- **Master's Degree [Level 7]** – after successful completion of **two years** of study and all prescribed credits of both years following a four-year Bachelor's degree

## **C. Integrated Five-Year Bachelor's/Master's Programmes**

Students enrolled in integrated programmes shall have the option to **exit after the third year** with a **Bachelor's Degree**, with the possibility of lateral entry into a **two-year Master's programme** in another Higher Education Institution (HEI).

The nomenclature for Certificates, Diplomas, and Degrees corresponding to the various exit points for all programmes of the University shall be finalized based on the above framework.

If a student discontinues the programme in between an academic session rather than at the end of such academic year, the relevant qualification as per clauses (A) to (C) above shall be awarded based on the credits earned.

- (4) The students wishing to exit their academic programme before the completion of the programme must apply well in advance for exit, preferably before the start of the next academic year.
- (5) The structured framework for the Multiple Entry option for students who wish to re-enter their programme after a gap. This framework shall be customized for each programme, keeping in view its maximum permissible duration as specified by the UG and PG ordinance and mentioned below:
  - Maximum duration of the UG programme (4 years/8 semesters) can be extended upto 8 years.
  - Maximum duration of the UG programme (3 years/6 semesters) can be extended upto 6 years
  - Maximum duration of the PG programme (2 years/4 semesters) can be extended upto 4 years.

The credits earned shall remain valid for redemption for a maximum of 8/6/4 years depending on the programme.
