on honing the potential of the students and transforming them into Professionals. We offer Doctoral, Master and Bachelor Programs in the field of Business Management and offer you a great career ahead.
