BY AND BETWEEN**

.....

**AND
CHHATRAPATI SHAHU JI MAHARAJ UNIVERSITY, KANPUR (U.P.)**

Preamble:

Whereas, Chhatrapati Shahu Ji Maharaj University, Kanpur (CSJMU), established in 1966, has been on the map of higher education for more than five decades. It has over 700 affiliated colleges in several districts. Spreading over a campus of 264 acres, the university is booming with academic activities. While the undergraduate and post-graduate programmes in all disciplines of Art, Science, Commerce, Law, Engineering, Management, Pharmacy and Health Sciences. The residential wing of the University has ten schools of studies viz. Engineering and Technology; Sciences; Management and Information Sciences; Creative and Performing Arts; Health Sciences; Pharmaceutical Sciences; Pharmaceutical Sciences; Languages; Legal Studies; Arts, Humanities and Social Sciences; Teacher Education. It also has Deen Dayal Shodh Kendra and a College Development Council. For catering to the needs of young engineering aspirants, the university runs an Institute of Engineering and Technology in the campus offering courses in four branches of engineering viz. Computer Science, Information Technology, Mechanical Engineering, Chemical Engineering, Materials Science and Metallurgical Engineering, Electronics and Communication, Fashion Technology, Interior Design, Bioinformatics, Physics, Chemistry and Mathematics. The university seeks to contribute to student an education through curriculum design, the development of new courses and the application of a forward looking and innovative teaching methodology. Kanpur, the industrial capital of U.P. and commonly known as the Manchester of Northern India has had a very eventful history. It has contributed much to the growth and economic development of the country. Equally memorable and inspiring is its role in the first Indian War of Independence. The Institute of Biosciences and Biotechnology consists of six Departments: Biochemistry, Biotechnology, Environmental Science, Food Technology, Nutrition Science, and Microbiology. The Institute was established in the year 2001 to provide higher education and facilitate research in the emerging biological areas and offer courses at UG, PG and PhD levels. Over the years, the Department of Life Sciences & Biotechnology and Pharmaceutical Sciences have received funding from State and Central Funding agencies such as UGC, CSIR, DST, DBT, DAE, DST(UP) and RUSA grant for carrying out research as well as development of teaching and laboratory infrastructure. The major thrust areas of research in the university include technological domains

like chemical engineering, computer science and information, mechanical engineering, electronics & communication, artificial intelligence and machine learning. Basic and applied research areas include ethnopharmacology, natural product, phytochemistry, plant physiology and enzyme technology, diabetes and rheumatoid arthritis, fish biology, genetics, molecular & cell biology, cell signaling, cancer biology & therapy, and drug development & novel drug delivery systems. The Central Instrumentation Facility was established recently to promote science and research activities in different departments of the University as well as its affiliated colleges. It provides facilities for users under one roof for researches applying tools and techniques in protein and nucleic acid separation & detection, analytical and biochemical techniques, microbial and animal cell cultures, PCR and RT-PCR, various microscopy and spectroscopy techniques. The University also has Institutional Animal Ethical Review Board and animal research facility.

Whereas, **Shree Sai Naina Foundation, Kanpur**, established on 16.11.2018 provides education, music & dance therapy classes, craft making skills and vocational training to special children so that these children can be a part of mainstream society and also be financially independent in their lives. Several programs conducted in this area by the organization are Deepti Sharma Show in which special children performed a musical program; non-fire cooking, Junior Chef; awareness program entitled, "Aao Chale Prakriti ki Ore"; tree plantation drive; seller exhibition displaying the handicrafts of special children; Breast Cancer Awareness program (joint activity with Rotary Club, Kanpur); Health Club (joint activity with Loins Club International, Kanpur); online programs (Muskuraye Kanpur Forum) conducted during COVID pandemic; and mask making contest etc.

The organization has been awarded by Hon. Governor of U.P., (Shrimati) Anandiben Patel and Hon. Dy. Chief Minister, Mr. Keshav Prasad Maurya for its unique social efforts and activities. The organization has also won several state level awards for its endeavors with special children.

The Founder President is also associated with Shiksha Sanskriti Utthan Nyas, New Delhi as CoCoordinator and is involved in several activities pertaining to environmental protection.

Whereas, it is highly desirable to develop multi-disciplinary training and joint social activities through involvement and integration of diverse but relevant disciplines through synergy and knowledge sharing, and ensure dissemination of knowledge to all corners of the country.

Both parties felt that a sustained, synergetic and effective collaboration between **Shree Sai Naina Foundation, Kanpur** and the Chhatrapati Shahu Ji Maharaj University, Kanpur will enhance the strength, and add value to, the efforts of each party.
