About the Organizers

The Department of Education, School of Teacher Education, and Sankalp Psychosocial Rehabilitation Foundation Kanpur UP will jointly organize this conference. The brief details of both the organizers are as follows. The Department of Education started its journey in 1980 with M.Phil. (Education) Course. Department of Education runs B.Ed., M.Ed., and Ph.D. programs. This Department's alumni serve various University Departments, Government Teachers Training Colleges, DIETs, and Teachers Training Colleges run by various Trusts. This Department's students also serve as teachers in Kendriya Vidyalaya, Primary, and Upper Primary & Secondary Schools of various State Governments. This Department's alumni also serve Provincial & Union Civil Services and premier institutions like UGC. The Research focal areas of the Department are psychological aspects of learning, Gender Issues, Education of the disadvantaged, Policy analysis, Professional Development of Teachers, Curriculum Design, Educational Management and administration, etc.

Sankalp Psychosocial Rehabilitation Foundation Kanpur UP has been working towards better mental health for the last 16 years. We provide basic skills, vocational skills, and training to children with developmental delays, counseling, and psychological assessments.

Idea and Goal of this Conference

The major goal of this conference is to create awareness among school teachers, parents, and related professionals about the problem, its intensity, its impact, ways of identification, and a basic outline of how to deal with it.

Learning Objectives of this Conference

The learning objectives of this conference are as follows-

- To introduce the concept of Learning Disability to the participants
- To sensitize participants towards various issues and difficulties faced by children with a learning disability
- To support participants in enhancing and enriching their knowledge, skills, attitude, and aptitude
- To provide ways of identifying children with learning disabilities to the participants in their classroom practices
- To elaborate on various strategical practices and processes to the participant
- To discuss various policies, norms, and relaxation for children with a learning disability
