Subject: Report on Sweet Distribution Camp for needy children

On behalf of the students of CSE AI 2K22 of UIET Kanpur , I am writing to report on the Sweet Distribution Camp that was held on August 15, 2023. The camp was organized by the college's CSE AI department and was a huge success.

A total of 150+ units of Sweets ,fruits, Books ,Copies , Pencil sets were donated by students of the college. sweets were distributed to children at a local areas and a homeless shelter. The children were very excited to receive the sweets and study materials , and they thanked the students for their generosity.

The donation drive was a great way for the students to give back to the community and to make a difference in the lives of some of the most vulnerable children in that area.

I am proud of the students for their hard work and dedication to this project. They made a real difference in the lives of some of the most vulnerable children in our community

Sincerely,

CSE AI 2K22
