

ABOUT THE UNIVERSITY

Chhatrapati Shahu Ji Maharaj University Kanpur (CSJMU), established in 1966, is a leading State Government University in Uttar Pradesh. It holds NAAC A++ accreditation, ranks in the QS Asia (800-850 band), and secured 263rd position in the QS South Asia rankings. In 2024, School of Pharmaceutical Sciences is recognized in the NIRF ranking. The university focuses on global academic excellence, technology-driven learning, robust research, and social diversity. Its mission is to nurture future leaders and create researchers who will drive societal transformation and universal development.

About School of Pharmaceutical Sciences

The School of Pharmaceutical Sciences of Chhatrapati Shahu Ji Maharaj University (CSJM University) is dedicated to advancing pharmaceutical education and research. Established with a vision to cultivate skilled professionals, the school offers a range of Diploma, Undergraduate, Postgraduate, and Ph.D. programs that equip students with a strong foundation in pharmaceutical sciences. At the School of Pharmaceutical Sciences, we emphasize interdisciplinary collaboration, fostering partnerships with industry and research institutions. Our esteemed faculties are comprised of experienced professionals and researchers. They are committed to nurturing talent and inspiring the next generation of pharmaceutical scientists.

Eligibility for participation

Industry delegates, Ph.D. research scholars and faculties of pharmacy institutes

Availability of seats-30

Venue-Seminar hall, School of Pharmaceutical Sciences

Timinig- 10:30 AM-5:00 PM

Mode of Joining: **Offline**

Important dates

Registration begins from: 14/11/2024

Last date of registration: 23/11/2024

Registration fees: **Rs. 3000/-**
(including Lunch and High Tea)

SCHOOL OF PHARMACEUTICAL SCIENCES
CHHATRAPATI SHAHU JI MAHARAJ UNIVERSITY KANPUR
In collaboration with
Council of Science & Technology, Uttar Pradesh (UPCST) and
E-Spin Nanotech, Kanpur

Invites you
in
One week FDP programme
Titled

“ Innovative Approaches in Drug Design and Development”
from (25.11.2024 to 01.12.2024)

Chief Patron

Prof. Vinay Kumar Pathak
Honourable Vice Chancellor
CSJM University, Kanpur

Patron

Prof. Sudhir Kumar Awasthi
Honourable Pro-Vice Chancellor
CSJM University, Kanpur

Convener

Dr. Shashi Kiran Misra
Director
SOPS, CSJM University, Kanpur

Co-Patron

Dr. Anil Kumar Yadav
Registrar
CSJM University, Kanpur

Co- Convener

Dr. Nisha Sharma
Associate Professor
SOPS, CSJM University, Kanpur

Organizing secretary

Dr. Ajay Kumar, Associate Professor
SOPS, CSJM University, Kanpur

Dr. Anupriya Kapoor, Assistant Professor
SOPS, CSJM University, Kanpur

Feel free to contact

Dr. Swarnakshi Upadhyay, Assistant Professor

RESOURCE PERSONS

Dr. Prem Narayan Yadav
Principal Scientist, CSIR-CDRI, Lucknow
Topic- Designing , conducting and
analysis of drugs or drug like substances
Day and date: Monday 25-11-2024

Dr. Rajnish
Asstiant Professor
Department of Pharmaceutical Engineering and
Technology,
IIT BHU, Varanasi,
Topic- AI in drug discovery
Day and date: Tuesday 26.11.24

Dr. Sanjeev Shukla
Senior Principal Scientist, CSIR-CDRI, Lucknow
Topic- Basics of NMR Spectroscopy
Interpretation of NMR data
Applications of NMR Spectroscopy
Day and date : Wednesday 27.11.24

Dr. Sandip Patil
Director E-Spin NanoTech, Kanpur
Topic- Nanofiber technology and its
commercial applications
Day and date : Thursday 28-11-2024

Dr. Sanjay Tiwari
Associate Professor
Department of Pharmaceutics
NIPER, Raebarelli
Topic- Characterization of nanomaterials
Day and date: Friday 29.11.24

Dr. Kapil Dev
Scientist CSIR-CIMAP, Lucknow
Topic- Isolation and characterization of
secondary metabolites from Indian
medicinal plants
Day and date: Friday 29.11.24

Dr. Prem Prakash Yadav
Senior Principal Scientist, CSIR-CDRI, Lucknow
Topic-Role of Chemistry in Drug Discovery Research,
Medicinal Chemistry Approaches towards Hit/Lead
identification
Day and date: Saturday 30.11.24

Dr. Kinshuk Raj Srivastava
Senior Principal Scientist, CSIR-CDRI,
Lucknow
Topic- Computational tools in drug discovery
Day and date: Saturday 30.11.24

Prof. Sushil Kumar Kashaw
Professor
Dr. H. S. Gour Central University, Sagar
Topic-Pharmacophore modeling and virtual screening
in the design of novel compound
Day and date: Sunday 01.12.24

Prof. Shalini Tripathi
Director,
Khwaja Moinuddin Chishti Language
University, Lucknow
Topic- Herbal Standardization
Day and date: Sunday 01.12.24
