

## **PROF. SUDHIR K. AWASTHI**

I am Prof. Sudhir K. Awasthi , Dean Faculty of Life Sciences & Pro-Vice Chancellor Of CSJM University, Kanpur. I did my M.Sc & PhD. In Life Sciences & then joined the teaching profession in CSJMU Kanpur. I have special interest in the field of Immunology & Environmental Biochemistry .I am determined to use my expertise for the academic upliftment of my University & betterment of the society.

In addition I am also looking after Deen Dayal Shodh Kendra as Director and trying to do the best of my ability to fulfil the vision and mission of great writer, politician , thinker Pt. Deen Dayal Upadhaya who propagated the philosophy of “EKATMA MANAVAD”.

I am also performing as Co-ordinator, Recruitment & Assessment Cell which is meant for recruiting experienced and enthusiastic faculty & technical staff .

My vision is to bring our University in top 100 Universities of the world with suitable infrastructure, State-of-Art facility incorporating latest advancements in technology to uplift the research and development in most efficient manner.

I believe that students should not only become education toddlers but also must aim for moulding themselves into responsible citizen abiding by the rules , regulations & thereby keeping alive the core values of the Constitution of India.

I am desirous of comprehending my more than 30 yrs of experience & research innovations in igniting the young minds who can dedicate themselves for the growth & prosperity of our nation by preserving the values of Indian culture to inculcate the glory of our nation for transforming it into a better future
