Any other suggestion:

Need to improve on the following things:

1. Teach new technologies with implementation and good assistance.
2. Narrow the gap between the corporate world and the college by adopting better methods.
3. Focus more on implementation, introduce Major in college so that students can find his/her interest,
4. Teaching should be more practical than theoretical.
5. Focus more in preparing students to get a job some mini live projects should be introduced or groups should be made to exchange their experiences with teachers.
