

Certificate from the Investigator(s)

Project Title: _____

It is certified that:

1. The research proposal titled above has not been submitted elsewhere for financial support from any other funding agency.
2. The research work being submitted in this proposal is original and does not duplicate or replicate any ongoing or completed work on the same or similar topic elsewhere.
3. We/I agree to make available the capital assets procured in this project to other users for academic or research purposes, as and when required.
4. We/I declare that the funds sanctioned for the project will be utilized for only research purposes as proposed in the proposal.
5. We/I agree to submit all necessary Ethical/Safety/Other Clearances from the competent authority, in case the project involves field trials, experiments, or the exchange/use of microorganisms, genetically modified organisms (GMOs), or animal/plant/human specimens of any kind.
6. We/I also declare that all Project and External Resource Generation, CSJMU guidelines and policies will be followed while conducting the project, and we/I shall take full responsibility for compliance.
7. We/I agree to take full responsibility for coordinating the project, and to provide all required documents through the PI within the stipulated timeframe to CSJMU for the successful completion of the project.
8. We/I agree to abide by all terms and conditions of the CV Raman Research Grant (Major/Minor) under CSJMU.
