Webinar Invitation

Chhatrapati Shahu Ji Maharaj University, Kanpur cordially invites you for a webinar on "Exploring & Understanding the COVID-19 Pandemic" on 2nd May 2020 at 4:30 PM (I.S.T.)

OUR SPEAKERS

Prof. Neelima Gupta - Keynote

Hon Vice-Chancellor, CSJMU, Kanpur

A renowned academician and administrator, Prof Neelima Gupta has more than 40 years of teaching/ research experience. She is a parasitologist of repute and was awarded the prestigious EK Janki National Award on Taxonomy in addition to more than 60 awards (Saraswati Samman, Vigyan Ratna). She has handled research projects worth more than 1.8 crores and has visited the 5 continents of the world. Presently, she is taking keen interest in creating awareness for the prevention of corona virus and is involved in several national ventures.

Dr. Ruchit Agrawal

MBBS, DEM(RCGP,UK), MRCEM(UK), FACEM(Aus)

Dr. Ruchit Agrawal is a Consultant, Emergency Medicine & Senior Faculty, School of Medicine, Univ of Wollongong. He is also Co-Director Emergency Medicine Training, Wollongong Hospital, NSW, Australia. At present, he is handling corona patients in Australia and will be sharing his current experiences on the challenges in the health care system.

Mr. Divya K S Rathore

Release Train Engineer, Elekta Ltd, UK

Divya is associated with Elekta that provides radiation therapy, radiosurgery, related equipment and clinical management for the treatment of cancer and brain disorders. He is an alumni of UIET 2001, second batch. He manages programme level processes and execution by focussing on scaled Lean and Agile practices. His role is concerned with the long-term health and ability of the engineering teams to deliver value at a sustainable pace and foster a culture of continuous learning, self-inspection and improvement.

Mr. Aditendra Jaiswal

Lead Enabler, Srijan Sanchar

Aditendra is unique combination of an entrepreneur and academic with post-graduation in mechanical engineering. Inspired by his vision "Innovations Are Ideas In Action" Srijan Sanchar has established itself as a leading organization in the field of innovation covering the entire continuum from creativity to entrepreneurship. Srijan Sanchar has a number of innovations in the fields of training, manufacturing, quality, packaging, solar energy, material handling, and urban transport, amongst others.

Mr. Manav Khanna

Cloud, Identity & Data Security Product Management Leader, THALES, Texas, US

20+ years' experience of & passion for excelling in three areas that strengthen one another - helping customers succeed, creating strong product businesses and teams, and living a mindful life. Led multiple enterprise product portfolios for identity security and data security, each over 100 million dollars & with double digit YoY growth, launched 10+ new products and solutions from concept to delivery, reinvigorated several existing products for growth. Startup and Fortune 500 experience. Integrated several products & businesses through M&A.
