

## ENSURE INCLUSIVE & EQUITABLE QUALITY EDUCATION AND PROMOTE LIFELONG LEARNING OPPORTUNITIES FOR ALL

---

### Relevance

---

We are committed to providing a favorable environment for the faculty members and students to pursue and accomplish their academic goals, especially the ones pertaining to enhancement of knowledge and improvement of skills, aimed towards continual and consistent quality improvement. Also, we understanding the need of updating and enhancing the knowledge-base of the non-teaching staff, especially in the contemporary times of digitalization, CSJM University duly allocates funds towards organizing training workshops.

### Current Interventions

---

-  Scholarships and financial aid for underprivileged students.
-  Regularly organizing faculty development program to enhance teacher training.
-  National and International collaboration with +600 institutions.
-  Provision of ramps, lifts and divyangjan friendly toilets or differently abled persons.

### Policy/Guidelines of the Institute

---

-  Policies to ensure equal access to education for all genders and social groups.
-  Disable friendly and barrier-free environment as per the rights of the person with disabilities act, 2016
-  Policies for Research, promotion of Research by providing various facilities like seed money, scholarship, use of common research facilities.
-  Policy for JRF/SRF/PDF enrollment in institutions, National/International Fellowship/Financial assistance to support research/advance studies

### Future Plans

---

-  Expand scholarship programs to cover more students.
-  Develop e-learning platforms to facilitate distance learning.
-  Addition of more vocational and training programs as per the changing technological demand, societal issues and climate challenges.
