

## VISION

To enlighten and empower humanity by nurturing future leaders and change agents for universal development and societal transformation

## MISSION

To work towards sustainable excellence in global standards of academia, technology-centric learning, robust research ecosystem, institutional distinctiveness and harmonious social diversity.

## ABOUT THE UNIVERSITY

Chhatrapati Shahu Ji Maharaj (CSJM) University, Kanpur, is a state university in India accredited with NAAC A++ and recognized as a Category-I institution by the University Grants Commission (UGC). Established in 1966, it stands as a leading public sector affiliating university in Kanpur, an industrial hub in Uttar Pradesh. Currently, nearly 650 degree colleges and higher education institutions are affiliated with CSJM University. Situated on a sprawling 267-acre campus in Kalyanpur, Kanpur, the university offers a wide range of undergraduate, postgraduate, and doctoral programs across disciplines such as Science, Engineering, Management/Commerce, Law, and Humanities. Over twelve thousand students are enrolled as regular day scholars in various programs on campus. CSJM University boasts modern facilities, including well-equipped libraries, advanced laboratories and workshops, hostels, cafeterias, sports complexes, world-class stadiums, a swimming pool, and even a helipad. These facilities support both academic endeavors and extracurricular activities. The university places a strong emphasis on research and development, fostering innovation through dedicated research centers, an Innovation Cell, CSJMIF (a section-8 company), and partnerships with industry and other academic institutions. Student life at CSJM University is vibrant, with a variety of cultural, sports, and academic events enriching the campus experience throughout the year. The university is also active in community service, conducting outreach programs that address societal issues. Despite challenges related to infrastructure and funding, CSJM University remains committed to continuous improvement. It plays a vital role in higher education in the region, dedicated to shaping the future of its students and making a positive impact on society.
