Value Added Course (VAC)

On

"CONCEPTUAL UNDERSTANDING OF ICT & E-ETHICS"

(EDU-CUIE)

Emerging trends in technical and professional education call for value addition i.e. students must acquire something more than what is provided in the curriculum. Our department offers a wide variety of short-term certificate courses, which are conducted after class hours. Value-added courses are those courses designed to enhance the standard of the students beyond those levels specified in academic curriculum. In order to enhance employability of the student's value-added courses are included in the curriculum.

This course considers the ethical issues that arise as a result of increasing use of ICT, and the responsibilities of those who work on internet, The course materials include technical issues in using ICT and focus on a particular area such as privacy, intellectual property rights, freedom of speech and liability hacking, viruses, computer crime, and employee surveillance.

Objectives of the Value-Added Course are:

- To provide students an understanding of the expectations of industry.
- To improve employability skills of students.
- To bridge the skill gaps and make students industry ready.
- To provide an opportunity to students develop their inter-disciplinary skills.

Course Eligibility: Course is open for all UG/PG Students.

Duration of the Course: 30 hours

Date: 20 June 2022 to 29 June 2022

Time: 3 Hours per day

Targeted Group- UG Student, PG Student, Primary School Teacher.

Assessment of Value-added Courses

The Evaluation will be done internally by the concerned teachers. Assessment of the course will be held for maximum marks of 50. The marks will be divided as per the following table:
