

Notice for remaining end-semester examinations of 1st semester

B. Tech First year students (1st semester, 2K 20 Batch)

- Remaining **End-Semester Examinations of B.Tech First Year (1st semester)**, will be held from **12th July, 2021 to 15th July, 2021**.
- The Mode of the examination will be **ONLINE**, keeping in mind the Covid pandemic situation and the safety of the students.
- The Google Classroom portal (where online classes are currently held) will be used for conducting the online examinations.
- Each examination will be of **TWO hours**.
- Examinations will be conducted as per **the attached time table**.
- Both regular and backlogged students have to follow the same attached schedule/time table
- Question papers will be objective or subjective or a mix of both.
- Question papers will be either in the Google Form (multiple choice and short answers) or in PDF format. Students have to follow the instructions or format in question paper as given by their respective subject teachers.
- Further details of the exact process of conducting the examinations, will be sent to the students within a week.
- For any clarifications regarding exams, students can contact the Convener of the Examination Cell Dr. Anju Dixit (9451913490) or their respective subject teacher or Head of the Departments.
- Please find exam schedule in the UIET, CSJM University website: www.uietkanpur.com.
- The 2020-21 IInd semester classes for First Year students will be suspended from 5th July to 11th July and this period will be considered as preparation leave for the forthcoming End-semester examinations
